Fairbridge Trust
Report of the Trustees
for the Year Ended 31 January 2021

The Trustees present their report with the financial statements of the charity for the year ended 31 January 2021.

The financial results have been prepared in accordance with the accounting policies set out in notes 1. and 2. to the financial statements and comply with the charity's constitution.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Fairbridge Trust is a Charitable Incorporated Organisation, constituted on 29 October 2016. The Trust recruits volunteers and any volunteer committed to the objectives of the Trust, with relevant skills and experience, may be elected to the board of trustees at the discretion of the trustees.

There is currently no formal induction or training for new trustees, however new trustees are provided with a copy of the trust deed, recent minutes and current accounts.

Trustee meetings are held regularly to review the success of the shop and any purchasing or advertising decisions and to assess the availability of funds for making donations.

Trustees are required to disclose all relevant interests in accordance with the constitution and to withdraw from any decisions where a conflict of interest arises. No trustee remuneration or expenses are paid.

RISK MANAGEMENT

The Trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to these risks.

OBJECTIVES AND ACTIVITIES

The objects of the CIO are to prevent or relieve poverty or financial hardship in the developing world and in Weymouth and its neighbouring areas by the provision of such grants and donations as the trustees shall think fit.

We raise funds to achieve these objectives through the sale of Fairtrade and ethically sourced goods in our shop, The Bridge Fair Trade Shop. The shop is entirely manned by volunteers and the objectives would not be achieved without them.

We attend outside events and welcome groups to the shop, widening our customer base and promoting the sale of Fairtrade goods and local awareness of the Fairtrade principles.

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the trust's aims and objectives and in planning and setting grant making policies.

GRANT MAKING POLICY

The Trustees apply the funds of the Fairbridge Trust at their discretion and in accordance with the charitable purposes and objectives of the charity.

The amount of work or number of projects that can be supported by the trustees is necessarily limited to the amount of funds that are available for distribution each year. The Trustees have determined that the current priorities for funding are the relief of poverty and homelessness in the Weymouth area and the relief of poverty among the world's deprived and needy peoples.

When funds are available the Trustees will meet and make donations to their chosen local and overseas charities.

PERFORMANCE AND FINANCIAL REVIEW

Due to the coronavirus pandemic and following government guidelines we were closed from March 22nd until July 7th, November 5th until December 2nd 2020 and have been closed since January 5th this year. While closed we invited customers to contact us if they required anything and volunteers had access to the shop which produced some revenue. Despite these closures we had a successful year of trading, with a trading surplus of £19,469 (2020 £6,684). This included £16,620 income from Government support grants, some of which was spent on perspex screens and sanitiser to allow us to reopen with certain restrictions in place. Having increased stock and reserves to satisfactory levels last year we were pleased to be able to make charitable grants to both local and overseas charities of £13,710 (2020 £5,765). We have a dedicated team of volunteers with very little change during the year.

In May we completed a successful application to become members of BAFTS (British Association of Fair Trade Shops and Suppliers).

The Trust does not solicit donations but relies upon the sale of goods in the shop to raise funds. Small donations made by customers in the collecting boxes are included in our grants to Tearfund and Traidcraft Exchange, both registered charities.

RESERVES POLICY

The total funds carried forward as at 31 January 2021 were £12,412 (2020 - £6,574). The Trustees are confident that this is sufficient to cover future contingencies including the loss of trade due to the enforced closure for coronavirus.

Independent examiner's report to the trustees of Fairbridge Trust

I report to the trustees on my examination of the accounts of the Fairbridge Trust (the Trust) for the year ended 31 January 2021.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act'). I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
