Objectives & Activities

As a charity organisation we are keen to help our community in every possible way to achieve peace and happiness through the love of Jesus. We strictly follow the doctrines and principles of Apostolic Christianity.

We conduct outreach ministries, where we offer one to one prayer and support to anyone in need. Fundraising events to support the homeless and underprivileged in and around our town.

Counselling and Empowerment meetings for the youths in the community, to guide and direct them. We also support many churches and orphanages in India by sending clothes and by providing food and school essentials for school children.

Overall, our charity organisation helps us to advance the aura of Christian Religion in accordance with the Statement of faith, to relieve sickness and financial hardship and to advance education throughout the world as the trustees may see fit from time to time.

Achievements & Performance

Rehoboth International ministries was immensely blessed, and it flourished in the year 2021 - 2022. We were able to advance and grow to impact our community very effectively. It is a privilege to see our church grow and expand as it serves the community in the love of Christ. The church has been actively involved in Sunday services, Saturday night, Wednesday night Intercession prayer sessions, outreach ministries, mini crusades, planting new churches, prayer tower and helping the needy ministries enabling us to intercede and help many who were in need spiritually and financially. Church has been actively involved in community services for example mental health classes, supporting families in financial crisis and offering youths help on finding jobs. As per the vision of the Church we have been actively involved in training up all groups of people in a godly lifestyle. Our ministries include Sunday school, Youth ministry, Ladies ministry, Gents Ministry and Rehoboth Biblical training camp and Hand of Homeless ministry, mentorship for youths and young family. Last year we were led by the Holy spirit to prepare a next generation preaching team and prophetic team in church, as leaders we were able to identify the calling upon people and have been training them to preach the gospel. There is also a prophetic team, who operates and functions as the tongue of God, they are identified and operates profoundly under the guidance of Holy Spirit within the body of Christ.

Sunday School Ministry

This year we were able to expand the ministry of our Sunday school effectively and it has had a positive effect on the lives of our children and church. We are very focused in bringing up another generation in the truth of God. Our dedicated Sunday School Ministry helps our children to learn the principles and lessons of Christ's life. Our Sunday School runs from 11.00 am to 11:50 am every Sunday. The students are divided into various classes according to their age and are taught by dedicated teachers who have volunteered to teach them from an accredited syllabus, this year we have initiated to prepare our own syllabus including many active activities to engage children thoroughly in the lessons. Along with lessons they are actively involved in learning new songs and skills to help their talents and use it for the kingdom of God.

During this year a total of 10 teachers served 38 students in the Sunday School Ministry. The Sunday school ministry has helped our children to become role models in their schools and in the community.

Youth Ministry

Our youth ministry is an important part of our church. They get greatly involved and connect with the church and God. They are given opportunities to conduct praise and worship, discussions on contemporary issues faced by youths and biblical solutions to issues, counselling to avoid temptations of drugs and alcohol etc. With each session with youths, they are taught to become strong in the Lord and to be independent and truthful in their lives and how to integrate the Christian values into their life and impact others.

During the youth meeting youngsters are given opportunities to recite Bible verses, say short stories and deliver biblical short messages according to their age groups. There are opportunities to perform their talents and abilities given by God to showcase their skills especially with musical instruments and singing. There is regular bible quiz to broaden their knowledge. This year we have seen an immense growth in their spiritual life, many have surrendered their life to ministry and missions.

This year we have also introduced an adult Sunday school. We have noticed many of our adults lack the knowledge and basic principles of the Word of God. To support and grow them in Christ, the senior pastor of the church follows a curriculum to teach the adults twice a month through zoom platform.

Church has planned mission trips internationally and within the UK to preach the gospel and manifest the power of God. We have been actively involved in charity works such as building houses for people in India, supporting crippled families.

We have donated and helped many such families across, spreading the unconditional love of Christ through our services.

Our Mentorship programme has been very effective in the church for youth and young families. The main aim of the mentorship is to facilitate their personal needs and strengthen their relationship with Holy Spirit and the word of God. Every youth is assigned a mentor and they are reviewed by Senior Pastor. In the year 2022, mentorship programme was expanded, and it added many more pupils to it, making a drastic change in many people's life. We have received amazing testimonies explaining the positive impact the mentorship has, our aim is to continue the programme and expand it even more in 2023.

Sunday service, we have 2 services the English service begins at 09:30am to 11:00 am, The Malayalam service begins from 11:30am to 14:00pm. Both the services are Holy Spirit led and originated in the true word of God.

In the year 2022 we witnessed many miraculous testimonies, and there was huge expansion in the number of people attending.

The church was able to host the presence and the glory of God to many people, and their lives are transformed to a greater extend.

The online streaming of our service has also a huge impact on people. The social media platforms have been used to reach out to many lives who has given up hope in life. We have seen our messages and testimonies has encouraged many to believe in Christ and his church.

The primary aim of our church is to worship, grow in the word of God and testify the power of Christ in our everyday life. We authentically give importance to the Word of God and Holy Spirit in our service, and we use our worship session to reach an uttermost intimacy with God.

The service begins with personal submission prayer along, it gradually takes us into the worship, and it's continued by prophetic and interpretation sessions and from there on into inspirational testimonies, spiritual messages, seeking and receiving prophetic words from God, Infilling of Holy Spirit and ends with holy communion table in the remembrance of our Lord.

Occasionally, Servants of God from all around the world are invited to our church to spiritually refresh and impact us and our community.

Area Prayer Connect and Cottage meetings.

Guildford, South end on sea, Dartford, Grays and Lewisham, we are hoping to extend to many more cities across England in the years to come.

Area prayer meetings are conducted on alternative Saturday between 3pm to 6pm at each town by the appointed leaders. The aim of area prayer connect group is to invite new people into the fellowship of church and Christ. It has proven to be a blessing to many people to grow and understand the love of Christ.

Church worship team

In the year 2022 we have organised worship teams in church, who leads both services on Sunday and instigate to teach and train many youths and adults to take to the stage. We are blessed with a band that prioritise lead of Holy Spirit, humbles in worshipping the Lord.

Church Volunteers

In the year 2022 we had a great increase in the church, hence, to manage the church services and to cater to every need of the members, we have volunteers for both English and Malayalam services, who take exceptional efforts in maintaining a calm and purpose services. The volunteers pray and prepare the church venue before the service begins and they arrange all the essentials to conduct the services, such as prepping up stages, chairs, music system, sound prepping, arranging water, snacks, tea, coffee and lunch for after services. The volunteers are handpicked because of their heart to serve the body of Christ, the showcase the heart of a humbled servant. All our volunteers are Holy Spirit filled and motivated to do the best for the church.

Ladies and Gents Fellowship Connect groups.

Ladies and Gents meetings are conducted on the 4th Sunday of every month between 17:00pm to 18:00pm. These meetings are conducted so the members organise many programmes such as fund-raising events, charity events, mission work projects, debates on relevant social and spiritual issues and personal prayer intercessions to help one another. The connect groups take great initiative to cook and serve food for the homeless, also help young adults (immigrant students) to find jobs and help with CV and their studies.

Discipleship Project

Church and leadership are very keen to build up a generation of young leaders for the kingdom of God. We have a discipleship class which includes learning modules, Assignments, and mission field work to get a hands-on experience to become a next generation leader. We invest money to bring bible scholars, teachers, and counsellors to teach and give guidance to our entrants to help them develop spiritually and mentally.

We are reaping great blessings with this project, and we are hopeful that it will surely impact a generation to walk closer to God.

Fasting Prayer, Whole Night Prayers, and Meditations. In the year 2022 we saw a great change in the life of our church members because of this initiative and we are hoping to train many more for the kingdom of God.

The church always declares 3 days fasting last weekend of every month and 21 days fasting prayer on the month of December. These meetings are profoundly spiritually uplifting, edifying and great blessings to the church and the members. We conduct whole night meetings and meditation prayers every 3 months.

Church Sunday school, Youth Annual Day Celebrations, Summer/ winter camps

The Church Annual Day celebrations and summer/ winter camps take place every year.

The leaders choose a town and find accommodation for the whole church and spend 3 nights and 4 days in a camp centre.

For annual day celebration, the church annual celebrations are planned very early on the year, it is a great celebration within the church, there are many programmes and talent show exhibitions during the event.

Future Developments

The church intends to continue to host its regular conferences in the UK and will continue to hold their regular Sunday services, their Sunday school for children aged from 3 to 16 years old, their youth and ladies' events and their outreach programmes. The charity is looking for a permanent place for the events. The charity will be focusing on church planting, starting mission oriented academic institution, charity events and upskilling events for youths and vulnerable residents in the community.
