## **Report of the Trustees**

The Trustees of the Roper-Hall Eye Foundation CIO (“the Charity”) have pleasure in presenting their report and financial statements for the year ended 31 December 2021. The Charity was registered with the Charity Commission on 15 December 2016 and the final funds were transferred from the Birmingham Eye Foundation (‘BEF’) on 21 May 2018 when BEF ceased activities.

The financial statements comply with the Charities Act, the Charity’s Constitution and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (updated 1 January 2019).

### **OBJECTIVES AND ACTIVITIES**

The Charity’s objects are to promote education and research into the study of ophthalmology for the public benefit, in particular but not exclusively by:

- Supporting world-class scientific and clinical research into sight loss and other manifestations of eye disease;
- Enhancing the education and training of professionals involved in eye care and in ophthalmic research and education;
- Supporting engagement with patients and the public to better understand eye disease and support eye health.

The Charity will undertake the following activities in order to fulfill its objectives:

- Continue to support the Birmingham and Midland Eye Hospital Alumni meetings
- Continue to support the Roper-Hall Medal and the Sir Adrian Cadbury Lecture
- Continue to support activities that meet the Charity’s objectives
- Promote the named University of Birmingham medical student electives bursaries and conference travel awards
- Recruit to other Trustee vacancies as necessary

The Trustees confirm that they have referred to the guidance contained in the Charity Commission’s general guidance on public benefit when reviewing the Charity’s aims and objectives and in planning future activities.

## **Report of the Trustees (continued)**

### **ACHIEVEMENTS, PERFORMANCE AND FUTURE PLANS**

In the current year the Charity has provided support for the Birmingham and Midland Eye Hospital Alumni meeting, the Roper-Hall Prize Medal and the Sir Adrian Cadbury Lecture and maintained communication with the managers of the Barbara Mary Wilmot Discretionary Trust and continued processes for the University of Birmingham medical student electives bursaries and conference travel awards.

### **FINANCIAL REVIEW**

Comparing to last year, the pandemic had not continued to impact the Foundation in terms of the investment income. The valuation of investment portfolio was recovered and performed better than pre pandemic levels.

Overall, the Foundation experienced a steady year with investment income achieved of £46,380 (2020: £42,957). Total grants payments were £47,010 during the year (2020: £nil). The Foundation finishes the year ended 31<sup>st</sup> December 2021 with assets of £1,934,353 an increase of £199,032 on 2020. This is largely due to increased funds in the bank from investment income and donation & legacies received, plus a gain of £158,231 on the investment portfolio.

Based on the expected income and expenditure levels, Trustees consider that the Charity has adequate resources to maintain its ongoing work and expand its services as outlined above.

#### **Reserves policy**

Trustees have agreed to continue with their existing reserves policy as follows:

‘To maintain unrestricted funds at a level sufficient to cover management and administrative costs, to respond to emergency applications for grants which arise and to meet on-going commitments approved by Trustees’.

The Foundation has approximately £1.64m of investment assets and retains a cash reserve outside of the portfolio to ensure the ongoing costs and grant making ability of the charity does not result in having to sell of any of the assets held within the portfolio which represents the charity’s long term financial assets.

The foundation aims to distribute grants of between £30,000 to £40,000 per annum but this can vary from year to year depending on grant making opportunities and investment returns. The investment objective is to generate an income return of approximately 3-4% per annum over the long term.

Financial Statements  
for the year ended 31 December 2021

---

## **Report of the Trustees (continued)**

The free reserves at 31 December 2021 are in line with the policy and will be regularly reviewed with regard to both current and expected future expenditure.

### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

#### **Governing Document**

The Roper-Hall Eye Foundation CIO is a Charitable Incorporated Organisation and a registered Charity governed by its Constitution. The only voting members are its Trustees.

The Charity was registered on 15 December 2016 when it became a legal organisation. It commenced activity on 29 December 2017 following the transfer of initial funds and activities from the Birmingham Eye Foundation.

#### **Appointment of Trustees, induction & training**

New Trustees may be appointed by invitation to join the Board given that they have the necessary skills and experience to contribute to the Charity's activities and to be able to discharge their obligations as Trustees.

New Trustees will be provided with copies of the Charity's Constitution and all relevant policies and procedures and will be given the necessary training to enable them to carry out their duties as Trustees.

### **REFERENCE AND ADMINISTRATIVE INFORMATION**

The Charity is managed by the Chairman, the Honorary Treasurer and Honorary Secretary.

#### **Trustees:**

## **Statement of Trustees' responsibilities**

The Trustees are required to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the Charity and of the surplus or deficit incurred by the Charity for that year. In preparing those financial statements the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue to exist.

The Trustees have overall responsibility for ensuring that the Charity has an appropriate system of controls, financial and otherwise.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy, at any time, the financial position of the Charity and to enable them to ensure that the financial statements comply with the Charities Act 2011.

They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities and to provide reasonable assurance that:

- the Charity is operating efficiently and effectively;
- its assets are safeguarded against unauthorized use or disposition;
- proper records are maintained and financial information used within the Charity or for publication is reliable;
- the Charity complies with relevant laws and regulations.

## **Independent Examiner's Report to the Trustees of the Roper-Hall Eye Foundation CIO**

I report to the trustees on my examination of the accounts of the Roper-Hall Eye Foundation ('the Charity') for the year ended 31 December 2021 which are set out on pages 9 to 16.

### **Responsibilities and basis of report**

As the trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than the requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## **Principal accounting policies**

### **Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (updated 1 January 2019) – (Charities SORP (FRS102)) and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

The Roper-Hall Eye Foundation CIO meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

### **Going Concern**

The financial statements have been prepared on a going concern basis which assumes that the Charity will continue to operate. The validity of this assumption is dependent upon the Charity generating sufficient income to meet its commitments and in pursuing a viable budget. The Charity's business plan shows that the Charity will be able to operate in the foreseeable future. Based on this understanding the Trustees believe that it is appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments, which would result from the basis of preparation being inappropriate.

### **Funds**

Unrestricted funds are expendable at the discretion of the Trustees in the furtherance of the objectives of the charity and include funds designated for a particular purpose; the use of such funds remains at the discretion of the Trustees.

Restricted funds are funds subject to conditions imposed by the donor or by specific terms of the appeal under which the funds are raised. The restrictive conditions are binding upon the Charity.

### **Income**

All income is recognised in the Statement of Financial Activities when the Charity is legally entitled, ultimate receipt is probable and the amount can be quantified with reasonable accuracy.

### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Charity to the expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Roper-Hall Eye Foundation CIO  
Financial Statements  
for the year ended 31 December 2021

---

## **Principal accounting policies (Continued)**

### **Investments**

Investments are initially recognised at cost and subsequently measured at their market value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Charity does not acquire or use put options, derivatives or other complex financial instruments.

### **Realised gains and losses**

All gains and losses are taken to the statement of financial activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

### **Cash and cash equivalents**

Cash and cash equivalents include cash at bank and in hand and short term deposits repayable on or within a three month notice period.

### **Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

### **Creditors**

Creditors are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

### **Taxation**

As a registered Charity no provision is considered necessary for taxation.
