Report of the trustees for 1st September 2021- 31st August 2022

The trustees for the Birmingham School of Bell Ringing (BSoBR) present their annual report and accounts year ended 31st August 2022

The school was founded in September 2013 and became a CIO 3rd January 2017.

Our Aims

To ensure the tradition of English Change Ringing is sustained and enhanced.

Our Objectives

The objects of the school are to recruit and train bell ringers in the Diocese of Birmingham and surrounding areas for the purpose of advancing the art of change ringing, and to develop accredited teachers of change ringing.

Our key objectives for the year included

- Recruitment of new bell ringers
- Teaching new and existing bell ringers
- Support local churches by teaching their bell ringers
- Training new teachers of bell ringing
- To encourage the use of the national accredited training programme "Learning the Ropes" (LtR) for new bell ringers in the region.
- To encourage the use of the Association of Ringing Teachers (ART) training programme for new and existing teachers of bell ringing
- To provide mentoring opportunities for new teachers
- Students achieving Level 3 or above to continue with the school as Volunteers (sending the elevator back down)

Review of Activities and Achievements

The school re-opened in September 21 following the suspension of all ringing activity due to COVID 19. The school started back conservatively operating only 2 of its 4 teaching towers across Birmingham. The primary teaching centre at St Pauls church in the Jewellery Quarter, where new recruits start at level 1 was key to open first.

The school normally operates with a team of volunteers, 13 accredited teachers and a pool of 45 experienced ringers, following COVID teachers and helpers we slow to return until confidence grew.

The school operates weekly and can accommodate a maximum of 24 students. From September 2021 to August 2022 numbers were slow to return with only 8 - 12 students attending each week.

Fees

We continue to charge £5 per session (£3 concession). For this students receive 2 hours teaching per week, affiliation to the St Martins Guild including public liability Insurance. They receive a welcome pack, certificates of achievement at each level and, as they progress, books and DVD's appropriate to their achievement for home study.

Recruitment

Recruitment of bell ringers is key to the success of the school, we have been very fortunate to date that word of mouth our website and the ART enquiry line has provided a steady flow of new recruits.

We are now required to have a recruitment plan following the COVID pandemic as its possible we could have lost 20% of our students.

Volunteers

As always we would like to thank all the volunteers who give up their Saturday mornings to support the school, without your enthusiasm commitment and loyalty to the school we would not be able to run the school and thus provide new bell ringers to our towers. We are very pleased that almost all of our students who achieve level 3 or above continue with the school as volunteers, this is very positive and fulfils our objective of 'sending the elevator back down'.

Donations

The school makes donations each term to the 4 churches where the sessions take place in recognition of their support by providing access to their bells and facilities.

Financial Review

Total receipts were £1449.00 (student fees)

Total Expenditure was £1165.03, £700 donated to the 4 churches the school operates out of, without their support the school could not operate, refreshments £72.00, £155 Donation to Art when students pass the various levels, £85.00 purchased books that are given to students achieving the various levels of LtR, £50.14 hand Bell Insurance, Associate Membership to St Martins Guild £40 (Insures learners to ring at guild towers) £22.89 Admin, Other expenses £65 refunds to learners unable to continue with the school.
