LIONS CLUB OF TROWBRIDGE
A Charitable Incorporated Organisation
TRUSTEES ANNUAL REPORT
FOR THE YEAR ENDED 30 JUNE 2022

History, objectives and activities

The Club is a member of the International Association of Lions Clubs, and was established as a Charitable Incorporated Organisation (CIO) on 20th September 2016

The Club's objectives and activities are

- the advancement of citizenship by:
- promoting the principles of good citizenship;
- encouraging members to take an active interest in the civic, cultural, social and moral welfare of the community;
- providing a forum for the open discussion of all matters of public interest; provided that partisan politics and sectarian religion shall not be debated by members;
- encouraging service-minded people to serve their community without personal reward and encouraging the promotion of high ethical standards in commerce, industry, professions, public works and private endeavours;
- supporting youth to develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals;
- promoting the Voluntary Sector for the public benefit by associating with local authorities in a common effort to advance education and provide facilities in the interests of social welfare for recreation or other leisure time occupation to improve the conditions of life of people in local, national and international communities;
- promoting volunteering;
- the relief of poverty and the relief of those in need in particular by providing humanitarian aid and disaster relief;
- the advancement of health or the saving of lives by preventing avoidable blindness, assisting disabled people to lead independent lives or helping to prevent or manage health issues;
- promoting for the benefit of the public the conservation protection and improvement of the physical and natural environment;
- promoting community participation in healthy recreation.

Throughout the year, the Trustees have paid regard to the Charity Commission's guidance on public benefit in dealing with the objectives and activities of the Club.

The Club relies on the surpluses made on fundraising events, and on occasional donations from the public, to provide the funds with which to carry out its objectives. All administrative expenses of the Club are met from subscriptions paid by its members. There has been no change in these policies during the year.

The work of the CIO is carried out entirely by volunteers.

From time to time as appropriate, the Club works closely with other local and national agencies, with other Lions Clubs, and with Lions Clubs International to achieve its objectives.

Management and governance arrangements

The Club is governed by its CIO document dated 20th September 2016, and by the Constitutions and By-Laws of Lions Clubs International, as revised from time to time.

The Trustees are appointed from time to time as appropriate by the members of the Club, and have overall responsibility to ensure that the Club operates in accordance with Charity law and the Club's CIO document. The day-to-day running of the Club is overseen by a Board of Directors elected each year by the members, and which forms and governs such committees as it deems appropriate for the effective running of the Club. All business of the Club is ratified by the members in general meetings, which meetings are held at least once per month.

The Club is ably supported by the volunteer services of its members and others.

Trustees

Details of the Trustees who have served throughout the year are set out under legal and administrative information at the front of these accounts.

It is the policy of the Club to maintain unrestricted funds only to the extent that they are expected to be required within the foreseeable future to meet the objectives of the Club. The adequacy of the reserves policy is reviewed periodically.

The Trustees have considered the major risks to which the Club is exposed to satisfy themselves that systems are in place to mitigate those risks.

Activity during this year was still restricted by COVID-19 which reduced fundraising activities and community support.

- We also provide support for individual families that approach us either directly or through Social Workers because they are in dire need. This can include the supply of white goods, basic home items, food vouchers etc.
- We support local organisations such as a local hospice, The Bobby Van and provide our Message in a Bottle service to elderly and vulnerable persons.
- We are part of a group of organisations that support the homeless by providing and manning a soup kitchen for 2 nights a month.

Statement of trustees' responsibilities

Charity law requires the trustees to prepare financial statements for each financial year which show a true and fair view of the state of affairs of the charity and of its financial activities for that period.

In preparing the financial statements the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make sound judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the club throughout the year.

Approved by the Trustees on 7th April 2023 and signed on their behalf.
