**Independent Examiners Report**

I have conducted an independent examination of the Income and Expenditure statements of the Driffield Youth Action Charity No 1170061 for the year ending 31st March 2025

No matter has come to my attention in connection with the examination which gave me reasonable cause to believe that in any material respect accounting records for the year to 31st March 2024 had not been kept in accordance with Section 41 of the Charities Act 1993, or that the accounts do not accord with the records.

No matter has come to my attention in connection with the examination, to which attention should be drawn to enable a proper understanding of the accounts to be reached.

## **Chairman's Report**

### **For the period 1st April 2024 - 31st March 2025**

It gives me great pleasure to present the Chairman's Report for the year ending 31st March 2025. This has been another busy and productive year for our team, staff, and volunteers as we continue to provide a safe, inclusive, and inspiring environment for young people in our community.

### **Staffing and Development**

Our staffing team remains committed and passionate about delivering high-quality youth work. We currently have a **Youth Development Coordinator**, supported by **three Senior Youth Workers, two Sports Coaches, and two Assistant Youth Workers**. In addition, our **three dedicated volunteers** continue to give their time generously, playing a vital role in supporting our activities and outreach.

This year, we have also supported **two university students, three college students, and one person working towards a Youth Work Level 2 qualification**. These placements provide valuable experience for those entering the youth work profession while helping us to build capacity and fresh ideas into our team.

### **Facilities and Improvements**

A major improvement this year was the installation of a **second-hand kitchen in November 2024**. This new facility has been a significant enhancement to the youth centre, enabling more young people to take part in cooking and food-based sessions. It supports the development of practical life skills, promotes healthy eating, and provides a welcoming space for shared meals and social connection.

### **Hall Hire and Community Use**

White hall hire has been less frequent this year, we have maintained several valued community partnerships. Groups hiring the space have included:

- **The Buglers**
- **A local Home Education group**
- **The Youth Voice and Influence Team**

We remain committed to offering our facilities to groups and initiatives that align with our values and contribute positively to the local community.

### **Funding and Sustainability**

We are extremely grateful for the financial support received throughout the year, which has been essential in maintaining our activities and services. Our funding sources included:

- **PAG Wellbeing: £5,000**
- **PAG Small Grants: £2,500**
- **PAG - Training Grant: £3,000**
- **Driffield Town Council: £50,000**
- **ICB: £16,667**
- **Sir James Reckitt Trust: £3,000** (for a residential)
- **PCC: £11885.69**
- **HAF - Summer and Christmas programmes: £4690**

While this support has been vital, it is clear that **more sustainable funding** needs to be sourced to ensure the continuation and development of our work. We are particularly keen to secure resources that will allow us to **extend staff hours and strengthen the support for our Youth Development Work**, ensuring we can meet the growing needs of young people in our area.

### **Programme and Activities**

Over the past year, we have delivered a diverse and inclusive range of youth sessions and projects designed to support personal growth, wellbeing, and community engagement. Our programmes have included:

- **Youth Club**
- **Wellbeing Sessions**
- **Active Fridays**
- **Trips and Two Residentials**
- **Women's Self Defence Workshops**
- **DJ Workshops**
- **Gaming Bus Sessions**
- **Games Nights**
- **Music Workshops**
- **Film-making Workshop**
- **Art Mural Projects**
- **Issue-based Sessions**
- **Support sessions for 16 -25 year olds**

Our **summer activities** have been particularly successful, ensuring inclusivity for **young people living with disabilities and those who are neurodivergent**, enabling everyone to participate fully and confidently.

We have also delivered a variety of **social action projects**, including participation in **Lifestyle Projects, supporting local community members, and fundraising for national charities**. These projects have encouraged young people to make a difference in their communities while developing leadership skills, empathy, and civic pride.

### **Partnerships and Collaboration**

Working collaboratively with partners has been a key focus this year. We have continued to **enhance our youth provision and strengthen engagement** by building strong relationships with local organisations, Police team, and community groups. These partnerships allow us to share resources, widen opportunities, and better meet the needs of young people across the area.

### **Conclusion**

In summary, this has been a year of steady progress, creativity, and meaningful impact. Our staff, volunteers, and partners have worked tirelessly to provide positive opportunities for young people while navigating the ongoing challenges of funding and resources.

The installation of the new kitchen, the success of inclusive summer programmes, and the breadth of youth and community activities delivered all highlight the strength and adaptability of our team. However, to maintain and grow this success, it remains crucial that we secure **sustainable funding** for the years ahead.

On behalf of the Board, I would like to extend sincere thanks to all our staff, volunteers, funders, and partners for their continued commitment and support—and of course, to the young people themselves, whose energy, ideas, and enthusiasm continue to inspire everything we do.

## Chairman's report: Driffield Youth Action March 2024

Driffield Youth Action: Chairmans report 01/04/23 to 31/03/24

Lisa Harris is now managing the day to day running of the Driffield youth action.

New staff appointed including

2 sports coaches

1 more lead youth worker

2 assistant youth workers

The club is now fully open back to pre covid days. Together with external events like the Active Friday evening sessions at the Driffield school with an average of 16 to 25 attend every week, in total 67 have registered an interest. The allotment plot on a Saturday is also very popular.

The Driffield Town Council continue funding the DYA, together with a number of other grants from, Humber Trust, The CO-OP £1,008. The Police and crime commissioner with £9,65 in kind match funding, total of £40,916.26. Other successful funding grants include Two Ridings #IWILL £10,000 for youth social action and DIFEY £4856.

Funding is also boosted by regular room rental The Buglers + smash and short term hire. The website has been updated and very popular.

All Policies and Procedures have been up-dated by Judy Kilvington, and in the process of being signed off by the trustees.

All DBS checks are up-to-date.

The only negative thing I have to report is we have lost three trustees, Victoria Thompson, Patricia Owen, and Gillian Halliwell. We are looking for new members.

I end by thanking all our members of staff, and a big thank you to the trustees who turn up every month to keep DYA the wonderful safe club it is.

Regards

Paul Paul Rounding

### **Chairman's report: Driffield Youth Action March 2020**

As ever I would like to thank the committee, in particular Phil Stocker for managing the finances. I would also like to pay tribute to our youth workers, Duncan, Kimberley and Kurt who joined us when Mollie left. They are all doing a superb job and numbers are holding despite having to forcibly migrate the older set from Mondays to Wednesdays.

Early in the year we were awarded PAG grant from the East Riding of Yorkshire Council to give all our young people a taste of being a member of a gym. The local Health Hub facilitated sessions especially for us twice a week for six weeks. Many of the younger set really enjoyed this, but it wasn't for everyone.

I would also like to thank our "Partners" the Skatepark, with whom we have a peppercorn lease of the land, The Horace Taylor Trust, Driffield Town Council for their constant support and funding and Youth & Family Support at the East Riding Council.

I think the cabin itself is just about finalised, although we will always need footballs, chairs and funding for the ever popular internet. However, thanks to the generosity of the Driffield Male Voice choir who held an event and raised £250 for us (which we have yet to claim) we were able to buy a new table tennis table. This was recently erected and has yet to be used by young people.

Of course the big news this year was Covid-19 and our last session was held just prior to lockdown. During this time our staff have been furloughed, with the Government paying 80% of their usual average wages and DYA the other 20%. It was agreed to continue paying in full as they are very valuable to the committee.

Also we have lost SMASH and the band who normally use our venue and pay rent, so income is very much down on last year. At the moment I cannot see when this will change.

Working as volunteers, Duncan and Kurt have set up the table tennis table and our Driffield Mayor, Cllr Amanda Croft, who runs SMASH, has been sorting all our craft material, removing all rubbish and useless items, including broken chairs, and has thoroughly cleaned the entire building for which we are

eternally grateful. She has also acquired six new stacking chairs to replace the broken ones. We are always on the lookout for more.

Despite the set backs, morale amongst committee and staff seems to be maintained but the impact on our young people is uncertain.

### **Independent Examiners Report**

I have conducted an independent examination of the Income and Expenditure statements of the Driffield Youth Action Charity No 1170061 for the year ending 31st March 2020

No matter has come to my attention in connection with the examination which gave me reasonable cause to believe that in any material respect accounting records for the year to 31st March 2020 had not been kept in accordance with Section 41 of the Charities Act 1993, or that the accounts do not accord with the records.

No matter has come to my attention in connection with the examination, to which attention should be drawn to enable a proper understanding of the accounts to be reached.

## **Chairman's report: Driffield Youth Action March 2020**

As ever I would like to thank the committee, in particular Phil Stocker for managing the finances. I would also like to pay tribute to our youth workers, Duncan, Kimberley and Kurt who joined us when Mollie left. They are all doing a superb job and numbers are holding despite having to forcibly migrate the older set from Mondays to Wednesdays.

Early in the year we were awarded PAG grant from the East Riding of Yorkshire Council to give all our young people a taste of being a member of a gym. The local Health Hub facilitated sessions especially for us twice a week for six weeks. Many of the younger set really enjoyed this, but it wasn't for everyone.

I would also like to thank our "Partners" the Skatepark, with whom we have a peppercorn lease of the land, The Horace Taylor Trust, Driffield Town Council for their constant support and funding and Youth & Family Support at the East Riding Council.

I think the cabin itself is just about finalised, although we will always need footballs, chairs and funding for the ever popular internet. However, thanks to the generosity of the Driffield Male Voice choir who held an event and raised £250 for us (which we have yet to claim) we were able to buy a new table tennis table. This was recently erected and has yet to be used by young people.

Of course the big news this year was Covid-19 and our last session was held just prior to lockdown. During this time our staff have been furloughed, with the Government paying 80% of their usual average wages and DYA the other 20%. It was agreed to continue paying in full as they are very valuable to the committee.

Also we have lost SMASH and the band who normally use our venue and pay rent, so income is very much down on last year. At the moment I cannot see when this will change.

Working as volunteers, Duncan and Kurt have set up the table tennis table and our Driffield Mayor, Cllr Amanda Croft, who runs SMASH, has been sorting all our craft material, removing all rubbish and useless items, including broken chairs, and has thoroughly cleaned the entire building for which we are eternally grateful. She has also acquired six new stacking chairs to replace the broken ones. We are always on the lookout for more.

Despite the set backs, morale amongst committee and staff seems to be maintained but the impact on our young people is uncertain.

### **Chairman's report: Driffield Youth Action March 2019**

Well, as you all know, we have now migrated our charity from the original one set up in 2005. We are now a CIO and have taken over all the assets from the original charity. We are moving forward with renewed vigour.

As ever I would like to thank the committee, in particular Phil Stocker for managing our finances, and those of you who seem to have been constantly on interview panels! Hopefully we are now settled for a while with Duncan, Kimberley and Mollie. They are doing a superb job and numbers seem to be on the increase due in part to the sessions being held regularly, and of course with interesting stuff to do. As I said last time, having a stable staff base will enable us to improve what we offer to the young people and branch into other areas rather than just being a drop in, not least of value the trips from our DYA on the Road PAG Award in 2018 and our latest award in 2019. It is hoped that we will organise at least three trips for our young people between now and August as we have had an extension to our timing for that grant.

I would also like to thank our "Partners" the Skatepark, with whom we have a peppercorn lease of the land, The Horace Taylor Trust for filling the black hole mentioned in last year's report, Driffield Town Council for their constant support and funding and the Dewhirst Trust, for our PAG awards via Youth & Family Support East Riding Council.

I would also like to thank Darron Lawer, from the East Riding Youth and Family Support Team, who cannot be with us, but without him I don't think we would have succeeded. He has bullied me into bidding for the PAG awards even though I didn't think we had a chance (as we hadn't quite spent the money from the last time!) and has stepped in during the staffing problems and is a great role model for our staff. He also, along with Rev Witherden has been on all four interview panels over the last two years. Hopefully for the last time.

I think the cabin itself is just about finalised, although we still need footballs and a table tennis table, although we now have the money for them. We were fortunate to get a brand new Pool table, kindly donated by Tim Dewhirst last year.

As to the externals, we have money from Tesco Bags of Help to finalise the path outside to provide a stable fire exit (and Trevor Eling will be doing this shortly), and hopefully a metal ramp for the rear door from Dan Taylor. I am also grateful to F Whately for fettling the door to the disabled loo so this now fits.

Last AGM I thought I would be stepping down, but as we have lost our Secretary been unable to replace him I feel that we need to have some continuity so will accept nomination again if that suits.

A DYA open event was held on 20<sup>th</sup> October to encourage new Trustees & Volunteer's.

At the DYA meeting on the 11/11/21 it was reported that the DTC had awarded a £50.000 grant over the next three years.

It was agreed that a full-time youth development officer/club manager be employed with the grant.

The job was advertised and interviews took place on the 09/03/22, two excellent candidates wanted the job but on a part time basis.

It was agreed to offer each candidate a job share of 50% each of the 37 hours on offer.

Claire Raper & Ellie Kratz had a start date of 25/04/2022.

This would be the start of a new era for the DYA with some exciting plans for the future.

### Independent Examiners Report

I have conducted an independent examination of the Income and Expenditure statements of the Driffield Youth Action Charity No 1170061 for the year ending 31st March 2021

No matter has come to my attention in connection with the examination which gave me reasonable cause to believe that in any material respect accounting records for the year to 31st March 2021 had not been kept in accordance with Section 41 of the Charities Act 1993, or that the accounts do not accord with the records.

No matter has come to my attention in connection with the examination, to which attention should be drawn to enable a proper understanding of the accounts to be reached.

**Chairman's report: Driffield Youth Action March 2021 Charity**  
**Reg.1170061**

The Covid Pandemic from March 2020 has meant that our Youth Centre has been closed for the whole year and has had a dramatic affect on our progress in serving the young people of Driffield. We had to put our three staff members on furlough and without the Government Furlough Scheme we would have probably have had to close the centre permanently.

The Driffield Town Council have been kind enough to make available the skills of their funding officer who will apply for grants on our behalf, this assistance is very much appreciated.

I would like to thank the committee, in particular Phil Stocker for managing the finances. I would also like to pay tribute to our youth workers, Duncan, Kimberley and Kurt.

I would also like to thank our "Partners" the Skatepark, with whom we have a peppercorn lease of the land, The Horace Taylor Trust, Driffield Town Council for their constant support and funding and Youth & Family Support at the East Riding Council.

Despite the set backs, morale amongst committee and staff seems to be maintained but the impact on our young people is uncertain.
