## **TRUSTEES' REPORT**

### **FOR THE YEAR ENDED 31<sup>st</sup> DECEMBER 2024**

The trustees present their annual report together with the financial statements of the charitable company for the year ending 31<sup>st</sup> December 2024 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

## **OBJECTIVES AND ACTIVITIES**

### **Objectives and aims**

The charitable company's objects, as stated in its Articles of Association, are the promotion of community participation in healthy recreation in particular the provision of facilities for amateur sporting competition in the Seaview Village Regatta.

The charitable company fulfils its primary objectives for the public benefit by organising the three day annual village regatta in Seaview, Isle of Wight in August each year.

The first recorded regatta in Seaview was in 1853 and Seaview Regatta was certainly well established by the 1890's. It is generally held to be the last regatta on the Isle of Wight still to retain much of the original format from the Victorian era and is therefore of historical and cultural importance by way of preserving local historical tradition and heritage for the public benefit.

The trustees confirm they have had regard to the Charity Commission's guidance on public benefit.

## **ACHIEVEMENT AND PERFORMANCE**

### **Charitable activities**

The Regatta President for the year was Josh Bottomley, whose father Peter was President in 1990. All the traditional Regatta events – sailing, tug of war, beach sports, swimming, diving, greasy pole, outboard dinghy race and rowing – were successfully completed and well supported by village residents and visitors. Even rain on the final evening failed to dampen the spirits of those at the prize giving and the fireworks finale.

The charitable company has no paid staff and is entirely dependent on volunteers to organise the various events.

## **FINANCIAL REVIEW**

The ongoing push to sign up new Friends of the Regatta (with the associated Gift Aid) resulted in additional donation revenue of £2,772. Entry fees for some of the Wednesday and Thursday events which had remained unchanged since 1994 were increased, contributing to a modest increase in revenue from charitable activities which were also boosted by an increase of 3,556 in voluntary donations, cash collections and raffle ticket sales. However, the aggregate net surplus on the two fund-raising dances was down in the prior year.

### **Reserves policy**

The charitable company holds cash at the bank, all of which is unrestricted funds. These funds are held as a reserve against unforeseen expenses and contingencies. The trustees have designated a separate reserve within unrestricted funds for the eventual replacement of the Regatta's skiffs to which a further £10,000 has been transferred from the General reserve.
