Trustees Annual Report
Year Ended 31st March 2023

Introduction

The Trustees of Family Life Christian Centre have presented this report that covers the activities that were carried out in the financial year ending 31st March 2023. The strategic direction of the church is determined by the Trusts and translated to the Church Council that is charged with implementation. Despite the challenges faced during and after the pandemic, the management of Family Life Christian Centre embarked in changes to suit the regulatory requirement during and post pandemic and that resulted to the church engaging in positive activities and taking advantage of opportunities to improve the way we operate.

The year under review we engage in both spiritual and physical activities that brought about advancement to our members and the local community. As a member of the Evangelical Alliance and Assemblies of God, Family life Christian Centre pursues its similar objectives in UK and overseas.

The composition of this report includes the board of Trustee, vision, aims and objectives and the financial report.

Board of Trustee

The board of Trustee is responsible for protecting the interest of Family Life Christian by ensuring that its mission is achieved. In the year under review, the Trustees met several times to review the activities of the

organisation to find solution to the challenges posed by the pandemic and set the strategic direction, agree objective which were implemented by the Church Council as the body in-charge of the day to day running of Family Life Christian Centre. The composition of the Trustees for the year under review was as follows:

Trustee Members	Trustee Position
Pastor Nana Banyin	Chairman
Pastor Charles Wesley	Member
Pastor James Ennin	Member
Wilhemina Abban-Otoo	Member
Elder Kese Boadu	Secretary

Charity/Company Details

Charity First Registration	Date: 24th June 1997
Charitable Incorporated Organisation (CIO) Registration Date:	Feb 21, 2019
Registration number:	1152892.
Registered Address:	The House of Favour, 454-460 Old Kent Road, London. SE1 5AG.

Our Vision:

Raising Breakthrough Generations of worshippers who will affect the nations of the world.

Our Mission:

To passionately build a governing Church to influence the city and impact the nation, through the raising of worshipful covenantal breakthrough believers trained in kingdom living, manifesting Christ's character in ministry with miracles, signs and wonders finishing His will on the earth.

Aims and Objectives:

The primary aims and objectives of Family Life Christian Centre are to fulfil the role of a Christian Church in the community and to provide help to others in promoting the Christian faith in the United Kingdom and overseas.

Financial Reporting:

This section of the report covers the accounting policy adopted, the responsibility of the Trustees regarding the financial statement and the independent examiner of our financial records.

Accounting policy

The Charity has adopted the provisions of the Statement of Recommendation Practice (SORP 2005) 'Accounts and Reporting by Charities' in preparing the Annual Report and statement of financial activities of the Charity.

Trustees Responsibilities in Relation to the Financial Statements

The Trustees are responsible for preparing the Trustees' Annual Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Law applicable to Charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of Charity and of the incoming resources and application of resources of the Charity for that

year. In preparing these financial statements the Trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP.
- Make judgments and estimates that are reasonable and prudent.
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

Financial Performance

The statement of financial position and statement of financial activities below provide detailed of our performance in the year under review. Despite the rising prices in the market that reduced members disposal income and the increasing unemployment experienced by many after the lockdown, the Trust still appreciate the extent to which members donated to further the mission of the church. Increase in our bank balance demonstrate the prudent policies used to manage expenses, thereby giving the church a good safety net that is required to cover our major fixed cost (mortgage payment).

Human Resource

The Church has three (3) employees. The bulk of the work in the church is carried out on voluntary basis by members who use their spiritual gifts to serve in appreciation for their existence and wellbeing. Much of this work is done privately, without recognition, and the hours and value of their time spend cannot be quantified.

Management activities

Family Life Christian Centre experienced a major change during the year 2021-2022 due to the global pandemic of covid19. The church abided by the rigorous guidelines given by government of United Kingdom, which enabled a smooth running of the church and ensured that its members worshiped and fellowshiped in a safe environment.

During the first half of the financial year under review, the church closed its doors to members, however worship took place via zoom. During this period the leadership took upon themselves to embark on the “Joseph Store House” project, whereby wholesale purchases of food stuffs, groceries and basic household goods were made. These goods were repacked into boxes and delivered at the homes of every member of FLCC as well as friends of the church. This gesture was received with warmth and gratitude by members and their families, the remaining items were distributed the community over a period of 3 weeks.

The Environment and Health & Safety team were assigned to engage in a major deep cleaning of the whole church premises. All ventilation facilities were thoroughly serviced, the premises were disinfected, hygiene facilities such as, bins, hand gels, temperatures records and directional signs were put in place.

Within the challenge of the pandemic arose the opportunity to run two services every Sunday. A decision was made to decongest the regular one service as two services were thought to provide sufficient space and distance that would reduce the potential for infection as result of closeness. Therefore, seating arrangements were made at 50cm apart to ensure the safety of church members during worship times.

The church introduced the electronic collection of donations and online bank transfers. This has reduced the inconvenience of holding cash and improved accountability.

Public Benefit

While our aim remains the furtherance of the word of God through teaching, preaching, healing and aiding humanity, we continue to abide by Public Benefit Guidance published by Charity Commission in compliance with its duties under section 4 of the Charities Act 2006.

1. The organisation must have identifiable benefit.
2. The benefit must be to the public or to a section of the public.

During this financial year the main ways the Church sought to achieve the calling of Christ upon it and its charitable purposes for the public benefit have been as follows:

1. Increase awareness of God's presence and to celebrate God's love.
2. Help people to grow as Christians, through mutual support and care.
3. Be a good neighbour to people in need and challenge injustice.

The trustees concluded that during the year under review, the requirements of the charity commission have been met. God has been good in guiding His church community and we pray that as we continue to carry our mission into the future to impact the community and nations, His guidance will always be there.

Independent Examiner's Report
To the Trustees
FAMILY LIFE CHRISTIAN CENTRE

I report on the accounts of the church for the year ended 31st March 2023 set out on the following pages which have been prepared on the basis of the accounting policies shown in the corresponding pages.

Respective responsibilities of trustees and examiner

The trustees of the church are responsible for the preparation of accounts: they consider that the audit requirement under section 144(2) of the Charities Act 2011 (the 2011 Act), does not apply. It is my responsibility to :

- Examine the accounts under section 145 of the 2011 Act.
- Follow the procedures laid down in the General Directions given by the Charity Commissioners made under section 145(5)(b) of the 2011 Act.
- State whether particular matters have come to my attention.

Basis of Independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the church and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention;

- (1) which gives me reasonable cause to believe that, in any material aspect, the trustees have not met the requirements to ensure that:
 - proper accounting records are kept(in accordance with section 130 of the 2011 Act
 - accounts are prepared which agree with the accounting records and comply with the accounting requirements of the 2011 Act: or
- (2) to which , in my opinion , attention should be drawn in order to enable a proper understanding of the accounts to be reached.
