Summary of the main achievements of the charity during the year

Church activities: Increased the frequency of the gatherings and fellowships this year.

For instance, Sunday services, family fellowship, ladies meeting and Christ's school and Bible study at 100 Winsor Street South, Birmingham, B7 4HZ . Besides, continued with cottage gatherings are directed at various areas upon demand by devotees. Moreover, joined gatherings are held with other churches for a good cause in quarterly at the same premise.

Customary and ceaseless exercises: Charity has continued proceeding with the kappa morning 4 days in a week on regular basis and serving breakfast for destitute particularly for homeless and rough sleepers. Additionally, began circulating food bundles for the individuals who are stuck inside the houses and hospitals. This year we have continued the similar activities more effectively and extensively compared to previous years, this year we have continued with material banking, dispersion of furniture, footwear, covers, sleeping bags and camping cots and connecting the individuals who are deprived at various areas of Birmingham and assisting them with their mentioned needs and expanded by taking care of homelessness in downtown area. As how it was in previous years, we have managed to conduct numerous uncommon occasions with diversions particularly for the home-less people including elite Christmas lunch on Christmas eve day and on 31st night on new year eve. Each one of the individuals who took part particularly those who were destitute, delighted to a limited extent taking in cooking, serving and packing for others. Additionally, distributed Christmas goody bags with blankets, toiletries , Christmas pudding etc in a manner shared the affection and harmony to the local area homeless individuals and refugees during the festive season. Of course, those occasions were led by including the nearby local area and honoured faculty from various areas whom took part as same as the homeless people from street and shared the food and love together on those days with no segregation, which has caused them to feel as respected and part of the local area. The new year eve service was honoured with numerous homeless people and coordinated cake cutting and food after are performed by the those from the street and neighbourhood local area. Also, the cause has conveyed the food and Christmas presents around the city including visiting the shelters and tents. Likewise, this year Charity proceeded with assisting homeless visitors with securing positions, shelters, and transport support (like bicycles and bikes), bus passes. In all honesty, we have successfully proceeding with activities that are helpful to create a healthy community within Birmingham city by giving hope to the lost world.

Open air exercises: Charity has restarted the local picnics and day outs this year which was paused during covid. This was conducted including local homeless individuals to give them happiness and hope which was making them feel as part of the community and society. Charity has been privileged to create lots of smiling faces who were regularly connected to the activities of the charity and beneficiaries of charity services.

Section E Financial review

Brief statement of the charity's policy on reserves

It is the policy of the charity that unrestricted funds should be maintained at a level at least equivalent to between three and six months expenditure. The trustees consider that reserves of this level will ensure that, in the event of a considerable reduction in donations, they will be able to continue the current activities of the charity whilst consideration is given to finding ways of attracting new funding.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);

The church's continued activities were happened mainly by the help of offerings and tithes from members for all the expenses.
