None to report at present for the past two years.

- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

The charity is non-operational and currently; there are no achievements to report as the charity has had no activities for over two years.

It is hoped that this will not be long lived and we can make a start to achieve our charitable objectives subject to bank account opening and funding.

Currently the trustees remain in agreement that this is a time to support other charities already well established and in operation to help the community at large.

There is little else to report in these totally uncharted waters as the Pandemic rages on. We the trustees feel that it is best to wait for calmer times and when things have reached some sort of stability; in the meantime best will be to support other established charitable efforts. The trustees also recognise that funding for anything will be extremely difficult as we are just starting out and other larger established charities are struggling from lack of funds.

## Section E

## Financial review

**Brief statement of the charity's policy on reserves**

We do not have a policy on reserves as we do not have any reserves.
