WORLD HEALING CENTRE

Report of the Trustees for the Year Ended 31st March 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The object of the CIO is "to crusade for world brotherhood through love and faith in God as revealed by our lord Jesus Christ". This includes offering help to those that request it, acknowledging our commitment to serve others and the fellowship of humankind. The charity aims to achieve this through, but not limited to, spiritual outreach, running seminars, workshops and retreats to provide support to the local community and other worthy and deserving groups.

Our support is available to help meet with courage and discernment the spiritual challenges which we all face along the path to union with the Divine Source of our being.

We have completed a major renovation of our historic building in order to facilitate our expanded and enhanced activities.

Significant activities

We aim to assist all human beings to find their individual truth and connection through spiritual teachings and prayer. We embrace the individuality of all beings and understand that self-empowerment is the key to a peaceful and fulfilled life. We deliver a weekly programme including a range of inspiring activities as well as one off events to assist our community to connect and grow.

We facilitate a range of activities from Monday to Friday between the hours of 9 am and 4 pm. We offer daily meditation, spiritual classes and workshops in emotional wellbeing, mindfulness, meditation, yoga, dance, music and creativity. Membership is free to our local community as are the majority of our services.

We publish two magazines and two newsletters each year which are distributed to approximately 1200 members across the Globe. The publications are designed to inform, uplift and inspire the readers. We encourage contributions from the charity's staff, volunteers and members to ensure that the content is diverse and inclusive.

Members who write to us are provided with a prompt and relevant reply and we accompany our letters with inspiring cards and information leaflets to assist in the awakening journey. We also send inspiring quotes, weekly inspirations and wisdom to our email subscribers.

Additionally, we provide a meeting space for a range of external groups to support bringing our community together.

Public benefit

The public receives a variety of free self-development classes and sessions to assist with personal growth and emotional resilience. We also provide a wide range of publications and literature to support our teachings and groups. We provide personal and spiritual support to those who contact us whether by telephone, in writing or in person. Everybody is welcome to join our growing community.

We offer free hot lunches three days a week to support local communities through the cost of living crisis along with free refreshments to encourage people to view the premises, to meet our staff and volunteers and find out more about our activities and services.

The Trustees recognise the Charity Commission public benefit guidance and have taken this into account in their decision making.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

1. Emails, Letters and Phone Calls

We receive emails, letters and phone calls each day requesting prayers, advice and information. All are answered with care, kindness and compassion and replies are prompt and dealt with in a confidential manner. We also send Birthday, Easter and Christmas cards to our members.

2. Workshops / Classes / Talks

We have run many regular and ad-hoc events including: Silent Meditation, Mindfulness, Spiritual Teachings, Guided Meditation, Knit and Natter, Arts and Crafts, and Yoga. We have also started running weekend retreats which are offered to local communities as well as people living out of the area.

3. Interfaith Work

We offer to host the Interfaith Forum on behalf of Blackpool Council bringing our community together through faith. The charity is licensed to conduct wedding ceremonies.

4. Community Groups

We have several community groups who use our premises including The Hindu Society, Amnesty International, AA and Blackpool Heritage.

FINANCIAL REVIEW

Principal funding sources

The Charity relies on the following two main sources of funding:

- Donations and Gifts, some of which attract tax benefit from Gift Aid.
- Legacies.

Investment policy and objectives

Aside from retaining a prudent amount in reserves each year, the charity's funds are invested in FSCS guaranteed deposit accounts to ensure maximum protection of the funds.

Reserves policy

As the charity relies entirely on voluntary contributions, which the Trustees are unable to anticipate with any degree of accuracy, the Trustees' policy on Reserves needs to be flexible. The current policy on Reserves is that the 'free reserves' i.e. funds not invested in Tangible Fixed Assets, should be retained to meet foreseeable expenditure over a period of twelve months, which equates to approximately £150,000. At 31st March 2023, these reserves amount to £377,571 (all of which are unrestricted) which is above the target level. The increase in reserves was expected due to the receipt of several legacies during the financial year.

During the year the charity's total income was £134,471 and total expenditure was £287,034, resulting in a deficit before any revaluation gains/losses of £152,563.

FINANCIAL REVIEW

Going Concern

The financial statements have been prepared on a going concern basis. This is the conclusion of the Trustees after taking full consideration of the uncertainties faced by the charity resulting from the Covid-19 pandemic that continues to affect both the UK and World's economies.

In preparing these financial statements the Trustees are required to prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

Greater demand has been placed on the charity's financial resources due to Covid-19 and the various enforced closures of day to day operations that have had to be endured. This forced the Trustees to revisit their financial projections for the next twelve months after assessing the impact of limited or no individuals accessing the services offered.

Prudent assumptions have been made on the impact on each of the charity's revenue streams and how it can reduce costs whilst limiting the impact on the charity's ability to generate future income as soon as the pandemic is over and there is a return to operating as normal.

Whilst closed, the charity made cost savings and also, unlike many establishments, the charity owns the premises it operates from therefore there are no rent commitments to be met. The charity has also taken advantage of government support by accessing the Coronavirus Job Retention Scheme. The charity is also in the fortunate position that its main income stream of legacy income isn't directly affected by the pandemic. For example a large amount of legacy income has been received by the charity during the financial year.

The Trustees have reviewed in detail the charity's updated cash flow projections and funding options and considered the charity's ability to discharge its liabilities as they fall due. In doing so, and despite the challenges faced, they have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The Trustees therefore continue to adopt the going concern basis of accounting in preparing the annual financial statements.

FUTURE PLANS

1. To create various funding streams to ensure the charity is self-sufficient and viable for the future.
2. To create a large multi-use (meetings/conferences/groups) space by extending the previous garage building in the garden.
3. Extend our programme of free activities between Monday and Saturday to provide our community with a range of services to assist with self-empowerment, development and growth.
4. Develop and promote an Employee Health and Wellness Programme to local employers.
5. Facilitate monthly on-site weekend retreats for our community and global audience.
6. Work in collaboration with other organisations and agencies to secure social funding programmes to create community projects and events
7. Hire our rooms and buildings for meetings, training and events.
8. Continue to expand our interfaith services in collaboration with Blackpool Council and the faith community in Blackpool.
9. Continue to expand our on-line and social media reach.
10. Seek to appoint other Trustees to create a well-balanced expert Board.
11. Host spiritual festivals and events in collaboration with local organisations and charities.
12. Increase our outreach work to deliver relevant services further afield.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The charity is a Charitable Incorporated Organisation (CIO) registered by the Charity Commission on 24th November 2016. Prior to this, the charity operated as an unincorporated charity, known as World Healing Crusade (Reg No. 232409). All funds were transferred to the CIO on 24th November 2016. The CIO is governed by its Constitution, which was first adopted on 22nd October 2014, later amended on 31st October 2017.

Recruitment and appointment of new trustees

The Trustees are always prepared to recruit new Trustees who express enthusiasm to assist in furthering the aims and objectives of the charity. With this in mind the Trustees meet and discuss with those who are recommended, taking account to ensure there is an appropriate combination of skills, interests and gender. New Trustees are appointed by a resolution passed at Trustees' meeting.

Organisational structure

The charity is governed by its Trustees, who meet at least twice a year. The Trustees are responsible for formulating the strategy and policies for the CIO as a whole, including the approval of budgets and the exercising of financial controls through regular financial reporting. The senior management attend all Board meetings, unless unable to do so. A scheme of delegation is in place whereby day to day responsibility and decision making rests with the principal officer. Matters such as change of policy, staff remuneration and items of material one-off expenditures, are tabled for discussion and decisions about these are made at Trustee Meetings.

Induction and training of new trustees

As part of their induction programme, the new Trustees are made aware of their responsibilities as Board Members. This induction includes an introduction to the objectives, scope and policies of the charitable funds, Charity Commission information on Trustee responsibilities, copies of the latest Trustee Annual Reports and Accounts, and the CIO's constitution.

WORLD HEALING CENTRE

Statement of Trustees' Responsibilities for the Year Ended 31st March 2023

The trustees (who are also the directors of World Healing Centre for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website.

Independent Examiner's Report to the Trustees of
World Healing Centre

Independent examiner's report to the trustees of World Healing Centre ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st March 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

WORLD HEALING CENTRE

Notes to the Financial Statements for the Year Ended 31st March 2023

1. LEGAL FORM

World Healing Centre is a Charitable Incorporated Organisation (CIO), which is registered in England. The registration details are stated on page 4.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The presentation currency of the financial statements is the Pound Sterling (£).

No significant judgements have had to be made by the trustees in preparing these financial statements.

The financial statements have been prepared on a going concern basis. This is the conclusion of the Trustees after taking full consideration of the uncertainties faced by the charity resulting from the Covid-19 pandemic that continues to affect both the UK and World's economies. Despite the challenges faced, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The Trustees therefore continue to adopt the going concern basis of accounting in preparing the annual financial statements. Further detail can be found in the Report of the Trustees.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 25% on cost
Computer equipment	- 25% on cost

Taxation

The charity is exempt from corporation tax on its charitable activities.

WORLD HEALING CENTRE

Notes to the Financial Statements - continued
for the Year Ended 31st March 2023

2. ACCOUNTING POLICIES - continued

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are value at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.
