

RAN Trustees Annual Report June 23 - June 24

RAN continued fundraising, with a focus on supporting Turkey earthquake victims, raising £2797, identifying, undertaking due diligence then sending money to Eurorelief Hella, our assured partner in the field.

RAN also worked with the UK wing of Isan Children's Charity, who are supporting displaced Palestinian refugees on and around the Raffa crossing in Egypt.

RAN Trustees continued to meet formally once a month online, and speak weekly about ongoing projects and ideas.
