TRUSTEES' REPORT (CONTINUED)

FOR THE PERIOD ENDED 31

TRUSTEES' REPORT

FOR THE PERIOD ENDED 31 DECEMBER 2021

The Trustees present their report and financial statements for the period ended 31 December 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Seven Spikes's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

Seven Spikes Relief Foundation was established as a charity for the public benefit to promote the education, general charitable purposes, relief of those in (age, disability, ill-health, financial or other disadvantage) and prevention or relief of poverty of the people in the underdeveloped regions in such a way as charity trustees think fit including by:

- Providing help and relief to people under abject poverty in destitute areas in third world countries,
- Sponsoring and financially supporting orphans and widows having no or insufficient income,
- Providing cost of essential medical help for urgent cases that cannot afford medical expenses,
- Funding income-generating to employ the needy to help them earn their living,
- Supplying of basic goods (food, clothes, essentials etc.) for those in dire need,
- Providing educational help and service for children and individuals for free or at subsidized prices.
- Establishing educational and health centers of charitable nature in disasters afflicted areas and underdeveloped communities.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities Seven Spikes should undertake.

Our strategy for the achievement of these objects is to identify areas where emergency or priority aid is required the most and then to establish projects that will help meet those needs. We then fundraise for such projects and establish them on the ground through field partners and with the help of our own local volunteers and workers. We assist and monitor project delivery and success throughout the period assessing the level of need to ensure the beneficiaries are receiving the aid which is relevant and impactful and donor funds are being used ethically to maximum effect.

Use of Volunteers

The Charity is grateful for the unstinting work of its volunteers who are involved in the service provision and fundraising activities. The trustees are giving their time free of any charges to promote Seven Spikes's activities in the UK and abroad. The trustees would like to acknowledge the tremendous efforts of the volunteers and many supporters of the charity for their continuous support in helping Seven Spikes to achieve its objectives.

Achievements and performance

During the period ended 31 December 2021, Seven Spikes generated incoming resources of £659,377 and expensed resources of £468,162. Seven Spikes continued to generate voluntary income during the period, in form of general donations, Zakah funds, as well as charitable collections from the public and fundraisers at mosques to enable the Charity to fulfil its objectives.

The results of financial statements show a surplus of £381,840 compared to a surplus of £190,625 in previous financial period. Donations and Income is increased from £370,400 to £659,377 for the period, benefiting from the expansion of the Charity which resulted in receiving an increased number of donations from new and existing donors and increased number of fundraisers at mosques and a number of fundraising challenges undertaken by trustees and the Charity's supporters. Consequently, the trustees are pleased with the performance of fundraising strategies.

TRUSTEES' REPORT (CONTINUED)

FOR THE PERIOD ENDED 31

The Board of Trustees will continue to review the reserve policy on an annual basis to ensure adequate funds are available to meet obligations and ever increasing numbers of emergencies. This policy proved its effectiveness in enabling the Charity to respond swiftly and effectively to unprecedented challenges such as the Covid-19 situation.

During this financial period, Seven Spikes Relief has provided the following aid to the following regions:

In Palestine, Seven Spikes has provided substantial relief work for the victims of the War on Gaza Strip through providing thousands of meals and food packs for victims of war, paying for the rent of those whose homes were demolished and for the medical aid of those injured. We also provided cash support for many affected families. Before the war, we provided hundreds of food packages for hundreds of Palestinian families in Gaza strip and the west Bank. After the war, we funded hundreds of small surgical operations for poor children and tens of advanced surgical operations for adults in Gaza. Seven Spikes also installed a Central Water Well in Al-Bureij area of Gaza Strip that produces around 1,000,000 liters per day. In addition, we installed two big water filtration plants in Khan Younis and Abl-Bureij areas of Gaza. Each plant filters over 120,000 liters of clean filtered water per day for the needy residents of these two areas. We also distributed Eid clothes for hundreds of poor children in Gaza Strip in addition to Qurbani meat for hundreds of individuals in Eid-ul-Adha.

In Syria, Seven Spikes has started its residential village project to provide 100 houses for 100 displaced Syrian Families in Deir Hassan area of Idlib, Northern Syria. We have also distributed hundreds of food packages and Qurbani meat to the needy displaced Syrian families in Northern Syria

In Yemen, Seven Spikes has provided monthly financial support for hundreds of individuals and families and we have distributed hundreds of food packages to the needy as well as Qurbani meat to hundreds of families during Eid-ul-adha and afterwards. In addition, we have funded the medical cost of some extremely poor individuals who needed emergency medical intervention and medication.

In Bangladesh, we have accommodated tens of orphans at our Seven Spikes Orphanage at Pass Darilla, Nandail Town. The Orphanage, at its first phase, accommodates 50 orphaned children, boys and girls, and provides them with accommodation, food, education and 24/7 care and supervision. We have also continued to provide poor families with food packages during and outside Ramadan and Qurbani meat during Eid-ul-Adha and afterwards. In addition, we have implemented some water projects in rural Bangladesh.

For the Rohingya refugees in Bangladesh, we carried on our work of fixing malfunctioned water wells, providing food packs, meat as well as basic material for the Rohingya refugees with the help of Seven Spikes team in Bangladesh.

In Egypt, we continued to provide regular monthly financial aid to hundreds of individuals and tens of poor families, mainly widows and orphans, based on the size, needs and other financial considerations of each family. We also distributed hundreds of food packs during the holy month of Ramadan and helped some poor girls in their marriage costs and some critically ill people with the cost of medical care.

In Pakistan and Kashmir (Pakistan-administered) Seven Spikes has provided monthly stipend for hundreds of widows and orphans who lost their breadwinners. We also distributed hundreds of emergency food packages for extremely poor families and Qurbani meat during Eid-ul-Adha and Aqeeqah meat afterwards.

In Jammu & Kashmir (India-administered) Seven Spikes Relief has funded the refurbishment for Batote School which provides essential education for hundreds of underprivileged children. Seven Spikes has also provided funding towards buying a school bus for Al-Huda Public School in Bhatti, Ramban area of Jammu to make education accessible for children who live far away from the school. We also funded a medical operation for a child who was born with disability.

In Kenya, Seven Spikes Relief continued to provide tens of extremely needy families and hundreds of individuals with monthly stipend to meet their basic needs. In addition, we distributed hundreds of food packages for the needy and meat of tens of sacrificial animal throughout the period for hundreds of deprived families. Seven Spikes has also dug 9 water wells in various drought afflicted villages of Tana River Area in Kenya.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF SEVEN SPIKES RELIEF FOUNDATION

I report to the Trustees on my examination of the financial statements of Seven Spikes Relief Foundation (Seven Spikes) for the period ended 31 December 2021.

The report is solely made to the trustees as a body, in accordance with the Charities Act 2011. My examination has been undertaken so that I might state to the trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the trustees as a body, for my examination, for this report, or for the opinion I have formed.

Responsibilities and basis of report

As the Trustees of Seven Spikes you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of Seven Spikes's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Seven Spikes's gross income exceeded £25,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of Seven Spikes as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

SEVEN SPIKES RELIEF FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE PERIOD ENDED 31 DECEMBER 2021

1 Accounting policies

Charity information

Seven Spikes Relief Foundation is an UK registered Charity. The registered office address is 49 Heathcote Court, Heathcote Avenue, Ilford Essex IG5 0QR.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Seven Spikes's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Seven Spikes is a Public Benefit Entity as defined by FRS 102.

The Seven Spikes has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Seven Spikes. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Seven Spikes has adequate resources to continue in operational existence for the foreseeable future. In addition, the Trustees have no intention to wind the company up in the foreseeable future.

The Trustees consider that there are currently no material uncertainties which impact on the charity being able to continue in its current form. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the Seven Spikes is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Seven Spikes has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

FOR THE PERIOD ENDED 31 DECEMBER 2021

1 Accounting policies

(Continued)

Income from sale in the charity's eBay shop is recognised at the point of sale. All trading exercised in the course of carrying out a primary purpose of the charity.

1.5 Expenditure

Expenditure is recognised when it is incurred. Expenditure is reported gross of related income.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	25% on written down value
Motor vehicle	25% on written down value

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the period.

1.7 Impairment of fixed assets

At each reporting end date, the Seven Spikes reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The Seven Spikes has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Seven Spikes's balance sheet when the Seven Spikes becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Seven Spikes's contractual obligations expire or are discharged or cancelled.

1.10 Taxation

Seven Spikes Relief Foundation is a registered charity and as such is a charity within the meaning of schedule 6 of the Finance Act 2010. Accordingly, the Charity is potentially entitled to tax exemption under part 11 of the Corporation Tax Act 2010 or section 256 of the Taxation of Chargeable Gains Act 1992 in respect of income and gains arising

2 Critical accounting estimates and judgements

In the application of the Seven Spikes's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
