PUBLIC BENEFIT

We have referred to the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and planning our future activities. In particular the Trustees consider how planned activities will contribute to the aims and objectives of the charity and are confident that our activities during the past year have been for the public benefit.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Law applicable in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year.

In preparation of these financial statements, the Trustees are required to:

- Select suitable accounting procedures and apply them consistently.
- Make judgement that are reasonable and prudent.
- Prepare the financial statement on an ongoing basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

KEY CONTROLS USED BY THE CHARITY
