I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **05/04/2024**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Grant Making Policy

1) Introduction

1.1 The Wemyss Foundation is a Charitable Incorporated Organisation established in 2016 to assist young people by making grants and awards to students in education.

1.2 The objective of the Foundation is to remove financial barriers for children from low income backgrounds and offer to them the opportunity to achieve their potential via post secondary education.

1.3 We require a degree of time commitment from grant recipients and as a result will fund only full time education

1.4 The grant acts as not only a 'hand up' but also in recognition of the students' commitment thus far.

1.5 The fund is solely discretionary and the trustees will make the final decision on awarding a grant to a student.

2) Financial Eligibility

4) Duration of funding

4.1 Our wish is to support applicants through the duration of their course – 3 to 4 years. However this is dependent on the students' academic performance and commitment .

4.2 Grants will be made on a yearly basis with an end of year review (see 5 reference to tutors and attendance reports) . Further funding will be granted upon the satisfactory completion of the 1st year and so forth. We reserve the right to cancel funding should students not meet the expected course requirements.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

In May 2023, Five more grants were awarded for 2022-23 intake, . These students are studying at Leicester, Royal Holloway, Oxford , Sussex and Anglia Ruskin, studying Geography, Business, Games design, engineering and Medicine .

We again decided to tailor the support according to need, with more students requesting help with accommodation as opposed to tuition fees.

With the appointment of a new trustee , Corinne Gleisner, we made a contact with a new school – Ashcroft Academy who provided us with an exceptional list of candidates, many of whom plan to study medicine. This led to a threefold increase in students for interview and as a result the trustees agreed that schools be put on notice that we would likely be offering reduced amounts compared to previous years.

Application process began in February 2024 for the next round of students, all from local schools with interviews scheduled for May 2024.

We continue to be impressed by not only the candidates but also by the support they receive from dedicated teachers who demonstrate such passion for their students' educational advancement.

We maintain contact with all our students and are in no doubt that lessening the burden of debt will have improved their experience and prospects.
