Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Yet again we raised a substantial sum to donate to Air Ambulance and other local charities at our combined working weekend and Open Farm Sunday at Park Farm Thorney which was possible due to seed potatoes being donated to us this year.

Provided seven evening meetings, speakers were invited to talk to the members about their particular area of interest and was well received by members. The meetings were well attended and typically attract 40 to 70 people. Current membership is approximately 100 people.

Financial reserves are satisfactory and the trustees are pleased to see the Committee have followed the wishes of the members by continuing to invest in the ongoing upkeep of the show trailer.

One further investment was made with a PFMPs livered exhibition gazebo to complement show trailer or used independently at smaller shows members attend.

A second investment was a defibrillator to be used at shows/events and also taken to club evenings.

More input over the last year has been made into the Facebook pages of PFMPs with regular updates for members and public followers with an anticipation of this continuing (future aspirations is to achieve similar for website).

Section E

Financial review

Brief statement of the charity's policy on reserves

Financial reserves are kept on bank deposit. The policy is to only use these for significant expenses and this year a Livered Gazebo and Defibrillator were purchased along with the replacement of several fire extinguishers.

The Committee welcomes suggestions by the members on how the reserves might be spent in promoting and preserving agricultural and rural history and seeks support prior to purchases being made.

Details of any funds materially in deficit

The Society has no borrowings, long term debt or financial commitments beyond the normal annual operating costs and it's the wishes of Committee and members this stays the same.

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any

The principal source of funding is from members subscriptions along with monies raised from raffle tickets and food stalls at events. Member volunteers, and friends of, freely give their time to allow this to be a possibility which in turn ensures we can keep membership at an affordable cost.

For the first time we have had merchandise (clothing) produced with the Society's name and emblem for sale to members (and others) The intention is to expand the options and to also add to the funds of Society
