## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

The promotion of community participation in healthy recreation for the benefit of the inhabitants of Swale, by providing supplies and services to individuals and organisations that promote community participation in sports.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

It has been challenging to recruit volunteers and raise funds in the current economic climate. Focus has been made on trying to secure spaces for sporting events such as London Marathon and Ride 100 in order to raise funds via this route. The aim of the charity is still to provide funded classes for sports clubs or groups.

## Section D Achievements and performance

## Section D Achievements and performance

**Summary of the main achievements of the charity during the year**

The charity is currently dormant until additional volunteers and fund-raising initiatives can be sourced. Until this happens, all business and charity costs have been removed.

## Section E Financial review

**Brief statement of the charity's policy on reserves**

A minimum level of free reserves equating to at least one (1) month, of unrestricted expenditure is considered sufficient to cover management, administration and support costs and to respond to emergency needs which arise from time to time.

It is the policy of the charity to maintain free reserves at a level, which balances our objectives to develop and support services with our need to remain financially stable. In addition there is also a need to designate certain sums from free reserves for anticipated expenditure in the short to medium term. This would generally be for capital expenditure and will be specified in the notes to the annual accounts.

**Details of any funds materially in deficit**
