### **Review of the Business**

The charity reported an excess of income over expenditure of £7,081 (2021 £20,880 surplus) for the year.

### **Scope**

On the 2 June 2017 ENCA took over management and responsibility for running the community centre, now known as Eagle's Nest Community Centre (formally named Arnold Hill Community Centre) with the aim of managing, renovating & repurposing it. ENCA has a 99 year, full repairing lease.

Our vision in managing the Community Centre is to provide a multi-use, multi-generational community hub of excellence that is widely used by the people of Arnold. We will build community, be a catalyst for volunteer projects and partner with others to increase social provision.

The strategic aims as outlined in our business plan are as follows:

- Encourage groups from every generation in Arnold to use and see the benefits of the community centre.
- Collaborate with other users and community groups to ensure a breadth of community provision across the town.
- Increase use of the community centre by people suffering economic hardship and social isolation.
- Increase revenue and cut costs to ensure the long-term viability of the community centre.

How we are fulfilling our strategic aims:

Throughout 2021-2022, Eagles Nest Community Centre continued to be used as a vaccine site for Covid-19. The centre remained the only site providing vaccines in the NG5 area and during the winter months the centre was able to give around 1000 vaccinations per weekend.

This financial year has been much more stable with groups able to increase capacity and new groups opening due to Covid restrictions coming to an end. We also have been able to once again been able to hire out the centre to the local community for private functions.

Directors Trustees' Report (2)**

From October 2021 a wide demographic from the local area continued to benefit from use of the community centre. Regular users of the centre provided the following groups and services: friendship groups for seniors, exercise classes, youth and children performing arts clubs, personal development courses, first aid courses and baby and toddler sensory groups.

Once again we extend a huge thank you to our local community for your support in choosing Eagle's Nest Community Centre to hold your events.

The Trustees are satisfied that the charity has adequate resources to continue operating as a 'Going Concern' for the foreseeable future.

### **Reserves Policy**

The Reserve Policy agreed by the Committee is to maintain Unrestricted Funds in the form of bank deposits.

### **Public Interest**

The Directors aim to ensure management systems are in place to ensure that correct procedures are maintained for the safe operation of activities throughout the charity. Activities are planned which provide broad interest for all users in the locality of the community centre.

The Committees' 'Quality Assurance' sub committee is committed to raise standards and safeguard young people. As part of this review, management systems are in place to ensure that correct procedures are maintained for the safe operation of activities throughout the Association.

### **Statement of Trustees Responsibilities**
