Trustees Induction and Training

The Trustees are elected by the church in accordance with the rules set out in the Constitution. The method of appointment of the Church Council is also set out in the Church Constitution.

Induction and Training

Trustees, as part of their induction and training, go through a series of training sessions where they are briefed on their legal obligations and the Charity Commission's guidance on public benefit. The objects and aims of the church are explained. Trustees and volunteers are also encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

Organisation

The Board of Trustees and Council members are responsible for the overall strategy and direction of the Ministry. The Board of Trustees and Council members have the responsibility of cooperating with the Reverend Minister in promoting the whole mission of the Church – pastoral, evangelistic, social, and ecumenical. The Trustees give their time on a voluntary and unpaid basis. The Church Council has wide responsibilities. It has several committees, each dealing with a particular aspect of church life. These committees, which include music/worship, events, outreach, welfare, and finance, are accountable to and report back to the Board of Trustees and Church Council regularly.

Risk Management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to operations and finances of the charity and are satisfied that systems are in place to mitigate exposure to the major risks. The trustees have a risk management strategy which comprises:

- regular financial review to ensure the continuity of charitable activities.
- ensuring all equipment is in good condition and safe for use.
- Competence-based training for volunteers and trustees.
- liability insurance.
- Monitoring of new legislative requirements.
- Policies and procedures for children and vulnerable adults' protection.
- Health and safety risks

Interest of the Board of Trustees

No member of the Trustees had, at any time during the period under consideration, any interests in the charity which require disclosure in this report.

Objectives and activities

The HOUSE OF JUDAH DAGENHAM IN FELLOWSHIP WITH ASSEMBLIES OF GOD was set up to, among others, to promote the religious and social well-being of the members and the community as a whole. The principal activities of the church include:

1. To propagate the Gospel of the Kingdom of God through activities such as regular Sunday meetings and weekly activities, conferences, ministerial training, and seminars.
2. To share and demonstrate God's love by ministering to the needs of people (both members and others).
3. Worship services which are open to the general public – during these services, we encourage personal growth by developing and empowering people through preaching and teaching of the Gospel of Jesus Christ; by motivating people through seminars and conferences.
4. To develop strong society by encouraging and building strong family relationship through seminars/conferences and family friendly activities.
5. To evangelize in order to tell people about the love of Christ by the use of the media, tracts and other educative materials.
6. To undertake general charitable activities – such as providing aid for the needy. 7. To organise conferences and other social and community activities to let the people know their social responsibilities and to increase their relationship with God.

The HOUSE OF JUDAH DAGENHAM IN FELLOWSHIP WITH ASSEMBLIES OF GOD is committed to enabling as many people as possible to worship at our church and to become part of our community. The trustees and the church council maintain an overview of worship throughout the parish and constantly seek ideas on how our services can involve the diverse population and groups that live within our parish and the community. Our services and worship put faith into practice through prayer and scripture, music, and sacrament.

When planning our activities for the year, the Board of Trustees has considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. In particular, we try to enable ordinary people to live out their faith as part of our church community through:

- Worship and Prayer, learning about the Gospel; and developing their knowledge and trust in Jesus.
- Provision of pastoral care for people living in the parish.
- Missionary and outreach work.
- Education and training

Volunteers

Without the selflessness, hard work and dedication of our volunteers we could not have achieved our aims and objectives. The volunteers contribute to the running of the church and enables it to fulfil its objectives.

Financial review

The total incoming resources for the year were £55,270 (2024 -£44,506), which represents a decrease of £10,764 or 24.19 % on the previous year.

The total resources expended for the year were £55,800 (2024-£41,817), which represents an increase of £13,983 or 33.44% on the previous year.

The overall effect resulted in a deficit of £530 (2024 - surplus of £2,689)

The trustees are profoundly grateful to the faithful members and visitors for their continued support of the charity.

Reserves Policy

The Trustees have identified the need for reserves to be held, as developing a reserves policy will assist in strategic planning, such as in considering how new projects or future activities will be funded. To ensure sustainability and continuity of funding for future activities, the trustees plan to have unrestricted funds to cover at least 3 months of unrestricted payments. This policy will be reviewed regularly to meet the charitable needs of the Church.

Investment Policy

The Trustees have the power to invest in such assets as they see fit. The charity's investment policy is appropriate to the nature of the funds for which the investment is held. The primary investment aim is to provide a high degree of security and liquidity and to maximise returns whilst adopting a conservative approach. This policy is not yet implemented.

Grant Making Policy

As part of our charitable objectives of providing aid to the needy, grants are not made, but donations are given in the form of cash gifts to needy people and to members who find themselves in some form of financial difficulty.

Year ended 31 July 2025

I report to the trustees on my examination of the financial statements of HOUSE OF JUDAH DAGENHAM ASSEMBLIES OF GOD LTD ('the charity') for the year ended 31 July 2025.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law), you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination, I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable, and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

HOUSE OF JUDAH DAGENHAM ASSEMBLIES OF GOD LTD

Company Limited by Guarantee

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment - 17% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

HOUSE OF JUDAH DAGENHAM ASSEMBLIES OF GOD LTD

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 July 2025

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
