Section E Financial review

Brief statement of the charity's policy on reserves

A minimum level of free reserves equating to at least one (1) month, of unrestricted expenditure is considered sufficient to cover management, administration and support costs and to respond to emergency needs which arise from time to time.

It is the policy of the charity to maintain free reserves at a level, which balances our objectives to develop and support services with our need to remain financially stable. In addition there is also a need to designate certain sums from free reserves for anticipated expenditure in the short to medium term. This would generally be for capital expenditure and will be specified in the notes to the annual accounts.

The charity currently has two trustees. Any additional trustees brought onto the board will be approved by the current trustees.
The charity currently adopts 25 policies.
The charitable objectives cover Swale and the surrounding areas.
The charity has changed their Trading name to Sport 4 All. The legal name remains Sporting Tree Foundation.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The promotion of community participation in healthy recreation for the benefit of the inhabitants of Swale, by providing supplies and services to individuals and organisations that promote community participation in sports.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The charity changed their objectives this year from grant making to providing supplies and services to sport related individuals and organisations. The charity has been unable to provide any of these benefits throughout 20-21 due to Covid-19 restrictions, however post-pandemic the types of supplies and services that could be offered would be (for example) equipment or funded classes for sports clubs or groups.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The charity has a change in trustees this year with the sad passing of previous Vice-Chairman, Nick Mason, in January. Roy Shears has been appointed Vice-Chairman moving forward.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The charity has not been able to undertake any fundraising events this year due to restrictions regarding Covid-19. The charity has therefore removed all costs that can be removed in order to give the best opportunity to remain a viable charity once the pandemic restrictions have been lifted.

Section E

Financial review

Brief statement of the charity's policy on reserves

A minimum level of free reserves equating to at least one (1) months of unrestricted expenditure is considered sufficient to cover management, administration and support costs and to respond to emergency needs which arise from time to time.

It is the policy of the charity to maintain free reserves at a level, which balances our objectives to develop and support services with our need to remain financially stable. In addition, there is also a need to designate certain sums from free reserves for anticipated expenditure in the short to medium term. This would generally be for capital expenditure and will be specified in the notes to the annual accounts.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity will continue to review their financial situation throughout the pandemic to ensure a viable outcome.
