## Section B      Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution adopted at the first meeting of trustees on 20/11/16. It was most recently amended at the AGM on 15/08/20.
How the charity is constituted (eg. trust, association, company)	CIO
Trustee selection methods (eg. appointed by, elected by)	Trustees are appointed by resolution at a properly convened meeting of trustees.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

All trustees and our two founders/directors continue to give their time voluntarily and receive no remuneration, expenses or other benefits.

We continue to maintain our formal partnerships with four NGOs working in Pushkar and Ajmer, through which we carry out our objects, providing education and vocational training. These partnerships are established and monitored via written agreements which set out the roles and responsibilities of each partner.

The Trustees have given consideration to the major risks to which the charity is exposed – particularly those arising through the safeguarding of children and vulnerable teenagers, the handling of data and the management of our finances - and have satisfied themselves that systems or procedures are in place to manage those risks, including:

- A Child Protection policy and training
- A Financial Management policy
- A Due Diligence policy
- A Data Privacy policy (compliant with GDPR 2016/679)
- A Risk Management policy

This report has been prepared in accordance with the Charity Commission document: 'Charity reporting and accounting: the essentials March 2015 CC15c'.

## Section C

## Objectives and activities

**Summary of the objects of the charity set out in its governing document**

*The object of the CIO is 'the advancement of education, for the public benefit, by the provision of schools, teaching, sponsorship and vocational training for the development of the mental, physical and moral capabilities, and the improvement of the prospects for employment and access to Further and Higher Education, of those children and adolescents living in India, who do not access education or training for any reason, including poverty, neglect, learning or other developmental difficulties, disability, low caste status or the absence of family members or carers.'*

The main activities undertaken for the public benefit in relation to the above object are as follows:

- Organisation and hosting of a range of fundraising events including talks and presentations to schools, organisations and charitable bodies, sales and events including a Christmas Coffee Morning and an annual Dance.
- Submission of applications to grant-making trusts for funding.
- Communication of our objectives and achievements through our website blog, regular newsletters and, when possible, the media.
- Generation of both regular (Standing Order) and one-off donations in aid of our work.
- Development by directors and trustees of policies and plans which enable our charity to carry out its work and to achieve its objectives effectively, efficiently and safely.
- Annual visits to Pushkar by our founders to monitor and evaluate our projects. The last such visit was during February 2024 when we were accompanied by our Chair of Trustees. All visits are made **entirely** at our personal expense, including **all** travel, accommodation, food and **all** living expenses.
- In addition to the above, maintaining close contact by email, Zoom, Skype and telephone with our four partner NGOs in Pushkar in order to continue to monitor and evaluate our projects. This includes the submission of progress reports and supportive evidence by our partners on a 6-monthly basis.

In planning the activities for the year, the trustees kept in mind and applied the Charity Commission's guidance on public benefit during fundraising presentations and meetings of trustees.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

**Additional details of objectives and activities (Optional information)**

---

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Our fundraising activities, as well as the organisational structure and governance of our charity, rely entirely upon our trustees, founders/directors and supporters, all of whom give their time and skills voluntarily and we are enormously grateful to them for their generosity.

The trustees and founders/directors are aware of the requirements in the Charities Act 2016 regarding protection of the public, including vulnerable people, from unreasonably intrusive or persistent fundraising approaches and undue pressure to donate.

No commercial participators or professional fundraisers have been used by TDSF, and there have been no registered fundraising complaints.

**Summary of the main achievements of the charity during the year**

The main achievements of The Dragonfly Schools Foundation during the year from 6<sup>th</sup> April 2023 to 5<sup>th</sup> April 2024 are summarised in the points below.

We have provided education for approximately 150 children through:

- Funding of f/t and p/t teachers at our three partnership schools.
- Additional funding of f/t specialist Special Needs teachers and a f/t physiotherapist, speech therapist and teacher of the deaf at our partnership special needs school.
- Funding for registration of pupils at our partnership desert camp school to sit the Rajasthan State Education Board Annual Examinations.
- Funding of premises rental costs and utilities and wifi costs for two of our partnership schools.
- Funding of teaching resources for our partnership schools.
- Funding for 5 five-year sponsorships for children to attend mainstream schooling.
- Funding for Winter sweaters for pupils during the cold season.
- Funding of 3 three-year vocational Animal Care traineeships for teenagers at an award-winning animal hospital in Ajmer.
- Strengthening of existing relationships and development of new ones to enhance and improve the effectiveness of our projects and explore new avenues for achieving our aims and objectives.

## Section E

## Financial review

**Brief statement of the charity's policy on reserves**

A policy on maintaining a minimum £5,000 reserve was agreed at the 09/04/17 Trustees meeting.

£310 of the funds held in the account at the end of the financial year was restricted.

**Details of any funds materially in deficit**

None

## Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

There are no funds held as a custodian trustee on behalf of others.

Our main source of funds this year has been from individual donations on line and at events. We have also had funding from The Fulmer Charitable Trust, K Home Engineering and York Vikings Rotary Club. These funds have allowed us to commit to expenditure on the projects described in this report.

Expenditure this year has been for providing funding for our partners (Vikas Project, TOLFA, Pushkar Children Trust and Jyotirgamay Seva Sansthan). In addition, we have also funded our charity's website management and eBay shop fees.

Income for this financial year has allowed us to maintain last year's increase in our funding of our partner charities in India. This allowed our funding to expand beyond teachers' salaries to other support staff salaries, rent & utilities and children's clothing as well as increasing the number of pupils and trainees sponsored by The Dragonfly Schools Foundation.

## Section F Other optional information

The coming year will see the continuation of our formal partnerships with TOLFA, Vikas Project, Pushkar Children Trust and Jyotirgamay Seva Sansthan.

The accounts have been prepared on a receipts and payments basis, with the financial accounting period being from 6<sup>th</sup> April 2023 to 5<sup>th</sup> April 2024.

Due to the gross income for the last financial year being below £250,000 and with assets less than £3.26m there is no legal requirement for our charity's accounts to be audited. Even though the gross annual income is less than £25,000 we decided to again have an independent examination of the accounts, which has been carried out – see the signed declaration below.

The bank account is managed by the Treasurer with another trustee and the co-founders/directors having online access to view transactions only.
