Moreover, joined gatherings are held with other churches for a good cause in quarterly at the same premise.

Customary and ceaseless exercises: Charity continues proceeding with the kappa morning 5 days in a week on regular basis and serving breakfast for destitute particularly for homeless and rough sleepers. Additionally, continues circulating food bundles for the individuals who are stuck inside the houses and hospitals apart from street sleepers. This year we have distributed the most number distribution of material banking, dispersion of furniture, footwear covers, sleeping bags and camping cots and connecting the individuals who are deprived at various areas of Birmingham and assisting them with their mentioned needs and expanded by taking care of homelessness in downtown area and these activities are extended to our outreach programmes conducting in other part of nation depending on the need of it. Again, we had successfully conducted the elite Christmas Lunch on 25th December and on 31st night on new year eve programmes with music and fireworks display etc. Like past years we had lots of good feedback and positive comments from all who participated especially who were destitute, delighted to a limited extent taking in cooking, serving and packing for others. Additionally, distributed Christmas goody bags with blankets, toiletries, Christmas pudding, moisturising cream, shoes etc have helped us to continue sharing the affection and harmony to the local area homeless individuals and refugees during the festive season besides normal days in each one's life. Of course, these activities in collaboration with local leading members, other charities and officials and their presence having meals together made them feel the important and valuable in the community. As usual, we continue the usual practice of having numerous homeless people attending the new year service and coordinated cake cutting and food after are performed by the those from the street and neighbourhood local area. Also, the cause has conveyed the food, and Christmas presents around the city including visiting the shelters and tents. Likewise, this year Charity has achieved processing with assisting homeless visitors with securing positions, shelters, and transport support (like bicycles and bikes), bus passes. Honestly, we are very happy to inform that we have successfully proceeding with activities that are helpful to create a healthy community within Birmingham city by giving hope to the lost world.

Open air exercises: Charity has conducted 3 trips involving church members and homeless individuals last year; which has involved lots of fun and hope which was making the homeless individuals feel as part of the community and society. Charity has been honoured for creating lots of happy faces who were regularly connected to the activities of the charity and beneficiaries of charity services in regular.

Charity is currently planning to go ahead with a project which was the vision given to the chair of the charity that to build a recreation centre and healing place especially for those who are broken and hopeless in

community. Currently we are praying and planning to go ahead with the project knowing the benefit that brings out from this project. When it's the right time it will be established and start invitation for admissions.

Church activities: Every week at least 4 times church members and leaders gather.

For example, Sunday services ,family fellowship with Sunday school, Kids association/exercises and Bible investigation at 100 Winsor Street South, Birmingham, B7 4HZ Cottage gatherings are directed at various areas upon demand by devotees. Moreover, joined gatherings are held with other churches good cause in quarterly premise.

Customary and ceaseless exercises: Charity has proceeded with the kappa morning and serving breakfast for destitute particularly for homeless and rough sleepers. Additionally began circulating food bundles for the individuals who are stuck inside the houses and hospitals. As earlier years, this year we have continued with material banking, dispersion of furniture, footwear, covers and camping cots and connecting the individuals who are deprived at various areas of Birmingham and assisting them with their mentioned needs and expanded by taking care of homelessness in downtown area.

This year we have directed numerous uncommon occasions with diversions contrast with earlier years and those were particularly for the home-less people including elite Christmas lunch on Christmas eve day. Each one of the individuals who took part particularly those who were destitute, delighted to a limited extent taking in cooking, serving and packing for others. Also distributed Christmas goody bags with blankets , toiletries , Christmas pudding etc In a manner shared the affection and harmony to the local area during the festive season. Of course, those occasions were led by including the nearby local area and honored faculty from various areas whom took part as same as the homeless people from street and shared the food and love together on those days with no segregation, which has caused them to feel as respected and part of the local area. The new year eve service was honored with numerous homeless people and coordinated cake cutting and food after the help are coordinated by the those from the street and neighborhood local area. Also, the cause has conveyed the food and Christmas presents around the city including visiting the shelters and tents. Likewise, this year Charity proceeded with assisting homeless visitors with securing positions, shelters, and transport support (like bicycles and bikes), bus passes. Truth be told, upheld critically with otherworldly mentoring and mental prosperity.

Open air exercises: Charity has coordinated local picnics and day outs this year due to covid and limitations faced by the members, including the homeless people. We are extremely satisfied that those encounters have come about them feel a piece of the local area and esteemed as a family.
