Trustees' Annual Report for the year ended 31 March 2023

The Trustees present their Report and Accounts for the year ended 31 March 2023, which also comprises the Directors' Report required by the Companies Act 2006.

Reference and administrative details

The charity name.

The legal name of the charity is:- Jesbrow Foundation.

The charity's areas of operation and UK charitable registration.

The charity is registered in England & Wales with the Charity Commission in England & Wales (CCEW) with charity number 1170816.

The charity does not operate in any overseas jurisdictions.

Legal structure of the charity

The charity is constituted as a company limited by guarantee, registered under the Companies Acts . The governing document of the charity is the Memorandum and Articles of Association establishing the company under company legislation.

The governing document is dated 15 November 2016

There are no restrictions in the governing documents on the operation of the Charity or on its investment powers other than those imposed by Charity Law.

By operation of law all, trustees are directors under the Companies Act 2006 and all directors are trustees under Charities legislation and have responsibilities, as such, under both company and charity legislation.

The trustees are all individuals.

Company Registration Number - 09146153

Trustees' Annual Report for the year ended 31 March 2023

The principal operating address, telephone number, email and web addresses of the charity are:-

Flat 54 Bath Hill Court

Bath Road

Bournemouth BH1 2HS

Telephone 01202 789430

Email Address N/A Web address N/A

The registered office of the charity for Companies Act purposes is:-

Alum House

5 Alum Chine Road, Bournemouth

Dorset, BH4 8DT

The Trustees in office on the date the report was approved were:-

Rabbi A Jesner

Mrs P Seal

Mr C R A Nixon

The following persons served as Trustees during the year ended 31 March 2023 :-

The trustees who served as a trustee in the reporting period were as shown above, and there were no changes during the year, or in the period between the year end and the approval of the accounts.

All the trustees are also members of the charity.

Objects and activities of the charity

The purposes of the charity as set out in its governing document.

To advance education and relieve sickness and preserve the health for the benefit of the public, in particular but not exclusively disabled people, by providing funds as the Trustees see fit to further said objects.

The main activities undertaken in relation to those purposes during the year.

During the year the charity has made grants to twenty three different charities primarily to help prevent or provide relief from poverty as well as helping in other areas that benefit society as whole such as providing help at a very basic level for the provision of food and shelter via supporting other charitable organizations involved in relevant fields.

Jesbrow Foundation

Company Registration Number - 09146153

Trustees' Annual Report for the year ended 31 March 2023

The main activities undertaken during the year to further the charity's purpose for the public benefit.

The trustees believe that by considering all applications from the public on a regular basis and providing financial help to carefully selected charitably organizations that work to benefit the public they operate within this definition. Financial assistance is made via funding registered charities with in the UK from donations and investment income. The trustees have had regard to the Charity Commission's guidance on public benefit in managing the activities of the charity.

The main achievements and performance of the charity during the year.

During the year the Jesbrow Foundation provided grants to 23 charities totalling £101750. The majority of the recipients were connected to the Jewish faith but there were funds provided to a wide range of good causes that benefit the public good including education, assistance alleviating hunger and providing shelter.

The difference the charity's performance during the year has made to the beneficiaries of the charity.

The funding provided to the twenty three charities who have received funding during the year has been of considerable help during a time when support for charities by the Government and the public has been significantly reduced due to the financial pressure caused by the current economic problems and the high level of inflation.

The degree to which the achievements and performance during the year have benefited wider society.

The trustees have supported a wide range of projects to help educate, support and protect vulnerable people, either directly or by helping those who provide this help, that otherwise would have fallen upon the state thus providing a real benefit to society as a whole.

Investment performance against the investment objectives.

Investment performance during the year was not good. The ongoing Russian invasion of Ukraine, the rise in inflation and interest rates, together with the continued uncertainty following the UK's departure from the EU have all helped to reduce the value of the charities portfolio of stocks and shares during the period. However the income from the portfolio has increased year on year which has helped the charity continue its work. The Trustees think it is still too early to evaluate the real impact of these factors on the future income from the investments. They continue to rely on professional advice from the stockbroker.

Company Registration Number - 09146153

Trustees' Annual Report for the year ended 31 March 2023

Structure, governance and management of the charity

The methods used to recruit and appoint new charity trustees.

It is a requirement for the charity to have between three and six trustees. New trustees are appointed by the board who have the necessary skills, experience and ethical beliefs to benefit the charity as a whole.

Financial review

The charity's financial position at the end of the year ended 31 March 2023

The financial position of the charity at 31 March 2023 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2023	2022
	£	£
Net income	(290,399)	135,757
Unrestricted Revenue Funds available for the general purposes of the charity	1,933,756	2,224,155
Total Funds	1,933,756	2,224,155

Financial review of the position at the reporting date, 31 March 2023 .

The Trustees consider the financial performance of the charity this year to have been poor. The overall performance of the investments was also bad. However the only realised loss (£17364) was on the partial disposal of some 3i Infrastructure Shares. This disposal was made on the advice of the stockbroker as this holding had become out of balance with the rest of the portfolio. The majority of the losses (£289526) during the year were unrealised and are a reflection of the poor financial conditions around the globe. The income produced by the portfolio has risen during the year.

Jesbrow Foundation

Company Registration Number - 09146153

Trustees' Annual Report for the year ended 31 March 2023

Policies on reserves.

The charity's policy on reserves is to maintain sufficient funds in cash to provide at least six months funding in advance. Surplus funds are invested to provide an ongoing income with capital growth to try and off-set the financial risks associated with inflation so that it can continue with its aims and objectives into the future without reliance on raising donations.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

Statement of the Directors Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), .

Jesbrow Foundation

Company Registration Number - 09146153

Trustees' Annual Report for the year ended 31 March 2023

In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

Jesbrow Foundation

Company Registration Number - 09146153

Trustees' Annual Report for the year ended 31 March 2023

Method of preparation of accounts - Small company provisions

The financial statements are set out on pages 11 to 34.

The financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016)

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006, applicable to companies subject to the small companies regime.

This report was approved by the board of trustees on 15 August 2023.

Rabbi A Jesner
Director and Trustee

Jesbrow Foundation

Report of the Independent Examiner to the Trustees of the charitable company on the accounts for the year ended 31 March 2023

I report to the Trustees on my examination of the financial statements of the charitable company on pages 11 to 34 for the year ended 31 March 2023 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , and under the historical cost convention and the accounting policies set out on page 19.

Respective responsibilities of the Trustees and the Independent Examiner and the basis of the report

As described on page 5, you, the charitable company's Trustees, who are also the Directors of the Company for the purposes of Company law, are responsible for the preparation of the financial statements in accordance with the Companies Act 2006, the Charities Act 2011 and all other applicable law and with United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the memorandum and articles of the charity for the conducting of an audit, and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to Section 476 of the Companies Act 2006. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the financial statements are not required to be audited under any legal provision, or otherwise, and are eligible for independent examination, it is my responsibility to:-

- a) examine the financial statements of the charity under Section 145 of the Act;
- b) follow the applicable procedures in the Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of Independent Examiner's Statement and scope of work undertaken

I report in respect of my examination of the charity's financial statements carried out under s145 of the Act. In carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act setting out the duties of an independent examiner in relation to the conducting of an independent examination. An independent examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that, on a test basis of evidence relevant to the amounts and disclosures made, the financial statements comply with the SORP.

Jesbrow Foundation

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries and does not cover all the matters that an auditor would consider in arriving at an opinion. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide

Consequently, I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

Independent Examiner's Statement, Report and Opinion

Subject to the limitations upon the scope of my work as detailed above, I have completed my examination: and can confirm that:-

The accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;

This is a report in respect of an examination carried out under 145 of the Act and in accordance with Directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable;

and that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:-

accounting records were not kept in respect of the charity as required by Section 386 of the Companies Act 2006 and Section 130 of The Charities Act 2011;

the financial statements do not accord with those records; or

the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view, which is not a matter considered as part of an independent examination;

have not been prepared in accordance with the methods and principles set out in the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP).

Jesbrow Foundation

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Signed:-

Mr A Simpson FCA - Independent Examiner

The notes attached on pages 19 to 34 form an integral part of these accounts.

Jesbrow Foundation

Notes to the Accounts for the year ended 31 March 2023

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Measurement and estimation - the Trustees have made a number of judgements and estimations concerning the future pandemic particularly in respect of its investment policy and remain fully invested at the signing of these accounts.

Going Concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as trading revenues. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the Trustees have obtained forecasts and, after reviewing the financial forecasts for future periods to 31 March 2024, the Trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of Income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

Jesbrow Foundation

Notes to the Accounts for the year ended 31 March 2023

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Dividends are accrued when the shareholder's right to receive payment is established.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Accounting for deferred income and income received in advance

Where terms and conditions relating to income have not been met or uncertainty exists as to whether the charity can meet any terms or conditions otherwise within its control, income is not recognised but is deferred as a liability until it is probable that the terms or conditions imposed can be met.

Any grant that is subject to performance-related conditions received in advance of delivering the goods and services required by that condition, or is subject to unmet conditions wholly outside the control of the recipient charity, is accounted for as a liability and shown on the balance sheet as deferred income. Deferred income is released to income in the reporting period in which the performance-related or other conditions that limit recognition are met.

When income from a grant or donation has not been recognised due to the conditions applying to the gift not being wholly within the control of the recipient charity, it is disclosed as a contingent asset if receipt of the grant or donation is probable once those conditions are met.

Where time related conditions are imposed or implied by a funder, then the income is apportioned to the time periods concerned, and, where applicable, is accounted for as a liability and shown on the balance sheet as deferred income. When grants are received in advance of the expenditure on the activity funded by them, but there are no specific time related conditions, then the income is not deferred.

Any condition that allows for the recovery by the donor of any unexpended part of a grant does not prevent recognition of the income concerned, but a liability to any repayment is recognised when repayment becomes probable.

Income from legacies

Income from legacies is recognised when the charity has sufficient evidence that a gift has been left to them, that where required, probate has been granted, the executor is satisfied that the property in question will not be required to satisfy claims in the estate, that it is probable that the amount will be received by the charity, and the amount to be received can be estimated with sufficient accuracy, and that any conditions attached to the legacy are either within the control of the charity or have been met.

Where a payment is received from an estate or is notified as receivable by the executors after the reporting date and before the accounts are authorised for issue but it is clear that the payment had been agreed by the executors prior to the end of the reporting period, then the amount concerned is treated as an adjusting event and accrued as income in the accounting period if receipt is probable.

Where the charity has established entitlement to a legacy but there is uncertainty as to the amount of the payment, details of the legacy are disclosed as a contingent asset until the criteria for income recognition are met. Where a legacy is subject to the interest of a life tenant, the legacy is not recognised as income until the death of the life tenant.

If it is doubtful that full settlement of a legacy debtor will be received, then an adjustment is made to reduce the amount of the legacy debtor and legacy income rather than charging the adjustment as expenditure in the Statement of Financial Activities

Jesbrow Foundation

Notes to the Accounts for the year ended 31 March 2023

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Policies relating to assets, liabilities and provisions and other matters.

Fixed Asset Investments

Fixed asset investments in quoted shares, traded bonds, investment properties and similar investments are shown initially at cost upon acquisition and at their market value at the balance sheet date at the end of the financial period. Investment properties are not depreciated.

Fixed asset investments in unlisted equities are shown at the balance sheet date at the best estimate of their market value, where practicable. Where valuation techniques are considered unreliable or where, in the opinion of the trustees, the costs outweigh the benefits to the users of the accounts, the investment is included at cost, and a review is undertaken at each year end as to whether the asset should be written down.

All gains on fixed asset investments, whether realised or unrealised, are included in row B4 of the Statement of Financial Activities.

Accounting for capital grants and fixed asset funds.

Gifts of tangible fixed assets or grants of a capital nature, given for the purposes of acquiring specific assets to be fully utilised in the furtherance of the objects of the charity, are credited to fixed asset funds after the donated asset has been received or sums have been properly expended on the restricted purpose.

Where the terms of the gift require the charity to hold the asset on an ongoing basis for a specific purpose, then the fixed asset fund so created is categorised as a restricted fixed asset fund, and the relevant restrictions are noted in the fixed asset note 0.

Where the terms of the gift are met once the asset is acquired, so allowing the charity to use the asset on an unrestricted basis, including the right to receive the proceeds of any future sale of the asset on an unrestricted basis, then the fixed asset fund so created is categorised as a designated fixed asset fund.

When assets are acquired for the furtherance of the charity's objects, utilising the charity's own unrestricted funds, a transfer is made from unrestricted funds to a designated fixed asset fund.

Whether acquired with unrestricted or restricted funds, the asset acquired is initially shown in the balance sheet at the full cost of acquisition or subsequent revaluation.

As the related assets are depreciated, in accordance with the depreciation policy, in order to reflect the diminution in the asset, a transfer is made from the relevant fixed asset funds to either unrestricted or restricted revenue funds, as appropriate to the terms of the original gift, if any.

The effect of this policy is that the aggregate of all fixed asset funds shall equate to the net book value of fixed assets.

Jesbrow Foundation

Notes to the Accounts for the year ended 31 March 2023

In the first year that this policy was adopted, a transfer to fixed asset funds was made equivalent to the net book value of the assets.

Any residual liability to the donor arising from, for example, the asset's future sale, is disclosed as a contingent liability unless the event that would trigger repayment of the grant becomes probable in which case a liability for repayment is recognised.

Insofar as this policy relates to Government grants and to the extent that it may be a departure from the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), such departure is justified on the basis that it is in order to comply with the SORP.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors and provisions

Creditors and provisions for liabilities and charges are recognised and measured in the accounts on the basis of when they fall due.

Financial instruments including cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

All financial assets and liabilities measured at fair value, the basis for determining fair value is from the reports received from our stock broker.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

There are no designated funds.

There are no restricted funds.

There are no endowment funds.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

Jesbrow Foundation

Notes to the Accounts for the year ended 31 March 2023

There are no financial instruments to affect the charity's financial position or performance.

Gains and losses are detailed in note 5

15 The purposes for which the funds as detailed in note 13 are held by the charity are:-

Unrestricted and designated funds:-

Unrestricted Revenue Funds

These funds are held for the meeting the objectives of the charity, and to provide reserves for future activities, and , subject to charity legislation, are free from all restrictions on their use.

Unrestricted Revaluation Reserve

This fund represents the unrestricted surplus arising on the revaluation of the charity's assets.

16 Ultimate controlling party

The charity is under the control of its legal members.

Every member of the charity is obliged to contribute such amount as may be required not exceeding £1 to the assets of the company in the event of its being wound up while he or she is a member, or within one year after he or she ceases to be a member.
