Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>As a charity, we have worked hard to ensure that vitiligo is represented as a condition at the British Association of Dermatologists (BAD) and in the NHS Working Group relating to the management of teledermatology.</p> <p>We advocate for patients by representing them on committees such as the Patient Engagement Workstream at the BAD where we ensure that we can canvass the views of our members on issues that arise in relation to current topics, such as the use of images to triage patients into the dermatology service.</p> <p>We contributed to the "Vitiligo" chapter of the book <i>Skin conditions in young people: A practical guide on how to be comfortable in your skin</i> by Tess McPherson in order to help young people with vitiligo and educate them about treatments for their condition and managing its impact.</p> <p>Our work on the Guidelines for managing patients with vitiligo enabled us in particular to represent the importance of including psychosocial impact as an assessment</p>

		criteria for access to secondary care, as we have first hand experience through our membership in this being one of the key impacts of the skin disease.
