Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the organisation are to provide support to persons and families - to those either settled or recently displaced - through educational, moral, and material support - and through any other support as may be deemed appropriate. In addition, to provide a welcoming space in which to share languages, cultures and ideas, to the benefit of all in the Oxford area and beyond.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The 2024-2025 year continued to have a very reduced operation. Support was provided on an individual case-by-case basis. No community-wide events were organised by the charity during the period, although the trustees continued to maintain the charity's online presence and infrastructure so that the organisation is ready to resume wider activities when capacity allows.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Supporting individual cases following the pause in core activities following the Covid-19 pandemic.

Continuing to provide support to individuals on a case-by-case basis and maintaining the charity's website and online presence so the organisation remains visible to those who may need its support.

Section E Financial review

Brief statement of the charity's policy on reserves

Reserves are small and held in the charity's current account. No fundraising campaigns were undertaken during the year. Reserves reduced over the period as the only payments made were for website hosting, with no new donations received.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Donations from individuals remain the charity's only source of funding. No donations were received during the 2024-2025 period. The only expenditure was £618 on website hosting and domain services (SiteGround and Webflow), supporting the charity's online presence.
