## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>We transitioned from Covid lock down and enabled families and individuals especially those with special needs and disabilities to overcome anxiety of coming out to engage. We make them aware of activities close to them that they can connect with. We provided social connection activities. They are encouraged to come out to our food hub to pick up food surplus we redistribute</p> <p>We also saw an increased no of individuals/families getting in touch to join to become members and some have become volunteers to give back based on support they received during Lock Down. We have been able to access free training for our volunteers to upskill them and they in turn go into their communities to be provide information on services.</p> <p>We had an increase in donations of food and essentials which we redistributed and signed up to new food redistribution organisations to increase our reach due to increased no of those requiring food top up supplies which included those on working a low income .</p>

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>During Covid Lockdown well-beings calls to members where made regularly by trained volunteers and doorstep food delivery to vulnerable families and individuals who had to shield due to underlying conditions and caring responsibilities including health and online well-being sessions facilitated by professionals which had a positive impact on the social emotional and mental well-being of community members. We also saw an increase in individuals/families getting in touch to request well-being checks and sign posting to statutory services by our social welfare volunteer advisors. We saw an increase in donations of food and essentials which we redistributed.</p> <p>Families and individuals were made aware of how to access specialist support services and apply for additional help for example we supported parents and carers who faced digital exclusion in filling forms for access to laptops, tablets, and fuel cards , mobile top ups etc due to covid lockdown, job loss, low income, disability etc and this enabled children and young people to access school work, and families make connections etc</p>
