Bank charges	30.00
Total payments:	£77,155.00
Balance carried forward	87.70
	£77,242.70

NOTES:

- (1) The objectives of the Trust are: The relief of sickness and the preservation and protection of health, in particular by giving financial support to institutions, organisations, or groups in East Africa which are undertaking research into, treatment, and prevention of cancer.
- (2) The charitable donations made were all directed towards payment for the treatment of cancer patients in Kenya, and meet the "public benefit" duty of the Trustees. As a result of these payments many cancer victims received treatment which would not have been available otherwise.
- (3) This was achieved by working with Cancer Research Trust – Kenya, a Kenyan registered charity (reg. no. PS1423). Three of the trustees of LCT are founding trustees of CRT-K and have control over the utilisation of these payments in Kenya.
- (4) LCT is funded by donations by private individuals. Its bankers are Reliance Bank, London. Payments to Africa were made within the regulated banking system to National Bank of Kenya by a formal money transfer.
- (5) Decisions are made collectively by all trustees. The trustees have all the documents and information needed to fulfil their duties, operational, legal, and regulatory. The technical expertise of the trustees ensures that awards of grants are fully and efficiently evaluated, and that risks are minimised as far as possible.
- (6) The future plans of LCT are to continue the same work. CRT-K has established its own specialist cancer hospital in Nairobi and this will extend the ways in which LCT can achieve its objectives and deliver public benefit.

Accounts approved by the trustees on the
Signed:

24th Jan, 2022

K Cholerton, Chairman

Date: 22 / 2 / 2022

It is my responsibility to examine the accounts of the Trust, to follow the procedures laid down in the General Directions given by the Charity Commission, and to state whether any particular matters have come to my attention.

My examination was duly carried out.

The examination includes a review of the accounting records kept by the Charity and a comparison of the Accounts with those records. It also includes consideration of any unusual items or disclosures in the Accounts, and seeking explanations from the Trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the Accounts.

In the course of my examination no matter has come to my attention which gives me reasonable cause to believe that, in any material respect, the Trustees have not met the requirements to ensure that:

- proper accounting records are kept and Accounts are prepared which agree with the accounting records and comply with statutory accounting requirements.
