TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2021

The trustees present their report and accounts for the year ended 31 March 2021.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

The accounts will be submitted to the Charity Commission after the AGM.

The annual report and accounts help to provide timely and regular information on the charity and its funds to help understand the charity's objectives, structure, activities and achievements and to gain appreciation of the financial

Objectives and activities

The objectives of the Charity are to promote the advancement of education and the advancement of the Islamic faith by the establishment of an Institution in particular for the purposes of:

- To educate people from all backgrounds and walks of life, especially the youth in all aspects of spiritual, personal and community development.
- The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the trust should undertake.
- It is the policy of the trust that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the trust's current activities while consideration is given to ways in which additional funds may be raised.
- The trustees have assessed the major risks to which the trust is exposed and are satisfied that systems are in place to mitigate exposure to the major risks

FINANCIAL REVIEW AND RESERVES AND POLICY

The charity has strengthened its financial base in respect of both unrestricted which will help secure the charity's future to continued success towards the achievement of its objectives.

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level, which equates to approximately three months unrestricted expenditure. This provides sufficient funds to cover management, administration and support cost.

RISK MANAGEMENT

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Achievements and performance

Reserves policy

The Trustees regularly undertake a review of the financial activities of the charity in order to avoid deficits and to stay within budgets which are reviewed annually. Given the vulnerable nature of the charity's clients and their dependence on the services provided it is considered that ideally, unrestricted reserves should be sufficient to cover one year's charitable activities and also support ad hoc projects as and when they arise, which would currently amount to at least £329,269.00 per annum.

Risk assessment

The Trustees confirm that the major risks to which the charity is exposed, as identified by the Trustees, have been reviewed and that systems and procedures have been established to identify and respond to risk and to provide a methodology for risk management and its reporting.

Major risks are defined as those risks which have a high likelihood of occurring and would, if they occurred, have a severe impact on operational performance, achievement of aims and objectives or could damage the reputation of the charity.

The main types of risk and their classification are as follows:-

- Governance risks e.g. difficulty recruiting trustees with relevant skills;
- Operational risks e.g. service quality and development; employment issues;
- Financial risks e.g. adequacy of reserves, diversity of income sources;
- External risks, e.g. adverse publicity, change of government policy;
- Compliance with laws and regulations e.g. breach of employment law.

The Trustees have established a comprehensive risk policy and register which form a major part of governance and operation. The register is regularly monitored and updated, to identify any new risks, assessing the main risks applicable to the charity, evaluating what action needs to be taken and periodically monitoring and assessing the policy. A new and updated fraud policy was added to the charity's register this year.

Structure, governance and management

Constitution of the Charity

Organisational Structure and Decision Making

The organisation structure of the charity consists of a board of trustees who meet on a regular basis to consider reports from the officers and staff of the charity, to consider and review the charity's activities, general progress and current financial position. Decisions are then made regarding current expenditure and the level of reserves.

The Trustees are empowered to delegate their functions to committees, the membership of which must include at least one of their number. The treasurer is responsible for overseeing accounting procedures and reports regularly to the board on cashflow, budgets and general accounting matters.

Responsibility for operations are delegated to the charity's management and administration teams who ensure that the charity's aims and objectives are met and that services are delivered in a manner that prioritises client interest and welfare. The Centres Manager is responsible for staff management and the day to day operation of services. The Chair communicates daily with the management team and ensures that there is a good line of communication between staff and trustees.

A review of trustee's roles with an assessment of skills and experience is planned and a reallocation of duties has already begun. A new and comprehensive Human Resources and Guidelines manual has been produced and staff and trustees will be required to familiarise themselves with areas appropriate to their roles.

The Trustees during the year under review have held monthly meetings at which the quorum is three Trustees. They have the responsibility for setting the strategic aims of the charity and for approving its annual budget and accounts. The Trustees regularly review their needs for skills to meet the requirements of their strategic aims and, where necessary, identify potential new members for the Board.

Trustees

The trustees, who are also the directors for the purpose of company law, and who served during the year were:

ASAD SALLOO
ZAHID PATEL
ESA MAHAMROOT
ABDUL RAHIM DAWOOD LIMBADA

The Trustees are trustees for the purposes of the Charities Act 2011 and are directors of the company limited by guarantee. There must be at least three and not more than eleven trustees, all of whom must be members of the company.

The members of the company appoint the trustees at the Annual General Meeting. A vacancy in the number of Trustees may be filled by the co-option of a person qualified to be a Trustee; such a co-opted Trustee holds office until the next Annual General Meeting. One of the Trustees must retire at each Annual General Meeting. All new Trustees are provided by the Chairman or the Chief Executive with an induction to the work of the charity. Training needs are kept under review by Trustees at their meetings.

The accounts have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the accounts. In making this assertion the trustees have considered the current uncertain economic conditions due to the Coronavirus pandemic. The trustees have not yet seen any adverse impact on the charity however they continue to assess its impact on the going concern basis of accounting. The trustees believe that the charity has a strong asset base which, combined with its cash reserves, will enable it to meet the challenges presented by this virus and to continue with its charitable objectives.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

1.4 Incoming resources

1 Accounting policies

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated items have been met, the receipt of economic benefit from the use by the charity of the items probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised.

Donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Grants are accounted for in the year in which they are receivable in accordance with the terms of the grant.

1.5 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Direct Charitable Expenditure

Expenditure which is directly attributable to specific activities has been allocated directly.

Support Costs

The costs of the charity are all allocated directly to the main activities and the charity does not therefore have any material support costs.

Governance Costs

Includes staff time and expenses for time spent in connection with trustees meetings, plus the cost of accounting and professional fees.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold buildings	2%
Leasehold improvements	Lease period
Fixtures and fittings	10%
Computers	10%

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss.
