Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The objects of the CIO are: 1) for the public benefit to relieve and assist the victims of war, conflict or natural disaster, throughout Europe, in particular by the provision of volunteers, funds, food, medical aid, accommodation, access to water and sanitation and other humanitarian assistance and raising awareness in the international world about the tragic effects of the continuing vulnerability of the refugees produced by war. 2) the prevention or relief of poverty or financial hardship of refugees, in particular, but without limitation, by providing persons in need with grants or money or by providing or paying for services, items or facilities.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	During the reporting year, the charity focused its efforts on supporting displaced communities in Egypt, in line with its charitable objectives of relieving poverty, advancing health, and promoting the welfare of vulnerable individuals. The primary activities undertaken included the distribution of immediate humanitarian aid and the provision of essential medical assistance. Immediate aid efforts included the distribution of food parcels, clean water, hygiene kits, clothing to displaced families facing hardship due to conflict, instability, or economic displacement. These resources were critical in addressing the urgent needs of beneficiaries, helping to alleviate suffering and reduce health risks in

		<p>overcrowded or underserved communities.</p> <p>In addition, the charity facilitated access to medical care by partnering with local health providers. Support included funding medical treatments and supplying medicines. These services helped reduce preventable illness and supported recovery for individuals with limited access to healthcare.</p> <p>All activities were undertaken with a clear public benefit, targeting communities identified as high-risk and ensuring resources were directed to those in greatest need. The trustees confirm that the charity's activities during the year have demonstrably furthered its charitable purposes and complied with the public benefit requirements as set out by the Charity Commission.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	<p>On a yearly basis individuals wishing to volunteer for Road to Freedom keeps growing, without the donations and support of our supporters and volunteers we would not be able to help the thousands of people with basic items.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Throughout the reporting year, the charity made significant strides in improving the lives of displaced communities in Egypt. By providing immediate humanitarian aid and medical assistance, the charity directly alleviated hardship for hundreds of families affected by conflict, displacement, and poverty. The distribution of food parcels, clean water, hygiene kits, and clothing addressed urgent daily needs, helping to restore dignity and stability for vulnerable individuals. These interventions not only reduced suffering but also mitigated the risks of malnutrition, disease, and poor hygiene in overcrowded or makeshift living conditions.</p> <p>The charity's medical support—delivered through partnerships with local health providers—ensured access to critical healthcare services for individuals who otherwise had no means of treatment. This included funding life-saving medical procedures and providing essential medicines, contributing to a measurable reduction in preventable illnesses among the displaced population.</p> <p>By focusing efforts on high-risk and underserved communities, the charity's work had a profound impact on the well-being of beneficiaries, enabling them to recover, rebuild, and reintegrate with greater resilience.</p> <p>The trustees are confident that the charity's activities this year not only fulfilled its charitable objectives but also brought about meaningful, lasting improvements in the lives of those it serves.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>At the end of the reporting period, the charity remains in a stable financial position, with income exceeding expectations due to a significant increase in donations.</p> <p>This increase was primarily driven by heightened public awareness and support in response to large-scale displacements and ongoing conflicts in the region, which underscored the urgent need for humanitarian assistance.</p> <p>The rise in donations enabled the charity to expand its reach and scale up the delivery of aid and support to affected communities, particularly displaced individuals in Egypt. Funds were allocated directly to frontline services, ensuring that resources were deployed efficiently to meet the most pressing needs.</p> <p>The charity has maintained sound financial controls and oversight throughout the year, ensuring that all expenditures align with its charitable objectives. The trustees are satisfied that reserves are adequate and that the charity is well-positioned to continue its operations and respond effectively to future humanitarian needs.</p> <p>The financial statements provide a full breakdown of income, expenditure, and reserves, reflecting the charity's commitment to transparency and accountability.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The charity's policy is to maintain a level of reserves that ensures it can continue to operate effectively and fulfil its charitable objectives in the event of unexpected reductions in income or</p>

		<p>unforeseen increases in demand for its services. Reserves are held to provide support continuity of essential aid delivery, particularly in times of crisis.</p> <p>The trustees regularly review the reserves level to ensure it remains appropriate for the charity's size, commitments, and the external environment in which it operates. Given the ongoing instability and displacement crises in the region, the trustees consider it prudent to hold reserves.</p> <p>Reserves are not intended to accumulate without purpose; rather, they are held to ensure the charity can respond quickly to emergencies, sustain essential services during income fluctuations, and protect beneficiaries from service disruption.</p> <p>The current reserves level is in line with this policy and supports the charity's ongoing commitment to financial prudence and effective humanitarian response.</p>
Amount of reserves held	Para 1.22	Cash at bank at 30 September 2024 was £36,368 in unrestricted funds. Cash in hand was £0 in unrestricted funds.

Charity registration number: 1169584

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The objects of the CIO are: 1) for the public benefit to relieve and assist the victims of war, conflict or natural disaster, throughout Europe, in particular by the provision of volunteers, funds, food, medical aid, accommodation, access to water and sanitation and other humanitarian assistance and raising awareness in the international world about the tragic effects of the continuing vulnerability of the refugees produced by war. 2) the prevention or relief of poverty or financial hardship of refugees, in particular, but without limitation, by providing persons in need with grants or money or by providing or paying for services, items or facilities.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	This financial year, the charity undertook only a few campaigns our biggest one being aid into Afghanistan. This was done in collaboration with the charity 'The Green Village' and was of the amount of £6800. This money was spent on providing food parcels, medical support and orphan support. This is in line with the trustee's objective to raise funds to support those affected by war.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	On a yearly basis individuals wishing to volunteer for Road to Freedom keeps growing, without the donations and support of our supporters and volunteers we would not be able to help the thousands of people with basic items.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The charity organised one fundraising event in Oct 2021 - this was to raise awareness of the charity as well as raise funds for Afghanistan aid. On the night, merchandise including hoodies and wristbands were sold and all profits were added to the aid fund</p> <p>The charity in general was quiet this year with only one major campaign and another smaller campaign sending aid into slums in Pakistan. This was due to personal reasons including the loss of loved ones for our trustees. However, the trustees and volunteers remain committed to the work we are doing and plan to restart work over the next few months.</p>
