**Additional governance issues (Optional information)**

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Annual General Meeting is held at the beginning of the school year (November / December).

All Members of the Committee are Trustees and have control over the Association and different branches (eg. Fundraising branch, Events branch, Unitrade branch...), its property and funds.

The charity is covered by public liability insurance (Parentkind.org.uk Zurich).

Bank account operates on a dual signatory basis.

All trustees give their time voluntarily and receive no remuneration or any other benefit.

**Summary of the objects of the charity set out in its governing document**

The object of the association is to advance the education of pupils in the School in particular by:

- (1) developing effective relationships between the school Lycée International de Londres, parents of pupils who attend the School and others associated with the School, and
- (2) engaging in activities, including fundraising work with the School, which shall support the School, its pupils or any charity with objects to support or advance the education of the pupils attending the School and
- (3) assisting the School with its links with the local and wider community.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

In planning our activities, we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings.

Each project was thoroughly scrutinised in association with the Head of School in order to benefit the students of our school. If a project benefitted one group/age in particular, then the trustees would strive to accommodate other groups/ages through other projects.

Our main services, running throughout the school year, are the sales of second-hand dress code clothes (called Unitrade Sales), second-hand book sales, conferences for parents about the students' education and well-being.

We organise 3 major events for the community: a parents' night, a Fun Fair Day for the primary school, and a Christmas gathering event (called Lillumination).

We also strive to support our School through:

- election and appointment of parent delegates
- coordination: primary and secondary school
- communication with the board and the administrative department of the school.

Our aim is to support and consolidate the community of our School.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

A great contribution is made by member volunteers.

We are grateful for the many hours volunteers have spent contributing to the smooth running and success of all of the association's projects and events.

Without this valuable contribution of time, energy and expertise we would not have been able to achieve so much.

**Summary of the main achievements of the charity during the year**

**September 2024- Parents' coffee**

A welcome coffee was offered at school for new parents. This allowed us to exchange and create links within our community and with the school in a friendly environment.

This event does not generate cost nor raise money, as the school very generously welcomes the parents at school and offers coffee and pastries.

**September 2024 – Welcome picnic**

APLIL set up a welcome picnic to new families – no cost

**September 2024 – July 2025 – second-hand uniform Unitrade Sales**

Usually, once a term, parents can purchase second-hand dress code from items donated to APLIL. Unitrade was organised outside in the parking lot because of pandemic restrictions. Many families were very happy to be able to purchase from APLIL.

Unitrade sales generated a profit of £3,627: income of £3,657 / expenses of £30.

**December 2024 – Event at Christmas time, Lilluminations**

The end of the calendar year is a festively busy time at school and APLIL provided for a happy family event and some lovely decoration within the school. Three Wishing trees were installed and decorated by APLIL Board members.

An end of calendar year event, called “Lilluminations”, providing hot chocolate and nut free crêpes, a little market, lighting of the school's facade and managing a book stall were organized on the 6th of December 2024 by trustees and volunteers.

This year was a particular success, the community was happy to be able to gather again at school outside on the parking lot.

The Lillumination event generated a profit of £224: income of £432 / expenses of £208.

**2025 – Parents' night**

A themed party is organised for parents in the school gymnasium which is decorated for the occasion by volunteering parents. Usually in March, the parents' night took place this year on the 20<sup>th</sup> of April. This year's theme was the Gatsby and les années folles.

The parents pay an entrance fee to cover the costs of the evening including catered food, decorations and dinner drinks.

During this event, APLIL raised funds through a raffle. The parents' night event generated a profit for APLIL of £3,270: income of £5,726 / expenses of £2,456.

**June 2025 - Annual School Fun Day**

The Fun Fair Day or “Kermesse” is a huge festive event for the younger students from primary and their families: stalls, games, goodies, food are offered to the community. The event was organised outside, in the primary school yard, the parking lot and outside the canteen on Saturday, 28<sup>th</sup> of June 2025. Family and staff from the school gather for a big day of fun and lovely moments.

The Fun Fair Day event generated a profit of £1,300: income of £3,556 / expenses of £2,266.

**July 2025 – Staff BBQ**

APLIL organised a BBQ with APLIL volunteers and LIL staff to thank everyone for their contributions and support throughout the year.

**Other events and services**

APLIL organises other minor events, such as pub nights or a volunteer drink at the end of the school year.

APLIL also invites parents to join conferences on topics regarding the education, the children's well-being and potential threats they may face (drug awareness, digital coaching, bullying awareness, etc.). All these conferences are free for the parents and the speakers come as volunteers and are not paid.

### **Grants**

APLIL did not organise a special raffle to donate to FSF, French Scholarship Foundation from September 2024 to September 2025.

### **2024-2025 – Investment programme**

No investment from September 2024 to September 2025.

During the financial year, all the activities listed above generated a total of £13,372.

The total direct costs of running those activities were £5,642. These are mainly the cost of the events (£4,961), and others (£681 such as administrative expenses, bank fees).

Given this outcome, two end of year donations were decided:

- £1,000 to the French Scholarship Foundation (same as in previous years).
- £6,500 to the Lycée International de Londres to finance the primary and secondary school needs.

On 14<sup>th</sup> September 2025, when we reviewed all the transactions and reconciled them, the balance in the bank account was £20,346.21.

The reserves are held in order to meet any unforeseen expenditure that may occur as well as being able to set up activities in the following year before funds can be raised.

**Brief statement of the charity's policy on reserves**

For the coming years, we aim to hold at least £4,000 at the end of the financial year and no more than £10,000.  
The reserves are held in order to meet any unforeseen expenditure that may occur as well as being able to set up activities in the following year before funds can be raised.

**Details of any funds materially in deficit**

Not applicable

**Further financial review details (Optional information)**

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Funds were mainly raised through Events (Parents night, Fun Fair Day, Lillumination) and through services to the community (Unitrade Sales).

The funds that are not used to run the activities are granted to the School as restricted funds for the purchase of equipment and the financing of projects benefitting the students (see above detail).

There was a consultation with school staff and Head of School on the best use of the funds granted and APLIL agreed on the above contribution.

We aim to keep the cost of the activities to parents affordable and for the surplus generated to be spent during the school year within the limit of our reserves policy stated above.

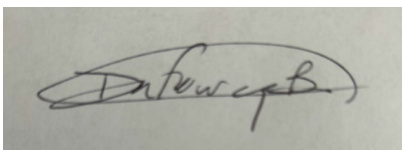

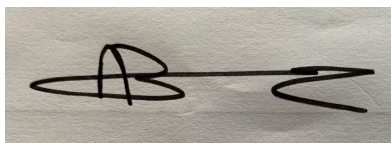

We try to keep running costs down by relying on volunteers wherever and whenever possible.
