### 1.3 Objectives and Activities

The principal object is the advancement of Christian faith worldwide and the relief of poverty. To promote any charitable activity for the benefit of the local people. To achieve its objectives, the church adopted the following strategies:

- Running seminars in the church with proven ministers of the faith to guide Members in the various aspect of Christian faith,
- Support for other charities and Christian events,
- Involving in economic and community development

This current financial year, HOJFAN continues to play a vital role in the Borough of Harrow, representing the Christian Faith and delivering high quality teachings and services in the advancement of the Christian Faith in accordance with the doctrines set out in the Statement of Faith as contained in our Trust Deed.

In the financial year under review, we have witnessed an improvement in the performance of the legitimate activities of the Church, successfully delivering all the events set out to the community without any hindrance.

The trustees have considered the guidance produced by the Charity Commission on the provision of public benefit, and they confirm that Hojfan has provided public benefit to the extent permitted by available space. Hojfan used the avenues listed below to benefit the public as much as possible.:

- We have replaced our previous free exercise classes for ladies with a new session called 'exercise and worship.' It is a thirty-minute workout that includes aerobic and strength training. It now takes place on the 3rd Sunday instead of the 2nd Sunday of each month, from 10:00 a.m. to 10:30 a.m., in the school hall we rent. Each session aims to combat obesity, enhance heart health, and promote a lifestyle of physical activity while strengthening family bonds. The session is open to the public, and people of all ages can participate.
- Promoting the whole mission of the church through activities for senior citizens, parents and toddlers and other special needs groups.
- Music Club for children and teens. We now run a Saturday Music Club for children ages 7-17 every second and third Saturday of the month from 10 am – 12 pm. Our free music club offers children a low-barrier opportunity to experience the wide-ranging cognitive, social, emotional, and physical benefits of music education. It provides access to high-quality music training for families who might not otherwise be able to afford it. The club provides Cognitive and academic benefits as follows:
  - Boosted brain development. Music engages multiple areas of the brain, improving connectivity and speeding up its development. It helps improve language skills, memory, and attention span, and has been linked to higher IQs.
  - Improved academic performance. Studies show that children who engage in music education often achieve higher test scores in subjects like math and reading. Music

## Board of Trustee's Report

teaches rhythm and patterns, concepts central to math, and decoding of music notation boosts linguistic and analytical skills.

- Enhanced focus and critical thinking. The discipline required to learn and practice music helps children develop focus and concentration. Learning an instrument or singing in a group also teaches problem-solving and critical thinking.
- Social and emotional benefits
- Improved social skills. Group musical activities, such as choirs or bands, teach essential social skills like teamwork, collaboration, communication, and listening. Children learn to listen to one another and negotiate their collective sound.
- Increased empathy and self-expression. Music provides a safe, non-verbal way for children to express and understand emotions. This helps them connect with their own feelings and become more empathetic toward others.
- Built confidence and self-esteem. As children improve their musical abilities, they gain confidence and a sense of accomplishment. Performing for others, whether in front of a family or a larger audience, further boosts their self-esteem and stage presence.
- Creation of a sense of belonging. Being part of a music club fosters a strong sense of community and shared purpose. This helps children develop friendships and feel that they belong, which is crucial for emotional well-being.
- Physical and wellness benefits
- Developed motor skills. Playing an instrument helps children refine their fine motor skills and hand-eye coordination. Activities like dancing and playing percussion also develop gross motor skills and spatial awareness.
- Reduced stress and anxiety. Engaging with music has been shown to lower cortisol (stress hormone) levels and boost dopamine and serotonin, which are linked to pleasure and well-being. It provides an outlet for emotional release and can act as a distraction from negative thoughts.
- Improved mental health. By providing a creative outlet and a supportive community, our music club provide an effective therapy for young people dealing with depression, anxiety, or other mental health challenges.
- Wisdom Club for children and teens. We now run a Saturday club for children from ages 5-17 every second Saturday of the month from 12:30 p.m. to 2:00 p.m. The club aims to support children with non-academic subjects like public speaking, conflict resolution, hygiene, leadership skills, handling difficult life situations, social etiquette and more. The session is open to the public. This club also provides respite for parents by looking after their children while they have time to relax, thereby reducing stress.
- We have now started a youth and young adults church called "The Ninety-nine church" every 3<sup>rd</sup> Sunday of the month from 1:30 pm to 3:30 pm. This is to give young people of between 18 and 30 years a platform to do their own church. People of this group can attract others to this service, thereby providing a platform for connection.
- Supporting other charities in the UK through fundraising and regular donations. No fundraising

activities during the year under review, as we do not have an administrative office.

- Supporting the local Harrow Food Bank through monthly donations to help families in a food crisis. The assistance is ongoing and has been for many years.
- Conducting pastoral work, including visiting the sick, and helping anyone in crisis by providing possible solutions or signposting people to sources of help.
- Teaching Christian faith through sermons, courses, and small group discussions. Our services are by a hybrid approach, but we have more on-site meetings now than before.
- Providing regular public Christian worship open to all. Our Hybrid services make it easier for all who would like to connect with a Christian service to do so on-site or at their homes through social media platforms.

Despite the constraints of worship space, we continue to do as much as we can, and even more, except for providing free Money management training to support people in financial crisis. We aim to rerun this programme as soon as possible.

- Community outreach:
  - During the year under review, we did not run the Christmas Cheer. Christmas Cheer is one of the major events organised throughout the week before Christmas. During this event, we give out free teas, coffees, and other refreshments like biscuits, shortbread, Christmas pie, and the like to commuters at various underground stations across the Northwest of the UK. Through this, we have helped to raise thousands of pounds for the Shooting Star Hospices. Shooting Star is a charity that looks after children with life-limiting or end-of-life diseases.
  - We ran a warm hub during the winter for the elderly. This was funded by a grant from Harrow Council. It was a time for the elderly to come for tea, coffee and play games and cards while interacting. The idea was to provide a place for a few hours where they can come and connect, thereby fostering friendship and saving on the cost of heating their houses.
  - Chaplaincy services for the elderly could not hold.

### **Annual Mother's Day celebrations:**

We thanked them for being pillars in the church and their tremendous contributions to the welfare of all. We pray that Lord blesses all our mothers and keep them more robust.

### **Training and Development:**

A vital part of the Church's vocation is spreading the Good News of hope to many and equipping ministers and teachers of the Gospel of Jesus Christ. To this extent, the Church continues to maintain and improve the quality of her teachings and has also sponsored many people for external training to develop and enhance their talents and skills.

These have contributed immensely to the spiritual growth of many positive changes in the Church, at home, school and in the community.

The Church initiated a couple of classes to cater to youths and young adults during the period under review. We have the Single Christian Connect, an online programme platform for our young people to interact and connect. The group discuss a wide range of issues based on Christian ethos —discussions on courtship, marriage, finance, career,

better working relationships amongst these groups.

- Continuous teaching on baptism, Sunday school and workers in training help to establish worshippers in the faith and to better their relationship with God.
- Regular evangelism events to propagate the gospel.

### Monthly Prayer Vigils

The Church holds monthly prayer vigils for believers' spiritual health and well-being. Leaders teach People of all ages the act of praying. The programme gives people opportunities for pulpit ministry and learn how to live a practical Christian life that demonstrates the power of the Holy Ghost. Area vigil held monthly by hybrid.

### 1.5 Grant Making Policy

The church supports visiting ministers of the gospel both within and outside the United Kingdom. Support is also given to RCCG Central Office, World Evangelism Mission, Festival of Life and other RCCG Programmes. The church supports other charities and missionary that shares its objects in advancement of Christian faith and relief of poverty. The church gives occasional grants to congregational members who are in need.

### 1.6 Risk Management

The trustees have assessed the major risks to which the charity is exposed, those related to operations and finances of the charity and are satisfied the systems are in place to mitigate our exposures to the major risks.

### 1.7 Financial Review

The church continues to enjoy tremendous growth in its physical and spiritual life during the year, and in the advancement of Christian faith in accordance with the doctrines set out in the Statement of Faith as contained in our Trust deed. This is believed would further aid the ability of the charity to fulfil her charitable objects and benefits the community.

Funding has been provided mainly through tithes and offerings by church members and through gift aid. During the year donations were made towards the church building fund. The donations were treated as designated fund and had been spent towards the project for which it was donated.

During the year to 31 March 2025, the church had total income of £116,706. At the year end, the level of reserves available for the charity's use (i.e. unrestricted funds and not represented by fixed assets) was £250,829. Total operating charitable expenditure was 89,192 giving an operating surplus of £27,514.

The Charity's principal funding sources are the individuals who attend the church services and partner with the ministry via monthly donations.

## **Board of Trustee's Report**

### **1.8 Investment & Reserve Policy**

The trustees have decided that at present, funds should be retained in banks and building societies, and as far as possible in interest bearing accounts.

The trustees' policy is to have unrestricted and uncommitted funds (cash free reserves) of £22, 500 — £45,000 to cover 3 to 6 months of resources expended. They feel that this would enable the current activities to continue if there is a significant drop in funding. It would obviously be necessary to then consider how the funding would be replaced or activities changed. The present cash free reserve of £22,500 is within the policy range.

### **1.9 Volunteers**

The church is grateful for the unstinting efforts of its volunteers who are involved in providing services for the charity. It is estimated that over 3360 hours are provided by volunteers during the year. If this is conservatively valued at £11.44 per hour, the volunteer's effort will amount to over £38,400.

### **2.0 Future Outlook**

Our future plans include:

- Working with people in prisons
- Working with the local police to tackle drugs and gang culture amongst the youth.
- Provide a day centre for the elderly in our community where they will be able to meet and socialise with local elderly people and make new friends.
- Provide free adult education to older BME (Black and Minority Ethnic) who cannot read or write.
- Provide bereavement counselling services for members of the community dealing with the loss.

## Board of Trustee's Report

### Trustees' Responsibilities

The trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the net income or expenditure of the charity for the year. In preparing these financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgments and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going-concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The appended financial statements have been prepared on the accruals basis and have been examined by an independent examiner, whose report is also appended.

This report was approved by the Board of Trustees on 28 December 2025 and signed on their behalf by:

**Full Name:** Mr Olayemi Sobowale

**Signature:**

**Position:** Chairman

**Date:** 28 December 2025

## Independent Examiner's Report

**Report to the trustees/members of:** The Redeemed Christian Church of God, House of Joy for All Nations  
**On accounts for the year ended:** 31st March 2025  
**Charity No:** 1169669

### Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- to state whether particular matters have come to my attention.

### Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view, and the report is limited to those matters set out in the statement below.

### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which give me reasonable cause to believe that in, any material respect, the requirements:
  - to keep accounting records in accordance with section 130 of the Charities Act;
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
