## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

The promotion of equality and diversity for the public benefit by promoting activities to foster understanding between people from diverse backgrounds and the prevention or relief of poverty in the UK and overseas by providing: grants, items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Trustees have had regard to the public benefit guides PB1, PB2 and PB3 when making decisions they are relevant to. New trustees must read these documents, which are must be taken into consideration when planning the charity's activities for the ahead.

The following statement summarises the way in which the Vivekananda Human Centre have contributed to the public benefit:

The Vivekananda Human Centre promotes the philosophy of Ramakrishna-Vivekananda of Human Excellence, Unity in Diversity, Universal Tolerance, Harmony and Peace. It stages events through the course of the year to foster understanding between people from diverse backgrounds - regardless of age, belief, gender or sexuality. Events include an annual "Festival of Unity and Diversity" which brings together people of different religions to celebrate equality and diversity

The Vivekananda Human Centre benefits the general public by fostering a greater understanding and respect of diversity in British society. This is considered more important now than ever due to the rise of intolerance, and as such there is a need for an organisation to counter that through promotion of equality and diversity, and religious harmony, in particular that philosophy as developed by Swami Vivekananda.

In addition, the charity has responded to the identified need – and request from the trustees, volunteers, members and supporters of the charity – to address hardship and nutritional support for people living in poverty as well as provide educational support for vulnerable and marginalised young people in both the local communities where the charity conducts activities in the UK, as well as overseas, particularly India, Bangladesh and Nepal.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Many people volunteered to support the organisation, as well as participating in the events, over the course of the year. Many young people participated in the music, reading and dance activities in the event, as well as helping with the distribution of food, clothes and educational support materials. This has helped to build their confidence, as well as knowledge and understanding of interfaith work, the importance of diversity and respect for other peoples.

Also, a number of older people also actively volunteered to help in the organisation of events. Meditation and prayers are led by such volunteers which supports the mental health of participants.

As the Vivekananda Human Centre does not have any staff, the contribution of volunteers play a vital role to enable the organisation to conduct its activities.

**Summary of the main achievements of the charity during the year**

We celebrated Swami Vivekananda's Birthday on 12 January 2024. We continued to distribute food in the UK through the Vivekananda Food Bank in 2024, and distributed food, clothes and educational support materials & Vivekananda scholarships in India, Bangladesh and Nepal, as we did last year, to mark the occasion of Swamiji's birthday in January 2024, Durga Puja and Diwali in October and November 2024.

In March 2024, we organised a Birthday Celebration of Sri Ramakrishna which also marked the Holi Festival at Scout Hall in South Woodford. The event included addresses, as well as recitations, readings and music.

In August 2024, we participated in the cultural programme, and distributed thousands of Swamiji's books, to mark the occasion of the Independence Day of India.

In September 2024 we reconvened the Vivekananda Festival with a flagship event to mark the 30<sup>th</sup> Anniversary of the Vivekananda Human Centre at the British Library. The event included a Youth Convention based on the theme of "Swamiji's Messages for the Modern Age" with students from universities including Bristol, UCL, King's College and Imperial College. The Guests of Honour included Revered Swami Balabhadranandaji Maharaj (Assistant General Secretary, Ramakrishna Math & Ramakrishna Mission Headquarters, Belur Math, India) and Revered Swami Sarvasthanandaji Maharaj (Minister-in-Charge, Ramakrishna Vedanta Centre, UK). Other keynote speakers included Councillor Samata Khatoon (The Mayor of Camden) and Mr Virendra Sharma (Former MP, House of Commons). Over 500 people attended.

In November 2024, we organised an event to mark Diwali and The Birthday Celebration of Holy Mother at Scout Hall in South Woodford. The event included addresses from an array of honoured guests including Revered Swami Sarvasthanda (Minister-in-Charge of the Ramakrishna Vedanta Centre, UK) and a musical performance from singer Ratul Parbat (Sa Re Ga Ma Pa, Kolkata, India). As well as recitations, readings and music.

We have attended many interfaith events and delivered Swamiji's Universal Tolerance, Unity in Diversity, Harmony, and Peace messages from Vivekananda Human Centre during Holocaust Memorial Day in January 2024 and UK Interfaith Week in November 2024.

We maintain a website at <https://www.vivekanandacentre.com> on which we feature all events and information about the work of the charity.

All new trustees will receive copies of the constitution as well as any relevant guidance from the Charity Commission. In addition, new trustees will receive copies of all Vivekananda Human Centre policies and procedures for their perusal and are encouraged to review them at least annually in line with Vivekananda Human Centre policy.

**Section C Objectives and activities**

**Summary of the objects of the charity set out in its governing document**

The promotion of equality and diversity for the public benefit by promoting activities to foster understanding between people from diverse backgrounds and the prevention or relief of poverty in the UK and overseas by providing: grants, items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Trustees have had regard to the public benefit guides PB1, PB2 and PB3 when making decisions they are relevant to. New trustees must read these documents, which are must be taken into consideration when planning the charity's activities for the ahead.

The following statement summarises the way in which the Vivekananda Human Centre have contributed to the public benefit:

The Vivekananda Human Centre promotes the philosophy of Ramakrishna-Vivekananda of Human Excellence, Unity in Diversity, Universal Tolerance, Harmony and Peace. It stages events through the course of the year to foster understanding between people from diverse backgrounds - regardless of age, belief, gender or sexuality. Events include an annual "Festival of Unity and Diversity" which brings together people of different religions to celebrate equality and diversity

The Vivekananda Human Centre benefits the general public by fostering a greater understanding and respect of diversity in British society. This is considered more important now than ever due to the rise of intolerance, and as such there is a need for an organisation to counter that through promotion of equality and diversity, and religious harmony, in particular that philosophy as developed by Swami Vivekananda.

In addition, the charity has responded to the identified need – and request from the trustees, volunteers, members and supporters of the charity – to address hardship and nutritional support for people living in poverty as well as provide educational support for vulnerable and marginalised young people in both the local communities where the charity conducts activities in the UK, as well as overseas, particularly India, Bangladesh and Nepal.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

We continued to distribute food in the UK through the Vivekananda Food Bank in 2022, and distributed food and winter clothes in Bangladesh and Nepal, as we did last year, to mark the occasion of Durga Puja and Diwali in October and November and the Holy Mother's Birthday in December.

In August 2022, we participated in the cultural programme, and distributed one thousand of Swamiji's books, to mark the occasion of the Independence Day of India at a national event at the Navnat Centre in Hayes. In appreciation of our active support, we were awarded a Certificate of Appreciation from the High Commission of India, London.

We maintain a website at <https://www.vivekanandacentre.com> on which we feature all events and information about the work of the charity.

## Section E

## Financial review

Brief statement of the charity's policy on reserves

Vivekananda Human Centre will work towards achieving reserves equal to 3 months of ordinary running costs through fundraising activities.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Funding for Vivekananda Human Centre in 2022 came from individual donors. Unfortunately, as we did not hold our annual Vivekananda Festival in July again, we did not generate any ticket sales or advertising this financial year. But, also, because we did not hold that event, our expenditure was proportionately less than in 2019, when we last held the Festival.

All funding secured has been channelled to support the project activities.

## Section F

## Other optional information

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. The accounts have been prepared on a going concern basis.

**Summary of the main achievements of the charity during the year**

This year the Vivekananda Human Centre did not stage any public events, due to concerns relating to public safety resulting from the continuing COVID-19 pandemic. We are then undertaking continuous monitoring and reviews to determine when it is appropriate to hold large-scale indoor events again in the future, in consultation with prospective attendees. At the point that we do so, we will ensure that we are compliant with government recommendations.

We are continuing to distribute food in the UK through the Vivekananda Food Bank, and distributed food, winter clothes and educational support in Bangladesh, India and Nepal, as we did last year, to mark the occasion of Durga Puja and Diwali in October and November, the Holy Mother's Birthday in December, and then in January to mark the Birthday Celebration of Swami Vivekananda, and March to mark the Birthday Celebration of Ramakrishna.

We made a donation towards welfare support to the Ramakrishna Mission in Belur Math in India which will go towards assisting the activities of the Viveka Tirtha Centre. We will continue to support the initiative if we have any surplus funds in future.

We maintain a website at <https://www.vivekanandacentre.com> on which we feature all events and information about the work of the charity.

**Summary of the main achievements of the charity during the year**

This year the Vivekananda Human Centre staged just one public event in 2020, which was the Birthday Celebration of Sri Ramakrishna Festival of Unity in Diversity & Holi Festival 2020 at Forest South Scout Group Hall, London on Sunday 8 March 2020.

There were songs directed by Gouri Choudhury (Head of Suraloy, Music School, London) and recitations by supporters of Vivekananda Human Centre and addresses by Councillor Phillip Abraham (The Former Town Mayor of Loughton), Mr Leon Silver (President, East London Central Synagogue), Councillor Zulfiqar Hussain (The Mayor of Redbridge) and Revered Swami Sarvasthananda (President, Ramakrishna Vedanta Centre, UK).

We were also able to mark the annual Birthday Celebration of Swami Vivekananda in January at which we organised a distribution of Swamiji's books, food and winter clothes as well as the award of educational scholarships to disadvantaged students in the UK, India, Bangladesh and Nepal. This was undertaken again on the occasion of Durga Puja and Diwali in October and on the occasion of Holy Mother's Birthday in December.

Unfortunately, due to COVID-19, and the lockdowns that resulted from it, our calendar of events was severely disrupted in 2020. As such, a decision was made not to stage our annual showcase event at Logan Hall in July. We are then undertaking continuous monitoring and reviews to determine when it is appropriate to hold large-scale indoor events again in the future, in consultation with prospective attendees. At the point that we do so, we will ensure that we are compliant with government recommendations.

In addition, we also provided welfare support for Ramakrishna Math and Ramakrishna Mission in India and Bangladesh and distributed food and clothes to disadvantage people impacted by COVID-19.

We maintain a website at <https://www.vivekanandacentre.com> on which we feature all events and information about the work of the charity.
