The charity also employs 6 teachers and 2 teaching assistants for the Saturday supplementary school.

The school cooperates with other Czech and Slovak Schools in the UK and is a member of the Association of Czech and Slovak Schools in the UK.

The charity also works closely with the Embassy of the Czech Republic in London and the Consulate General in Manchester.

The trustees identified as the major risk to our activities frequent lack or limited number of suitably qualified teaching staff, so we are on a constant look-out for new colleagues.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance education for the public benefit in particular but not exclusively in the language, history, geography, the arts, culture and heritage of the Czech Republic by:

- teaching the Czech language and Czech history and geography to children and young people;
- teaching the Czech language to adults;
- promoting and organising events that support Czech culture, art and folklore; and
- organising educational trips for children and young people

The promotion of social inclusion for the public benefit among people who are nationals of the Czech Republic settling in the North West region of England who are or feel they are socially excluded by providing:

- education and training in the English language;
- support and general advice; and
- social and recreational facilities and events involving the local community.

"Socially excluded" means being excluded from society or part of society.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings.

The main focus of our activities was on the education of classes for Czech speaking school-age children (Year 1 – 9 plus a class for children who learn Czech as a foreign language), and 3 pre-school classes for children age 3 – 5 years. In total, we had 58 children enrolled. We open the class for the smallest children (1.5 – 3 years) with their parents. All children lessons were held at St Teresa's RC Primary School in Old Trafford, Manchester on Saturdays term-time only, in total 36 sessions of 3 hours each.

For the whole Czech community, we organise a number of expats events, for children, whole families as well as Czech adult population. We've been able to renew our traditional events such as Cimbalom music evening, Saint Nicolas day for kids on December, Costume party before the Lent period or Czech is fun (theme educational games). We also organize some new events and make nice tradition of Easter eggs decoration or Christmas wreath making. In the end of the school year we had BBQ when we provided certificates to our kids.

We also run the Czech Community Centre in Manchester, where we provide evening adult courses, more workshops for children and families, cultural events for both children and adults, run our holiday club-like Czech language learning clubs for children, as well as provide the school with a solid base that would support the high quality of teaching and learning we are endeavouring to provide.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Volunteers participation on the planning, management and execution of our events is still below the level we would have liked. All our events as well as main activities are run by the trustees and two main employees. It is our current aim to try to involve more our community in the everyday running of the organisation. That said, we are very grateful to the parents of the children enrolled at the school who support our events with contributions to our food stalls or raffle and who help with some of our events.

Summary of the main achievements of the charity during the year

We have successfully completed first full year of running the Czech Community Centre which fulfils our charity objectives of Promoting and organising Czech culture, art, and folklore events and Providing support and general advice to nationals of the Czech Republic and Slovakia settling in the North West region of England.

Through careful financial management we have also almost doubled our net profit, stabilising thus the organisation in the post-covid environment.

Section E Financial review

Brief statement of the charity's policy on reserves

Although we do not have an official policy on reserves, we monitor our cash flow very carefully and always have funds to cover the vitals costs during the year, such as rent and teachers' payments.

Details of any funds materially in deficit

Not applicable

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Main income of the school is from the school fees. We keep them to the bare minimum as we want the school to be affordable to the widest possible community. The fees have remained on the same level since the school opened in February 2011.

The fees are supplemented by our fundraising activities during our events, such as raffle, food donations to our food stalls, etc.

We are also recipients of grants from the Czech Ministry of Education and the Ministry of Foreign Affairs of the Czech Republic.

Following the contractual agreement with the Department of Education we will also be recipients of a regular subsidy based on number of pupils, teaching costs and a coefficient as set up by the DofE of the Czech Republic.
