The advancement of the Christian religion through the training, support and provision of resource materials to churches, church leaders and church members for the public benefit in the UK, Africa and elsewhere in the world, primarily but not exclusively within the Anglican Communion.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Mathetes Trust fulfils its objectives through the following activities:

1. We organise conferences and training events and provide ongoing support to Anglican dioceses and other denominational groupings in Africa and elsewhere, primarily but not exclusively through our Rooted in Jesus discipleship programme
2. We provide support and mentoring to church leaders in the UK and beyond, primarily but not exclusively through our EQUIP programme
3. We work with local churches in the UK to support and facilitate parish missions, ministry to families and other areas of Christian ministry
4. We commission, publish, print and distribute books, literature and other teaching materials in support of these activities and in furtherance of our objective to advance the Christian religion.

In defining the above activities the trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

This year brought a global pandemic which disrupted our plans. But the pandemic also provided the opportunity to reshape our ministry into new forms, and to develop new resources and materials.

1. Rooted in Jesus

We worked hard to provide ongoing support to those using Rooted in Jesus in the context of the Covid19 restrictions which prevailed for most of the year. We sent teams to a missionary diocese in DR Congo and to two dioceses in South Sudan, and supported additional training in Tanzania and Madagascar. The first training by Zoom took place in South Africa, and the Diocese of Aru in DRC began a series of archdeaconry conferences to establish RinJ groups there.

2. EQUIP

During 2021 we worked with a total of 78 church leaders and their churches in five regional EQUIP groups (Hampshire, Kent, Leicestershire, the South West, and North Wales) and also 5 online groups united by a common purpose and context.

3. Publications

We were able to complete translations of the Rooted in Jesus course materials into 4 new languages, and to make further translations into 8 others. We also produced a new and final 5th book for the Rooted in Jesus programme, which will enable group members to continue to meet together for spiritual growth and ministry support once they have completed the first 4 books of the course.
