STATIONERS' HALL CHARITY

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2024

The Trustees present their statutory report together with the financial statements of Stationers' Hall Charity for the year-ended 31 December 2024.

The financial statements have been prepared in accordance with the accounting policies set out on pages 11 to 13 of the attached financial statements and comply with the charity's governing instrument, applicable laws and the requirements of the Statement of Recommended Practice on "Accounting and Reporting by Charities" (SORP FRS102 second edition issued in 2021).

Structure, governance and management

Stationers' Hall Charity is a Charitable Incorporated Organisation (CIO). It formally came into existence on 18 October 2016 with the charity number 1169753. It was approved for Gift Aid on 15 March 2017. The Constitution was amended on 20 September 2018 to add an extra power to provide and administer a library. The Trustees meet at least quarterly to review their strategy and actions in support of their objectives, to consider investment and grant making proposals, and to ensure their policies on reserves and risk management are kept up to date.

Members of the Stationers' Company work closely with the Trustees of Stationers' Hall Charity to provide the Trustees with specialist assistance, whilst always ensuring that the ultimate responsibility for managing the Charity's affairs remains with the Trustees. The areas in which this support is offered are as follows:

- a) The Investment Review Committee of the Stationers' Company, which includes one Stationer Trustee, provides oversight of the Hall Charity's investments.
- b) The Public Access Committee of the Stationers' Company manages the programme of public access tours.
- c) The Library and Archive Committee (LAC) of the Stationers' Company, which includes one Stationer Trustee, manages access to the Company's archive and also the provision of a full-time archivist.
- d) The Hall Project Executive Committee (HPEC) of the Stationers' Company, which includes one independent Trustee and one Stationer Trustee, manages the implementation of the Stationer's Company Vision 350 project to improve access and modernise the facilities at Stationers' Hall. HPEC held its last meeting in September 2022, following the re-opening of the Hall in July 2022. The remaining work on the financials and defects is being carried out by small working groups.
- e) The Hall Fundraising Committee (HFRC) of the Stationers' Company manages the raising of funds for the Hall development on behalf of Stationers' Hall Charity, which includes one independent Trustee and one Stationer Trustee.
- f) The Education Committee of the Stationers' Company is working on the educational projects linked to the industry sectors covered by the Stationers' Company.

The induction process for a newly appointed Trustee comprises a meeting with the Chairman at which the aims and objectives of Stationers' Hall Charity are discussed. A pack comprising a copy of the current version of the Constitution of Stationers' Hall Charity, a copy of the latest Trustees' Annual Report and Statement of Accounts and copies of the last year's minutes together with Charity Commission guidance material are provided to all new Trustees.

TRUSTEES' REPORT (continued)

FOR THE YEAR ENDED 31 DECEMBER 2024

Structure, governance and management (continued)

The Constitution provides that there should be seven Trustees, four who must be appointed by the Court of Assistants of The Worshipful Company of Stationers and Newspaper Makers and three independent Trustees, one each nominated by the Bishop of London, Historic England and The National Archives. As set out in the Constitution, Trustees appointed by the Worshipful Company of Stationers and Newspaper Makers are appointed for a term of two years and independent Trustees are appointed for a term of three years. Any person retiring as a charity trustee is eligible for reappointment. A charity trustee who has served for three consecutive terms may not be reappointed for a fourth consecutive term but may be reappointed after an interval of at least one year.

The Trustees during the year under review and to the date of approval of the accounts were:

Key management personnel

The Trustees work closely with the Charities Accountant, who is the only employee and works part-time. Details of employee remuneration are shown in note 5. The Trustees also work closely with the Clerk of the Stationers' Company.

Objectives and activities

Stationers' Hall Charity is governed by its constitution as a CIO by the Charity Commission. The objects of the CIO are for the public benefit as follows:

- The advancement of education and learning, including but not limited to education in relation to the Hall, Library and Archive of the Stationers' Company, primarily by the provision of public access; and
- the preservation, maintenance and enhancement of Stationers' Hall and its immediate environs, and the preservation and conservation of artefacts and items of historic or artistic interest or merit, including but not limited to the Library and Archive of the Stationers' Company.

On 11 October 2018, the Trustees agreed a licence with the Stationers' Company, which grants access to the Hall buildings and Archive for public tours. The Company organises these tours through the Public Access Committee. Members of the Company act as tour guides on a voluntary basis.

STATIONERS' HALL CHARITY

TRUSTEES' REPORT (continued)

FOR THE YEAR ENDED 31 DECEMBER 2024

Objectives and activities (continued)

Regular tours of the Hall, the Archive and the adjacent church of St Martin-within-Ludgate began at the start of 2018 and continued until March 2020, when they were suspended due to the COVID-19 restrictions and then the Hall closed in January 2021 for redevelopment works. As planned, the Hall re-opened in July 2022 and tours recommenced.

Fundraising for Stationers' Hall Charity is being managed by the Stationers' Company through its Fundraising Action Group. The Trustees expect to disburse funds on specific Hall development projects, following applications submitted to them by the Stationers' Company. Once these bids are approved by the Trustees, funds are made available to the Stationers' Company to spend on the relevant projects.

Public benefit

The Trustees have considered the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in determining its grant-making policy. The Trustees consider that all of the aims and objectives detailed in this report are there in order to benefit the public and that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

Achievements and performance

2024 has seen a busy year for the Hall and Archive with regular public access events and tours being held throughout. Stationers' Hall Charity acknowledges the generosity of the donations made this year both in money and in volunteer time. There were 43 paid physical tours in 2023 (2023 – 50), which generated donations of £8,830 (2023: £6,013). Information about booking tours can be found on the Stationers' Company website (<https://stationers.org/public-access.html>). 36 in person events were held in 2024 (2023:37) with a total of 4,735 attendees (2023: 5,329), of which 3,630 (2023: 3,828) were members of the public. There were 33 visits by researchers to the Tokefield Centre (2023: 39), which contains the archive storage and reading rooms. There were 82 remote research queries (2023 – 68), all of which were answered by the Company Archivist. Information about accessing the Stationers' Archive can be found on the Stationers' Company website (<https://www.stationers.org/company/access-to-the-stationers-archive>).

The Trustees have disbursed funds following applications submitted to them by the Stationers' Company. In 2024 4 bids were approved by the Trustees totalling £102,720 (2023: 1 bid of £2,000).

Future plans

The Trustees will continue to disburse funds on specific Hall development projects. Stationers' Hall, as a Grade 1 listed building, requires constant upkeep to maintain both its historic importance and its current day usability, accordingly there is a long-term fund-raising ambition to assist in ensuring that the Hall continues to be fit for purpose.

STATIONERS' HALL CHARITY

TRUSTEES' REPORT (continued)

FOR THE YEAR ENDED 31 DECEMBER 2024

Financial review

The net surplus for the year before investment gains was £336,760 (2023: £108,204). Unrealised/realised gains on investments for the period were £1,052 (2023: £3,399). After taking into account these gains, the net surplus was £337,812 (2023: £111,603). The net assets were £641,273 (2023: £303,463).

Investment policy and performance

The management of the charity's investment funds is delegated to a committee comprising the Chairman, S R R Bourne and the Ven L J Miller. In turn, the committee has delegated, on a discretionary basis, the management of its investment funds to Brewin Dolphin.

The Trustees' investment policy was to generate a return of RPI plus 4% per annum over the long term, after expenses. The charity adopts a total return approach to investment, generating the investment return from income and capital gains or losses. However, in 2021, in view of the likely call for approved projects, a more cautious short-term policy was pursued.

Reserves policy

As at 31 December 2024, the charity's funds were held in 3 types of funds, in the amounts set on page 9:

Permanent Endowment – Funds that have been donated with the intention that they are held in perpetuity for the charity to generate income. The source of these funds is the Friends of the Archive Appeal, which was established to provide for the long-term security for the Stationers' Company's archival heritage. This fund was transferred from the Stationers' Foundation to Stationers' Hall Charity in 2018.

Restricted – Funds that have been raised for and whose issue is restricted to a specific purpose or contributions restricted to a specific purpose.

Unrestricted – Funds which can be spent at the Trustees' discretion within the powers granted under the CIO dated 18 October 2016 (amended on 20 September 2018).

The Trustees intend to retain sufficient Unrestricted Funds for one year's administrative costs.

Risk management

The Trustees have examined the major strategic, business and operational risks which Stationers' Hall Charity faces. The most significant risk is associated with the charity's investment portfolio. The charity has taken a conservative approach on its investments to mitigate risk as far as possible, although, with the investments related to the Hall Enhancement Fund being paid out as a grant in the first quarter of 2022, this risk presently only relates to the small Library Fund. However, an element of risk still remains due to the ongoing global uncertainties.

The Trustees are content that other systems are in place to mitigate general business and operational risk. The Trustees do not believe that there are any other areas of significant risk.

FOR THE YEAR ENDED 31 DECEMBER 2024

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year. In preparing these financial statements, the Trustees are required to:

- ◆ Select accounting policies and then apply them consistently;
- ◆ Observe the methods and principles in the Statement of Recommended Practice (Accounting and Reporting by Charities) (the Charities' SORP);
- ◆ Make judgements and estimates that are reasonable and prudent;
- ◆ State whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- ◆ Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Financial statements and Reports) Regulations 2008 and the provisions of the Charity Commission Scheme. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF STATIONERS' HALL CHARITY

I report on the financial statements of Stationers' Hall Charity for the year ended 31 December 2024, which are set out on pages 8 to 20.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statements

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare financial statements which accord with the accounting records and to comply with the accounting requirements of the 2011 Act

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

STATIONERS' HALL CHARITY

PRINCIPAL ACCOUNTING POLICIES

FOR THE YEAR ENDED 31 DECEMBER 2024

The principal accounting policies adopted, judgements and key sources of estimation and uncertainty in the preparation of the financial statements are laid out below.

Basis of preparation

The financial statements have been prepared under the historical cost convention with items initially recognised at cost or transaction value unless otherwise stated in the relevant accounting policy or notes to the financial statements. Investments are restated at market value at the balance sheet date and the differences arising dealt with through the Statement of Financial Activities.

The financial statements have been prepared in accordance with the Statement of Recommended Practice for Charities (SORP 2015, second edition, effective 1 January 2021) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The financial statements are presented in sterling and are rounded to the nearest pound.

Critical accounting estimates and areas of judgement

Preparation of the financial statements may require the Trustees to make significant judgements and estimates. However, there were no material matters relating to the current or prior years where such judgements or estimates were required.

Going concern

The Trustees have assessed whether the use of the going concern assumption is appropriate in preparing these financial statements. The trustees have made this assessment in respect of a period of one year from the date of approval of these financial statements.

The Trustees of the charity have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern.

STATIONERS' HALL CHARITY

PRINCIPAL ACCOUNTING POLICIES (continued)

FOR THE YEAR ENDED 31 DECEMBER 2024

Income recognition

Income is recognised in the period in which the charity has entitlement to the income, the amount of income can be measured reliably, and it is probable that the income will be received.

Donations are recognised when the charity has confirmation of both the amount and settlement date. Donated investments are initially recognised at their fair value at the date of the donation.

Legacies are included in the statement of financial activities when the charity is entitled to the legacy, the executors have established that there are sufficient surplus assets in the estate to pay the legacy, and any conditions attached to the legacy are within the control of the charity.

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank or other institutions.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to make a payment to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. Expenditure comprises direct costs and support costs. All expenses, including support costs, are allocated or apportioned to the applicable expenditure headings. The classification between activities is as follows:

- ◆ Expenditure on raising funds includes all expenditure associated with raising funds for the charity. This includes investment management fees.
- ◆ Expenditure on charitable activities includes all costs associated with furthering the charitable purposes of the charity through the provision of its charitable activities.

Grants payable are included in the statement of financial activities when approved and when the intended recipient has either received the funds or been informed of the decision to make the grant and has satisfied all performance conditions. Grants approved but not paid at the end of the financial year are accrued. Grants where the beneficiary has not been informed or has to fulfil performance conditions before the grant is released are not accrued for but are disclosed as financial commitments.

Support costs and governance costs are allocated to expenditure headings based on an estimate of time spent. These allocations have been reviewed and agreed by the Trustees.

STATIONERS' HALL CHARITY

PRINCIPAL ACCOUNTING POLICIES (continued)

FOR THE YEAR ENDED 31 DECEMBER 2024

Investments

Listed investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price.

Realised gains (or losses) on investment assets are calculated as the difference between disposal proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value at that date. Realised and unrealised investment gains (or losses) are combined in the statement of financial activities and are credited (or debited) in the year in which they arise.

Debtors

Debtors are recognised at the settlement amount, less any provision for non-recoverability. Prepayments are valued at the amount prepaid. They have been discounted to the present value of the future cash receipt where such discounting is material.

Cash at bank and in hand

Cash at bank and in hand represents such financial statements and instruments that are available on demand or have a maturity of less than three months from the date of acquisition. Deposits for more than three months but less than one year have been disclosed as short-term deposits. Cash placed on deposit for more than one year is disclosed as a fixed asset investment.

Creditors and provisions

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provisions are recognised at the amount the charity anticipates it will pay to settle the debt. They have been discounted to the present value of the future cash payment where such discounting is material.

Fund accounting

The permanent endowment fund comprises monies which must be held indefinitely as capital.

The expendable endowment fund comprises monies which may be held indefinitely as capital but which may be expended at the Trustees' discretion.

Restricted funds represent monies raised for or their use restricted to, a specific purpose, or contributions subject to donor- imposed conditions. Restricted income generated from the expendable endowment may be expended in line with the terms of the endowment or transferred to the endowment capital if unspent.

Unrestricted funds represent those monies which are freely available for application towards achieving any charitable purpose that falls within the charity's objects.
