

Bourton Village Hall C.I.O
Annual General Meeting
Monday 28th November 2022

Chairman's Report

At the beginning of this year, Paul Curry stood down as Chairman and Heather Ransley was elected to take on the role in his place. Paul has sadly since resigned as a Trustee. We thank Paul for his many years of service as a Trustee, for guiding us through the Covid pandemic and for his contribution towards the running of the hall. Indeed it is only since he has resigned that we have realised just how much work he has been doing behind the scenes.

Glynis Overington has advised that she will be retiring as Treasurer at the end of this financial year. Glynis has done a brilliant job and has always gone the extra mile for the team. We would like to thank her for her hard work and invaluable support. She will be sorely missed.

Both Paul and Glynis will continue to work with the Hall Volunteers group.

The Trustees are now actively trying to recruit a new Treasurer, new Trustees as well as additional Volunteers.

Post Covid, all of our regular groups are thriving and the number of one-off bookings, mostly children's parties, are higher than ever. The redecoration of the hall during Covid has significantly improved the look and feel and has made it a more inviting place to be. The Queens Platinum Jubilee barbecue party was a huge success bringing local people together for the first time in a long while. The numbers attending village lunches and film nights are now back to pre-Covid numbers. The Trustees would like to thank the Volunteers for their continued enthusiasm and hard work – our village hall events could not happen without them.

Regarding the much talked about new Village Hall and housing development at the Sandways site, there have been delays in getting the developers planning application in front of the Dorset Council Northern Area Planning Committee for review. We continue to wait for a date. In the meantime, a visit to Charlton Musgrove Village Hall was most informative and the Trustees have since discussed and drafted a potential layout for a new hall.

This year the Trustees agreed to purchase audio visual equipment which would enable us to show films/videos/live streaming events with reliable, good quality images and sound. Being easy to operate, it would also be offered to hall users to play film/video/music from their own devices. To date, a ceiling mounted projector and a 4 metre drop down screen have been installed and a flight case containing all the gadgetry required is in place. Loudspeakers are still to be selected. Thank you to David Reed of RSD Music for his help with the technical aspects of this project. The Trustees are enormously grateful to Nick Hall who has personally funded the purchase of the screen, projector and loudspeakers from a bequest which he set up with his late wife, Sheila, to benefit the community of Bourton, ensuring the Hall is a thriving hub of village life.

And finally, it's a great relief to be in a more 'normal' position than we were a year ago and I look forward to a really positive 2023.

Heather Ransley
Chair of Bourton Village Hall Trustees
