Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

We provide training to care givers and staff who provide essential care to children and young adults with mild to severe disabilities. We provide equipment and essential items to improve the lives of vulnerable individuals. We support local Romanian charities who support these same children. We purchase equipment, when needed, to benefit the lives of children living in government run homes.

Continued Support of a group for children and adults with special needs.
Support of a food bank which was under extra pressure due to the pandemic.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The global pandemic has slightly altered the way we are able to support our beneficiaries. During the lockdowns in Romania our Romanian representative was able to support some families in need, by providing food and PPE. Due to social distancing requirements the support group that we help to fund, was unable to function. When restrictions were eased, the group was able to function again, and we continued our support by funding equipment and recourses for physiotherapy and occupational therapy.

This year we also provided funds for another local charity to buy new tyres for the van that they use to transport vulnerable individuals to the support group.

We also continued to fund transport for children with severe special needs to attend physical therapy sessions.

Section E

Financial review

Brief statement of the charity's policy on reserves

Due to the nature of the support we provide, we feel it is important to have reserve funds in the bank, in case any of our beneficiaries require emergency support or treatment.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
