Hope 4 Pets North Cyprus

Report of the Trustees for the Year Ended 30 April 2024

The trustees present their report with the financial statements of the charity for the year ended 30 April 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

For the benefit of the public to relieve the suffering of animals in need of care and attention in the Turkish Republic of North Cyprus (TRNC). To educate the public in matters pertaining to animal welfare. To prevent cruelty and suffering to animals. To actively seek homes for rescued animals. To reduce the stray dog and cat population by means of neutering and re-homing.

- Neutering
- Re-homing
- Reducing the stray dog population
- Reducing the pain and suffering of animals
- Educating the public in animal welfare

Future objectives of Hope 4 Pets (H4P) are:

- To purchase land to build our own kennels, so reducing the cost of kennel fees.
- To purchase a van to enable large kennels and crates to be moved around the TRNC, and to also enable dogs/cats to be taken with their crates to the airport for travel.
- To purchase a PC and a printer/scanner in the TRNC to enable trustees to copy documentation (currently using their own tablets and phones and have no printer/scanner).
- To increase the number of dogs/cats neutered in 2024/25
- To purchase a dog catching device and further cat catching traps.
- To grow the profile of H4P within the TRNC and the UK with non Facebook users.
- Recruit volunteers to help with the day to day running of the charity in the TRNC and in the UK.

Public benefit

The trustees of H4P have reviewed the guidance on Public Benefit which was sent electronically for them to read.

The public benefit of H4P is to reduce the amount of stray dogs roaming the towns, villages and land looking for food, killing livestock and injuring people.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Through our Facebook page, website and hands on, we have helped the public of the TRNC to neuter their own animals via a voucher scheme which has been set up with vets in the TRNC, on production of a voucher to the Vet, which they get from H4P, the public pay half the cost of neutering their cat/dog. The voucher scheme is working very well.

We have advised owners on feeding, neutering and exercise of their pets and introduced them to the voucher scheme.

We have re-homed hundreds of stray cats and dogs in the TRNC. We neuter all the animals we re-home and pay for this in full, not through the voucher scheme.

TRNC has a large elderly UK/European community. We have helped pet owners of any nationality relocating to the UK/Europe with advise, paperwork and raising funds to get their pets to the UK and Europe.

We have advised the public, provided funding and taken stray animals requiring vet treatment to be seen by the vet. These include emergency treatment for road traffic accidents, treatment for dogs with behavioural problems, eye problems and non-emergency treatment such as flea/tick treatment.

We have reduced the number of dogs and cats roaming the streets, via neutering and re-homing, this in turn has reduced the number of casualties of road traffic accidents and the number of dogs being reported as attacking sheep and chickens owned by the public.

We have provided food to members of the public who feed large numbers of stray cats/dogs, and again paid for neutering of the animals when required.

We have provided wooden kennels for stray animals where they have no shelter and where there is a need.

Fundraising activities

H4P raised £56,275 in funds from a variety of different platforms, GoFundMe, PayPal, Easyfundraising, and by selling items such as promotional Calendars, Cards, and also donated items of bric a brac. We also hold social events in the TRNC for the benefit of H4P, such as dog shows and quiz nights.

H4P are slowly improving the lives of the street animals of the TRNC, with vet care, shelters and food. We are also removing the street animals via re-homing and reducing the amount of puppies born on the streets by neutering.

The number of sick and injured dogs/cats being reported to us by the public is also slowly reducing.

FINANCIAL REVIEW

Principal funding sources

Sources of funding are the public, through GoFundMe, PayPal, Easyfundraising, and selling of promotional goods and donated goods. Occasional social events are organised to promote H4P where we run various fundraising activities such as raffles, quiz and auctions.

All the funds used to enable our objectives to be achieved was donated by the public.

We have no other means of funding.

FINANCIAL REVIEW

Reserves policy

Whilst Hope 4 Pets does not have a strict reserves policy, it does have reserves of £40,790 as at the year end 30th April 2023.

This level of reserves equates to approximately 70% of the funds raised during the financial period. Whilst this shows a healthy level of reserves, the charity's trustees believe that these reserves will be needed for the future expenditure and objectives of the business as mentioned in the Objectives & Activities section of the Trustees Report.

These funds may also be needed for unexpected or unforeseen emergencies in which the charity will need cash readily available.

The charity's income relies solely on donations and the sale of donated goods. The charity therefore believes that this level of funds may help towards an unexpected drop in donations which could impact the charity's activities.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
