Names of the trustees for the charity, if any, (for example, any custodian trustees)

Name	Dates acted if not for whole year

Names and addresses of advisers (Optional information)

Type of adviser	Name	Address
Bank	Yorkshire Bank (now Virgin Money)	46, Coney Street, York YO1 9NQ

Name of chief executive or names of senior staff members (Optional information)

Sue Bretherton – Founder and Director (unpaid)

Ian Bretherton – Founder and Director (unpaid)

Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution adopted at the first meeting of trustees on 20/11/16. It was most recently amended at the AGM on 15/08/20.
How the charity is constituted (eg trust, association, company)	CIO
Trustee selection methods (eg. appointed by, elected by)	Trustees are appointed by resolution at a properly convened meeting of trustees.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

All trustees and our two founders/directors continue to give their time voluntarily and receive no remuneration, expenses or other benefits. One trustee stood down at the end of their 4-year term and one resigned.

We continue to maintain our formal partnerships with four NGOs working in Pushkar and Ajmer, through which we carry out our objects, providing education and vocational training. These partnerships are established and monitored via written agreements which set out the roles and responsibilities of each partner.

The Trustees have given consideration to the major risks to which the charity is exposed – particularly those arising through the safeguarding of children and vulnerable teenagers, the handling of data and the management of our finances - and have satisfied themselves that systems or procedures are in place to manage those risks, including:

- A Child Protection policy and training
- A Financial Management policy
- A Due Diligence policy
- A Data Privacy policy (compliant with GDPR 2016/679)
- A Risk Management policy

The Trustees have assured themselves that Covid protection measures have been in operation in our partnership schools and the TOLFA animal hospital, and have helped fund masks, soaps, sanitizer and fresh water.

This report has been prepared in accordance with the Charity Commission document: 'Charity reporting and accounting: the essentials March 2015 CC15c'.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The object of the CIO is *'the advancement of education, for the public benefit, by the provision of schools, teaching, sponsorship and vocational training for the development of the mental, physical and moral capabilities, and the improvement of the prospects for employment and access to Further and Higher Education, of those children and adolescents living in India, who do not access education or training for any reason, including poverty, neglect, learning or other developmental difficulties, disability, low caste status or the absence of family members or carers.'*

The main activities undertaken for the public benefit in relation to the above object are as follows:

- Organisation and hosting of a range of fundraising events including talks and presentations to schools, organisations and charitable bodies, sales and events. All have been impossible during this year's pandemic lockdowns.
- Submission of applications to grant-making trusts for funding.
- Communication of our objectives and achievements through our website blog, regular newsletters and, when possible, the media.
- Generation of both regular (Standing Order) and one-off donations in aid of our work.
- Development by directors and trustees of policies and plans which enable our charity to carry out its work and to achieve its objectives effectively, efficiently and safely.
- Regular twice-yearly visits to Pushkar by our founders/directors to monitor and evaluate our projects have been prevented this year by the pandemic. The last such visit was during November 2019. We hope to be able to return in 2022. All visits are entirely at our

co-founders/directors' personal expense, including all travel, accommodation and all living expenses.

- In addition to the above, maintaining close contact by email, Skype and telephone with our four partner NGOs in Pushkar in order to continue to monitor and evaluate our projects. This includes the submission of progress reports and supportive evidence by our partners on a 6-monthly basis.

In planning the activities for the year, the trustees kept in mind and applied the Charity Commission's guidance on public benefit during fundraising presentations and meetings of trustees.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Our fundraising activities, as well as the organisational structure and governance of our charity, rely entirely upon our trustees, founders/ directors and supporters, all of whom give their time and skills voluntarily and we are enormously grateful to them for their generosity.

The trustees and directors are aware of the requirements in the Charities Act 2016 regarding protection of the public, including vulnerable people, from unreasonably intrusive or persistent fundraising approaches and undue pressure to donate.

No commercial participators or professional fundraisers have been used by TDSF, and there have been no registered fundraising complaints.

Summary of the main achievements of the charity during the year

The main achievements of The Dragonfly Schools Foundation during the year from 6th April 2020 to 5th April 2021 are summarised in the points below.

We have provided education for approximately 150 children through:

- Funding of f/t and p/t teachers at our three partnership schools.
- Additional funding of f/t specialist Special Needs teachers and a f/t physiotherapist at our partnership special needs school.
- Funding of premises rental costs and utilities and wifi costs for our partnership schools.
- Funding of teaching resources for our partnership schools.
- Funding for 5 five-year sponsorships for children to attend mainstream schooling.
- Funding of 3 three-year vocational Animal Care traineeships for teenagers at an award-winning animal hospital in Ajmer.
- Funding for medical and social care for a pupil experiencing severe physical, learning and social problems.
- Strengthening of existing relationships and development of new ones to enhance and improve the effectiveness of our projects and explore new avenues for achieving our aims and objectives.
- Provision of regular food aid to all families of our partnership schools' pupils during India's pandemic lockdowns.

Section E

Financial review

Brief statement of the charity's policy on reserves

A policy on maintaining a £5,000 reserve was agreed at the 09/04/17 Trustees meeting.

£1,004 of the funds held in the account at the end of the financial year was restricted.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

There are no funds held as a custodian trustee on behalf of others.

Our main source of funds this year has been from Charitable Trusts (The Fulmer Charitable Trust, Eleanor Rathbone Charitable Trust and RE Pilkington Trust), businesses (K Home International and Thomas of York Ltd) and individuals. These funds have allowed us to commit to expenditure on the projects described in this report.

Expenditure this year has been for providing funding for our partners (Vikas Project, TOLFA, Pushkar Children Trust and Jyotirgamay Seva Sansthan - previously RICHA Rehabilitation Center) including 24/7 care for a Jyotirgamay pupil with severe learning and physical disabilities. In addition, we have also funded our charity's website management and eBay shop fees.

The Covid-19 situation has had a big impact on our fundraising events but, after a successful appeal to our supporters, we have continued to maintain our income flow such that we were able to support our partners with funding for food packages to pupils' families whilst India has been in lockdown, as well as maintaining a reduced level of our routine operational payments. Since schools in India have been closed during the pandemic, the five pupils we sponsor for attendance to mainstream school have not needed to pay fees, so our payments to Pushkar Children Trust have taken that into account. Continued sponsorship support from our benefactors in the form of restricted donations will therefore result in extending the duration of our support to these pupils, once the schools re-open. For the schools that we directly support, we have funded reduced amounts for school staff retention and some part-time teaching, as well as for school premises rental and utility bills. Once these three schools re-open we expect our funding levels to return to normal.

Section F

Other optional information

The coming year will see the continuation of our formal partnerships with TOLFA, Vikas Project, Pushkar Children Trust and Jyotirgamay Seva Sansthan. In the case of the last three we will carefully monitor the pandemic situation in India and manage our reduced payments to ensure the schools remain viable and ready for full re-opening. We will also continue to provide financial support to our partners for further food aid for our pupils' families as the changing Covid-19 situation demands.

The accounts have been prepared on a receipts and payments basis, with the financial accounting period being from 6th April 2020 to 5th April 2021.

Due to the gross income for the last financial year being below £250,000 and with assets less than £3.26m there is no legal requirement for our charity's accounts to be audited. Even though the gross annual income is less than £25,000 we decided to again have an independent examination of the accounts, which has been carried out – see signed declaration below.

The bank account is managed by the Treasurer with another trustee and the co-founders/directors having online access to view transactions only.

The Dragonfly Schools Foundation

Accounts for the period from 6/4/20 – 5/4/21

Statement by Examiner

I confirm that I have examined all accounts, documents and supporting evidence provided to me, and in my opinion they give a true representation of the financial situation of the Dragonfly Schools Foundation for the period.
