		Criminal Justice System or as an offender rehabilitating into society).
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>White Gold Cornwall provides 1:1 mentoring for at risk/vulnerable children, young people and young adults throughout Cornwall and the Isles of Scilly.</p> <p>This is delivered by a strong, diverse and experienced team operating throughout Cornwall. Our work builds on forming a relationship with the young person and addressing the needs and concerns highlighted in the referral document.</p> <p>The length of support varies with each individual – each young person has targets set with them. We have worked with a young person for 5 years, throughout their secondary education but as little as 6 weeks in order to overcome more manageable issues.</p> <p>Issues we support with are overcoming a lack of self-confidence, self-esteem, improving health and mental well-being, physical and mental abuse. We also support and signpost those young people who are struggling with drug and alcohol mis-use.</p> <p>We aim to help prevent the young people from becoming socially excluded within their own families, peers and communities. We work with communities to partner with them to promote public safety and reintegration for the young people.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities and setting the grant making policy and budget for the year.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>During 2022 White Gold Cornwall supported over 100 children, young people and young adults throughout Cornwall. Our work has continued to grow since COVID with a greater need for the young people to receive support with their mental health challenges. The isolation caused by COVID had a massive effect on their well-being and the charity saw many new referrals from parents concerned for their children. We have been able to fund such referrals by donations, fundraising and grants enabling all that need help to receive it.</p> <p>Due to the increase in referrals we have strengthened our team of experienced engagement workers working throughout Cornwall, from Saltash to Penzance. With the increase in our workforce, we have been able to support throughout the County and we have more flexibility to manage this.</p> <p>We are actively seeking to recruit new Trustees.</p> <p>In August 2022 we appointed a new admin assistant to complement the team due to the increase in referrals being received as a charity.</p>

It is considered that this will be sufficient to cover unforeseen circumstances, disruptions in cash flow or a loss of funding.</p>
Amount of reserves held	Para 1.22	<p>Restricted funds amount to £5,848.</p> <p>Designated funds amounted to £63,000 in total, being the Salary Fund of £60,000, and the Operating Commitments Fund of £3,000.</p> <p>The general fund amounted to £6,159.</p>

The charity's principal sources of funds (including any fundraising)	Para 1.47	<p>As a charity we receive referrals from schools, colleges and also from Social Care (both Adult and Children's Services). These referrals come with full funding.</p> <p>2022 saw the continuation of our sponsorship with our donor of £8,000. This will be the final year for this, for which we are very grateful. This has assisted us with the day to day running costs of the charity and also helped towards training costs for our staff to develop and enhance their skills.</p> <p>We are still affiliated to Local Giving as our on-line platform for donations. We have access to this via our website. We continue to receive regular donations.</p> <p>As in past years, we work closely with partner organisations and none more than Cornwall Community Foundation who continue to be a great encouragement to the charity with varying opportunities for funding and longer term grants over multiple years. This has been a lifeline for those young people who are referred to us without funding.</p>
Investment policy and objectives including any social investment policy adopted	Para 1.46	We do not currently have an Investment Policy but this is under consideration.
A description of the principal risks facing the charity	Para 1.46	We have developed a risk register to highlight potential risks to the charity. This document is reviewed regularly by managers and Trustees. We have not identified any high-risk issues with high levels of likelihood. The principal risks are ensuring we have enough staff with the right skill set to work with young people exhibiting a wide range of complex problems. Safeguarding issues are always a risk but are mitigated through careful monitoring, supervision and training.

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP FRS 102) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) (September 2015) and the Charities Act 2011.

White Gold Cornwall Foundation constitutes a public benefit entity as defined by FRS102.

1.2 Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the charity continues to adopt the going concern basis of accounting in preparing the accounts.

1.3 Change of accounting policy

The accounts present a true and fair view and the accounting policies adopted are those outlined in note 2.

1.4 Changes to accounting estimates

No changes to accounting estimates have occurred in the reporting period.

1.5 Material prior year errors

2 Accounting policies

Incoming resources

Income is included on the Statement of Financial Activities (SoFA) when the charity becomes entitled to the resources, it is more likely than not that the trustees will receive the resources, and the monetary value can be measured with sufficient reliability.

Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources. Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.
