Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	We are a community based charity for LGBTQ+ individuals in Ely. We have created a safe place for people to meet in Ely. Our first Pride in Ely event was held in August 2018 and this has been well supported within the City. For 2024 we held our 5th Pride in Ely event. Our ultimate aim is to be able to offer more support by working with other organisations and in particular to educate around diversity and inclusion and provide more safe-space events and social opportunities in addition to our main Pride Day.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Fundraising via stalls at community events throughout the year of 2024. Organising and operating the 2024 Pride Day event in August. In particular our own merchandise and beer stalls, plus revenue from donations and stall pitch fees.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have read the guidance and it is in keeping with our aims and objectives.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>We've identified the following as our principal achievements this year:</p> <ul style="list-style-type: none"> • We have been unable to expand on our pool of trustees this year and we do need to address this head-on for our next year and significantly enlarge our team so that we can better achieve our Charitable Aims and reduce the overload load/stress on individuals. • We were able to organise and host more non-Pride Day events, providing more safe-space opportunities, opportunities to socialise and fundraising for the charities • We achieved an attendance of approximately 6000 people on the day, this was up significantly on the previous year • We coordinated with the District Council's Markets Team, who branded and ran a Pride-themed "Foodie Friday" event on the day before Pride, expanding our fringe festival aims for Pride in Ely. This included decorating Ely's market place with Pride flags and bunting, helping to raise awareness of and spread a message of usualisation and acceptance of the LGBTQ+ community.

Additional information (optional)

Achievements against objectives set	Para 1.41	Due to our low number of trustees, we were not able to achieve as much progress in our education and outreach areas, however we were able to provide a highly successful and expanded Pride event, with excellent turnout and a true safe space for learning and self-expression for the LGBTQ+ community and beyond.
Performance of fundraising activities against objectives set	Para 1.41	<p>Due to a low number of trustees and volunteers, much of the time which should have been dedicated to fundraising and sponsorship was used to ensure the main Pride Day event was possible.</p> <p>Our fundraising was limited to event revenue along with a modest number of small donations (including those given on the main Pride Day event)</p> <p>We were unable to attend external events and host a Pride stall for this period, which also represented a loss compared with the previous periods.</p>
Investment performance against objectives	Para 1.41	<p>Our investment in infrastructure, stock and consumable items was high this year, but it was in service of expanding our ability to maximise main revenue streams on Pride Day and at other events we will run, present and into the future.</p> <p>The results ably demonstrate that our expanded footprint, ability to newly take card payments and to operate our own bar were worth the investment and we end the period with stock in hand plus infrastructure to increase earnings in subsequent years.</p>
Other		Again due to the pressures with low numbers of trustees, following multiple resignations last year in our CIO's leadership team and another this year, we were unable to meet all of our set qualitative or quantitative objectives for this year.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	We close the year with £5,543.09 in the bank, a decrease of -£2,039.18 on the previous period.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The current account balance is maintained to ensure the ability to hold a new Pride festival each year and to allow us to invest in new programmes for outreach and education.
Amount of reserves held	Para 1.22	£5,543.09 as per current account.
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	<p>The bill for the previous period's staging provision was presented very late due to a dispute we raised and so is reflected on this period. Without this £3,000 the accounts would have reflected a modest increase of £960.82</p> <p>Additionally due to the illegal actions of a supplier who had contracted to provide a bar service with a significantly favourable profit split, we did not run our own bar. Ultimately this turned out to be materially different just days before the event when it was too late to make changes (including due to the inability at that short notice to serve a Temporary Event Notice to enable the sale of alcohol). Instead of an 80% share of revenue, we took under 20% of the provider's revenue and this represented a loss of as much as £4000-4500 to us.</p>
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	N/A
