Trustee

The following Trustees held office through the period:

Dr Mario Knight (Resigned 1 December 2023)

Mr Paul Voltzenlogel – Chair (Appointed as Trustee and Chair 6 November 2023)

Structure

Life Aid is a Charitable Incorporated Organisation (CIO) whose only voting members are its charity trustees. The sole Trustee works to a constitution dated 26 October 2016

Trustees are appointed for 4-year terms. Re-appointment or the appointment of a new Trustee requires unanimous agreement of existing Trustees who will consider the candidate's motives, values and knowledge/skills with the goal of increasing the capability of the Trustees collectively.

Reserves Policy

The CIO has not yet developed sufficiently to merit the adoption of a Reserves Policy.

Public Benefit

The Trustee confirms that throughout the period he has complied with his duty to have due regard to the guidance on public benefit published by the commission in exercising his powers or duties.

Objectives and Activities

The object of the CIO is the relief, for the public benefit, of those in need throughout sub-Saharan Africa, by reason of youth, age, ill-health, disability, financial hardship, or other disadvantage, in particular, but not exclusively, by providing or assisting in the provision of medical equipment, facilities and services, and accommodation.

Achievements and Performance

Life Aid has continued a period of dormancy throughout the reporting period and has neither raised funds in UK, nor has it been able to deliver development programmes in sub-Saharan Africa.
