ST NICHOLAS COMMUNITY ASSOCIATION

TRUSTEE'S REPORT

FOR THE YEAR ENDED 31ST MARCH 2024

The trustees have the pleasure in presenting their annual report, together with the unaudited accounts for the year ended 31st March 2024.

Charitable Objectives and Activities

The principal activity of the charity is to promote the benefit of the inhabitants of the St Nicholas area of Stevenage, by associating with local authorities, voluntary organisations and inhabitants in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the object of improving the conditions of life for the said inhabitants.

Additionally to establish or to secure the establishment of a community building and to maintain and manage or to co-operate with any local statutory authority in the maintenance and management of such a centre for activities promoted by the charity and its constituent bodies in furtherance of the above objectives.

The trustees confirms that they have had regard for the Charity Commission guidance on public benefit.

Governance

The charity is governed by the constitution dated 16th April 1975, which was later amended on 19th August 1994.

Achievements and Performance and Financial Review

At the year end, the charity held cash funds of £37,264 (2023 - £35,974) in various bank accounts and with a small amount of cash in hand also.

The receipts and payments account this year shows a net surplus of £1,290 (2023 - £18,871 net deficit).

Risk Review

The trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining reserves, combined with an annual review of the controls over key financial systems will provide sufficient resources for normal operating risks. The trustees have also examined other operational and business risks which are faced and confirm they have established systems to mitigate significant risks.

Reserves Policy

In the past the St. Nicholas Community Association has suffered a number of financial difficulties, are a result of unforeseen and unbudgeted expenditure or, more usually, unanticipated reductions in income. The intention of this reserves policy is to ensure that the organisation has adequate funds to meet both forecast and unexpected expenditures.

The current Trustees have reviewed and endorsed this policy, which is to try to build up and maintain a level of reserves in the form of cash deposited with banks or other sound financial institutions which can be accessed at short notice, and which would provide the charity with three months income.

The likely impact of significant bank balances on the attitude of our principal grant providers, the probable scenarios which would result in a sudden and significant reduction of income, the undesirability of leaving large sums of money in the bank doing nothing for our area of benefit.

ST NICHOLAS COMMUNITY ASSOCIATION

TRUSTEE'S REPORT

FOR THE YEAR ENDED 31ST MARCH 2024

The current Trustees have reviewed and endorsed this policy, which is to try to build up and maintain a level of reserves in the form of cash deposited with banks or other sound financial institutions which can be accessed at short notice, and which would provide the Association with three months income, if all other sources of income dried up. In arriving at the three months income figure, the Trustees took into account:

- 1) the likely impact of significant bank balances on the attitude of our principal grant providers,
- 2) the probable scenarios which would result in a sudden and significant reduction of income,
- 3) the undesirability of leaving large sums of money in the bank doing nothing for our area of benefit.

Chairman's Report

The chairman's report is included as an appendix to these accounts.

Statement of trustees responsibilities

The law applicable to charities in England Wales requires the trustees to prepare financial statements for each financial year which gives a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing these financial statements the trustees are required to :

- a) select suitable accounting policies and then apply them consistently;
- b) make judgements and estimates that are reasonable and prudent;
- c) state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- d) prepare the financial statements on a going concern basis unless it is inappropriate to presume that the association will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the association, and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations and the provision of the associations governing document. The trustees are also responsible for safeguarding the assets of the association and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees declare that they have approved the trustees report signed on behalf of the charity's trustees above.

INDEPENDENT EXAMINERS REPORT

FOR THE YEAR ENDED 31ST MARCH 2024

I report on the accounts of the charity for the year ended 31st March 2024, which are set out on pages 6 to 8.

Respective responsibilities of trustees and examiners

As the charity's trustees you are responsible for the preparation of the accounts. You consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145 (5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiners report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met.
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
