Summary of the objects of the charity set out in its governing document	<p>For the benefit of the public to relieve the suffering of dogs in need of care and attention and to promote humane behaviour towards them by providing appropriate care, protection, treatment and security for those which are in need of care and attention by reason of sickness, maltreatment, poor circumstances or ill usage, in particular but not exclusively in Thailand.</p>
---	---

During this year the charity has provided grants for dog centres to enable them to carry out neutering programmes and rescue dogs from dangerous situations. Due to changes in circumstances a lot of fundraising was put on hold, however monthly donations and online fundraising continued. The Headrock Dogs (Thailand) website <https://www.headrockdogs.org/news-stories> and Facebook pages document numerous cases where funds we have provided, have alleviated the suffering of dogs and enabled the local Thai community to benefit from caring for their animals. Expenditure documents are also shown on the website to demonstrate that funds have been spent carefully.

K9Aid and Cuddly have continued to raise money for the charity and Headrock Dogs (Thailand) are working with Compassion Sans Borders to sterilise Temple, Street and Beach Dogs.

Plans for new Trustees to recommence fundraising are in progress.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

Grants are provided in accordance with the Headrock Dogs Grantmaking Policy. Grants are applied for by email and granted when specific needs are documented. Each project must meet the objectives set out in our government document. Volunteers run the website and social media accounts which feature fundraising campaigns.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Alongside the general running and expansion of the Headrock Dogs centre in Thailand, the collaborative work we have done to fundraise with K9Aid and Cuddly has enabled the centre to continue to thrive. The partnership with Compassion Sans Frontiers has also enabled them to ensure as many dogs as possible in temples, on the streets or on the beach are neutered and fully vaccinated.

We have promoted animal welfare through campaigns on social media and with our support and funding dogs have been rescued and treated for injuries from car accidents, poisonings, cases of cruelty and illnesses like cancer, mange and parvo.

Brief statement of the charity's policy on reserves

Headrock Dog Rescue does not currently hold reserves. This is because its income levels are currently only sufficient to provide day to day support for Headrock Dogs Thailand.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Fundraising through Facebook, K9Aid and Cuddly campaigns raise a great deal of our funds through the Paypal system. Sponsorships from individuals are now our other principle income streams. Grants made to Headrock Dogs Thailand have funded a wide range of projects detailed above and on the website, which relieve the suffering of dogs and promote humane behaviour towards them.

Section F Other optional information

The trustees declare that they have approved the trustees' report above.

Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2024.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
