INTERNATIONAL CHRISTIAN CONSULATE

TRUSTEES' REPORT

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 30 April 2022.

Objectives and activities

Objects and aims

The charity's main objective is to advance the Christian Faith and provide aid and support for people fleeing war, conflict and persecution, especially those who are suffering because of their Christian faith.

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Objectives, strategies and activities

The main activities include the provision of food and accommodation, integration support, discipleship and Christian fellowship, basic medical aid, and where necessary, safe housing for persecuted Christians. The charity also produces research reports and advocates on behalf of religious minority refugees. The charity has made significant progress in the construction of a retreat facility to provide intensive discipleship as well as prayer and support for trauma experienced by persecuted Christians.

Achievements and performance

Review of activities

The main theatre of activities was in Greece, where we were able to assist many people who had been forced from their homes and countries by Faith-based persecution and conflict. We sought to help them integrate into the local communities and to rebuild their lives, as well as to grow in their Christian faith. We also advocated on their behalf with the Greek asylum service, and collaborated with other Christian and non-Christian charities and organisations (e.g. UNHCR) to help us achieve our aims.

The COVID-19 pandemic has continued to impose restrictions on some of our activities, and the heavy restrictions even after the lockdown was lifted, has had an impact on activities. However, despite the challenges and restrictions, the charity has continued to house, disciple and provide a wide range of practical and spiritual support for persecuted Christians in Greece. The Goshen facility has been well received by beneficiaries who have benefitted from healing and discipleship retreats. It is a welcome addition to the charity's activities in achieving the charity's objects.

In addition, the charity has begun to provide discipleship and spiritual support remotely via Zoom for persecuted Christians trapped inside Afghanistan, as well as several who were able to flee to Pakistan. This has widened the reach of the charity and is already making a significant impact on these beneficiaries. We expect this aspect of our work to continue.

INTERNATIONAL CHRISTIAN CONSULATE

TRUSTEES' REPORT

Financial review

The trustees are satisfied with the finances for the sixth year of operating. Total grants and donations received amounted to £97,446 (2021 - £191,398) and total expenditure amounted to £137,178 (2021 - £138,928). Funds carried forward amount to £218,314 (2021 - (£258,046)), which includes £145,337 (2021 - £175,313) in fixed assets.

Policy on reserves

It is the trustees' policy to maintain a balance of funds to enable the Charity to operate with a good financial base so that all financial commitments can be met. It is the Charlty's intention to retain at least £10,000 in the bank as a reserve.

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

Structure, governance and management

Nature of governing document

International Christian Consulate is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association.

Recruitment and appointment of trustees

The management of the company is the responsibility of the trustees who are elected and co-opted under the terms of the Articles of Association.

Risk management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

INTERNATIONAL CHRISTIAN CONSULATE

TRUSTEES' REPORT

Statement of Trustees' Responsibilities

The trustees (who are also the directors of International Christian Consulate for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The annual report was approved by the trustees of the charity on 29 June 2022 and signed on its behalf by:

INTERNATIONAL CHRISTIAN CONSULATE

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF INTERNATIONAL CHRISTIAN CONSULATE

I report to the charity trustees on my examination of the accounts of the charity for the year ended 30 April 2022 which are set out on pages 6 to 14.

Respective responsibilities of trustees and examiner

As the charity's trustees of International Christian Consulate (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of International Christian Consulate are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of International Christian Consulate as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

INTERNATIONAL CHRISTIAN CONSULATE

NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 30 APRIL 2022

1 Charity status

The charity is limited by guarantee, incorporated in England, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

International Christian Consulate meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

INTERNATIONAL CHRISTIAN CONSULATE

NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 30 APRIL 2022

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Land and buildings	2% on cost
Motor vehicles	25% on cost
Building improvements	20% on cost

INTERNATIONAL CHRISTIAN CONSULATE

NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 30 APRIL 2022

Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Liabilities

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
