Trustee's Annual Report for the year-end to 31st March 2021

This is the second Trustees' Report for Firm Foundations Accommodation, which is registered with the Charity Commission (No. 1169804)

Trustees:

Joanna Ramdas-Harsia
Edgar Chibaka
Brian Baines

Objectives:

For the public benefit, the relief and assistance of people in need, hardship or distress in particular those individuals who may be suffering from psychological or physical infirmity including but not by way of limitation through the provision of social housing and other types of accommodation, support, counselling, education and training in such parts of the United Kingdom and in such ways as the trustees from time to time may think fit.

Ongoing work:

The charity has not been fully operational during this accounting period and there has been no income nor any costs incurred during this period.

Developments:

Since the foundation of the charity, we have identified a number of organisations that we will be able to partner with, to help to provide supported and secure accommodation for vulnerable adults within the West Midlands. We were prepared to move into a formal agreement with another organisation, but due to Covid-19 this has been delayed, there is now a review of housing provision in Birmingham and we will work with our partner organisations to see how we can support the provision of quality accommodation across the city.

Signed, on behalf of the Trustees
Joanna Ramdas-Harsia
