DUFTON COMMUNITY FIRST RESPONDERS ANNUAL REPORT AND ACCOUNTS 2022/2023

During the year our volunteers responded to fewer calls for emergency assistance than usual, largely because of lockdown, but still managed to alleviate problems and were able to maintain a crucial life sustainability until an ambulance arrived. We didn't have a necessity to raise further funds and our expenditure was to install an additional defibrillator at a farm part way up the fellside. Our village now has several.

Balance sheet

Opening Balance at bank £13263

Cash in hand £0

Income £590

Expenditure £1534

Closing balance at bank £12319

The Annual meeting of trustees reviewed the year's activity during 2021/22

Our activities were minimal this year because of lockdown, but we maintained our equipment and were always in a state of preparedness should a call out be required.

Our income and expenditure were minimal - £40 income and £130.78 expenditure.

The trustees decided that our funds at the bank were very healthy and agreed to purchase an additional defibrillator in the following year to be situated at a farm part way up the fell

Accounts

The Annual meeting of trustees reviewed the year's activity.

The team were called out on few occasions because of a lack of visitors due to the covid pandemic. Fortunately, on the few occasions we were called out, there were no fatalities during the year and our immediate intervention contributed to this success. We continue to give support to those in need, particularly visitors to our Pennine area who have no knowledge of emergency support here.

During the year we had an income of £260 from various sources including donations and collections and an expenditure of £32 The expenditure was only on minor consumables to maintain our service.
