Annual Statement - 31-08-2024

Breed Specific Dog Rescue

This year has been the toughest by far. As in previous years, we have been inundated with calls, emails, and applications via social media with requests to take in unwanted dogs. Although we have tried our best to help most of the dogs needing rescue, sadly due to lack of funding and space we have not always been able to help. However, we have worked with other rescues to help provide placements. We have supported local authorities as we could.

Unfortunately, the online trolling and abuse continues and is now in the hands of the authorities.

With the new legislation regarding banned breeds, we were inundated with requests for help, some of which were lucky and were rehomed and exempted successfully.

We continue to remain a breed specific rescue and rely on public donations for our main source of funding. However, many of our members arrange fundraising events and generously pass on any donations raised.

The charity remains fully insured in accordance with the legal requirements.

Our main source of support for the dogs are kennels, and we have a wonderful support network at our boarding facilities in Rotherham. These kennels are privately owned and therefore the bulk of our income is used for payment for the service they provide. The kennels provide a safe environment for our dogs, with assessment and exercise to prepare them for future rehoming. We also have an account with the veterinary services linked to the kennels for any of the dogs' medical needs.

The rescue has recently moved into kennelled accommodation which is currently being refurbished with funds raised by our supporters. The aim is to obtain a licence and lease for the rescue to have sole control of the premises, despite several objections from the local community, this is NOT an XL bully sanctuary and only houses 5 exempted dogs.

We also have a small foster base which is expanding gradually, which allows the assessed dogs in kennels to be placed in suitable environments to progress with their rehabilitation. As always, we offer support for these placements and any medical needs which may arise.

Due to the current climate, we have not been able to help as many dogs as we would have liked, this is due to lack of spaces, cost and expensive veterinary bills. We currently have 9 dogs in foster homes, in 23 boarding facilities, 5 of these are exempted dogs and 3 others who are unlikely to be able to be rehomed. 2 pending applications that may lead to new homes in the coming weeks. Applications continue to remain slow with many landlords now refusing to house bull breeds dogs.

We continue to work towards a more foster based rescue, but with current demand and less fosters offers, kennels remain the main safe spaces for the dogs.

Whilst we have many generous and wonderful supporters, we often struggle to raise the required funds each month and trustees use their own funds to help towards the shortfall. We would also like the government to look at legislation regarding the breeding of domestic pets as we believe under the current climate, facilities will be constantly overwhelmed with unwanted dogs especially bull breeds and unless something is done, young healthy dogs will continue to be euthanised every week due to the huge numbers being handed in and abandoned daily.

We strive to help as many dogs as possible. However, the need for funding is always a priority and we are always looking for new ideas to help us continue our voluntary work.

1.2 Going concern

If there are material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern, please provide the following details or state "Not applicable", if appropriate:

An explanation as to those factors that support the conclusion that the charity is a going concern;

The financial statements have been prepared on a going concern basis. The Trustees have recognised that expenditure has exceeded income and are aware that this remains unsustainable in the long term. There have been changes in Trustee appointments and scaling back on some activities to make the charity viable in the future. The Trustees therefore consider it remains appropriate to prepare the accounts on a going concern basis. Please see Trustees report for further details.

Disclosure of any uncertainties that make the going concern assumption doubtful;

Not applicable

Where accounts are not prepared on a going concern basis, please disclose this fact together with the basis on which the trustees prepared the accounts and the reason why the charity is not regarded as a going concern.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2022.

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
