Activities

Objects: TO ADVANCE THE EDUCATION OF THE PUBLIC IN BERNICIA, AN ANGLO-SAXON KINGDOM ESTABLISHED BY ANGLIAN SETTLERS OF THE 6TH CENTURY IN WHAT IS NOW SOUTH-EASTERN SCOTLAND AND NORTH EAST ENGLAND.

Activities: BSG studies the ancient kingdom of Bernicia which existed in the 6th and 7th Century AD. This involves, but is not restricted to, studying the history, geography, economy, and language of the region. It involves looking at the position of Bernicia in the context of the emerging kingdoms which were to come together to make England. BSG also shares and disseminates its knowledge and research.
