The Charity aims to further develop its activities and become more established during the next accounting period.

Statement of Trustees Responsibilities

Charity Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the profit and loss of the charity for that period. In preparing the financial statements, the Trustees are required to:-

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business

The Trustees are responsible for ensuring that proper accounting records are kept which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with regulations issued by the Charities Commission. The Trustees are also responsible for safe-guarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
